The following were, as was to have been expected, postponed: Bill to aid and encourage manufactures and internal im provements; to provide for the more effectual collection of the poll tax

In the House, there was very little bu siness, beet 's the discussion of the Appropriation Bill, which was finally pass ed with no amoudments: Militia gets \$20,000; Penitentiary reduced to \$40,000; Civil Contingent 'Fund to \$10,000. The Committee on the Judiciary reported unfavorably on the Bill to abolish the office of Recorder, in the City of Charleston. No new Bills were introduced.

On Wednesday, the 5th, in the House the Appropriation Bill received its third reading, and was sent to the Senate 000 for publishing laws in news papers. engrossed for a third reading. Spencer gave notice of a Bill to incorporate the Mutual Aid Association.

Grant introduced a resolution to inves tigate the sale of the Spartanburg and

On motion of Boseman, the Bill charter the Charleston Water and Canal was supported by the entire Charlestor delegation, and opposed by Hurley and Homes, of Colleton. It finally passed

of Jury Commissioners shall fall to prepare said lists during the month of Jannary it may be done at any time thereafter: Provided. That the same is comuntil said list is completed juries may be drawn from the box prepared for the ourts held in the county for which

South Carolina University was sounded, by the final passage of the Bill to establish a State Normal School. This Bill, which is the offspring of Whittemore, gives the Board of Regents created under it, the right to take entire possession of the University buildings, without any consultation whatever. The General Assembly have long endeavored to break up this institution, the appropriations are always grudgingly bestowed, and but until now it has been kept up only by the indomitable energy of the publi spirited gentlemen who have been at its

years. It provides that it shall be the duty of the parents or guardians of all his (the member of Bar) checks. We are tend either a public or private school for at last three months in each year, provided there be'a public school within two | be frightened by any such invidious artimiles of the place of residence of such cles, that can emanate from "a member parents or guardians. Any one who of the Bar," or any loafer that may urge shall fail to comply with the provisions him to write such articles. We know, of this Act, without good cause shewn sir, something about the disappointments the member has met with. We know he to the satisfaction of the School Commissioner of the county where they, or any of them reside, shall be guilty of a misdemeanor, and on conviction thereof the county jail, not less than one month or more than six months, or by fine not less than fifty dollars, more than one hundred dollars, or both, in the discre-

It is made the duty of the School Com missioners to prosecute all such delin-

On Thursday, the 6th, in the Senate Corwin introduced a Bill to charter the Newberry Cotton Mills.

The following Bills received their fina reading: Bill to incorporate the Green ville Agricultural and Mechanical Asso ciation; to renew the charter of Worlord College; to fix the time for certain State and county officers to report; to renew the charter of the Charleston Dry Dock and Floating Marine Way; to prevent State and county officers from holding more than one office; to provide for pur chasers of lands at sale for non-payment of taxes being put in possession of same to provide for the administration of dereliet estates; to incorporate the Pee Dee Agricultural and Mechanical Association ; to incorporate the Darlington Agricultural and Mechanical Fair Com-

In the House, Mr. Cannon, of Spartanburg, introduced a Bill to explain or amend an Act to authorize aliens to hold property. The intent of the Bill is fully expressed in the text, which is as fol-

Whereas doubts have been suggested whether the Act to authorize aliens to hold property was intended to include corporations created under the laws, or by the authority of other States and native the recognize he it enacted do. That tions : therefore be it enacted, &c . That corporations created under the laws, or by the authority of other States and us tions, were intended to have, and shall have and exercise, all rights granted to aliens under the Act aforesaid, as fully as if they had been specially therein named.

Representative Hurley introduced joint resolution to allow suits to be brought to ascertain the merits of the claims of by the United States. The resolution is as follows:

Be it Resolved, &c , That the Memorial and Petition of Win. Aiken, Robt. Adger, and others, who paid the Direct Taxes referred to in their memorial, and levied and apportioned by the Congress of the United States, be referred to the Attorney General for his apinion of the legally and equitable merits of the claims.

That the memorialists for themselves and in behalf of these they now or here-after may represent, have leave to bring one or more suits, (not to exceed in number,) whenever the State shall be de-fendant, and the Attorney General shall appear, plead to and defend said suits in behalf of all persons, who have paid no

part of said tax.

That the purposes of said suits, shall be to ascertain and settle

First Whether upon established le-

gal and equitable principles, those who paid more than their proper share of tax, chargeable upon all alike, are not enti-tled to contributions from those, who paid nothing or less than their proper share. Second. Whether, upon the application

Second. Whether, upon the application of the said principles, it is not the duty of the State to cause to be refunded said taxes in such manner as that the burden of them will be fairly distributed like other taxation. That either party have the right to appeal to the Supreme Court of the State, and that no costs shall be chargeable against the State in such suits.
