"Shall we have Cresarism or republicanism?" · In our history General Grant Impeachment is practice. , no punishment, gracefully outrageous reports clearly esditions of our society-corruption in Con by such a revolution as was needed to destroy the Tammany Ring. Men like Mr. the vile, dirty dog be disrobed of his Exec-Conkling, whose eloquence thundered like utive mantle, kicked from the high office the rear of Niagara against poor Mr. Gree- he so loathsomely degrades, and become as lev and his fancies, are silent now. They President. They will not speak because they dare not. When any Senator suppresses the truth within him because Cæsar may frown, then he is a partisan of When any Senator has another monitor for his political conscience than the people's will he is ready for any sur-render.

Nor does it answer our arguments that the character of General Grant forbids any apprehension that he will be a candidate for re election, or that, if elected, the liberties of the nation will be safe in his hands. To this we always answer that when liberty depends upon the forbear-ance of any man it has no true life; for while we have Grant to day, who may be trusted, whom shall we have to-morrow? Rome had other Cæsars than Julius—nay, she had Brutus before Cæsar. The evil is What men were Cæsar, Cromwell. faithful to their country and its glory ! Cosarism always make a nation glorious. because we see the highest glory in the truest freedom, that we press this discussion. Nor does the character of General Grant entirely release him from anxiety. authority. His ideas of the Presidency to the belief that, in some way, the Prespreme responsibility which in the royal of these men fought for his country and

when it was bestowed. Therefore we contend that all sentimental issues in our politics should be postponed until we have decided the fundaington can we feel that there is no danger nomination for a third term and he is weak ond time because his fame, his services and the unparalleled calumnies heaped upon him required no less a vindication. This we did as we had done to Washington and Lincoln. At the same time we support the one-term amendment. Bevond that we cannot go; for if it is necessary to elect any man a perpetual President of the Republic we have no Republic. Umdulterated Republicanism is inconsistent with the idea of perpetual. have said, abandon the expensive and irritating forms of election and legislation and government and return to our an-Queen's government would no doubt regard us as something more than a colony, and worthy of representation in Parliawe are afraid we have not now, the right to pass judgment upon our rulers when they no longer possess public confidence. Swindled Carolina.

Our Carolina dispatch, published yesterday morning, announces that Judge Carpenter, on motion of counsel representing the tax payers of the State of South Carolina, has granted an injunction South Carolina, has granted an injunction of the girl. Disappointment and rage restraining the levying or collecting of any filled the heart of Judas. He sent at tax for the payment of the interest upon once for H. C. and dismissed him in no seven millions of what are known as conversion bonds, and which, we believe, are held by Morton, Bliss & Co., of New doings or some other motive, he did not York. This is right. It is time for the people of South Carolina to show the Shy-locks and plunderers who have been swind ling them for the past six years that they will no longer be robbed with impunity. They should refuse to pay the principal or Judas himself may have a correct idea interest of any bond, no matter by whom that he himself will eventuate there, and issued nor by whom held, until it has been it may be that H. C., was by him placed subjected to a thorough investigation and its validity clearly established. If scheming Rings in Wall street have allied themselves with native thieves to rob the State, they cannot now hold themselves out as innocent purchasers and demand payment of their fraudulent obligations. They must learn that the day of spoliation has pass-ed.—Chronicle & Sentinel.

Civil Rights Issue in Gotham.

NEW YORK, July 12. The trial of the first civil rights case took place yesterday. Aaron Richardson, the proprietor and manager of the Opera House, was placed on trial in the Court of Sessions, on an indictment charging Mr. Jewett's head. Mr. Jewett fell down him with a misdemeanor in violating the and made his way to the desk, where Mr. provisions of what is known as the civil Bingham, the chief clerk, was writing. rights bill. Anna Lawyer, Margaret Payne, Whipple leaped over the counter followed by Bingham, who instantly shot Whip-John F. Payne and Michael Mechan were examined on the part of the people, their evidence mainly going to show that Payne's servant, Lawyer, had been sent by him, accompanied by his children, who are almost white, to the box office of the Deprace and Edgefield,—or, in other words, from the Edgefield,—or, in other words, from of the children, and that on Payne presenting that they were for the parents of the children, and that on Payne presenting the tickets at the door they were senting t a place for them in the gallery. The de-fence claimed that the tickets were pro-north Mississippi and west Tennessee, cured by taise representations. The case was given to the jury about six o'clock in the evening, and they came in and reported the evening, and they came in and reported they were unable to agree, and were the case of the caterpillar is reported in several and all friends of the enterprise of the enterprise of the enterprise of the caterpillar is reported in several and all friends of the enterprise of th ed they were unable to agree, and were discharged. They stood ten for acquittal discharged. They stood ten for acquittal discharged and the prairie region of Misserted, and all friends of the enterprise of the enterprise discharged. They stood ten for acquittal discharged and the prairie region of Misserted, and all friends of the enterprise of the enterprise of the enterprise object is to forward and institute any enand two for conviction. The two jurors sissippi.

As I write we have only been here two blue light upon every object is the most to the Pine House, at a comparatively now as safely as it could some years ago. I think it is now satisfactorily ascertained that there is no lasting benefit whatever expenses, or begin by a first class Rail in ardent spirits. It must be morally way, that never will be built, and therewrong to offer for sale, that which the by lose forever all chances of connection vender knows can do the buyer no good. with the great arteries which will place It must be worse to offer for sale that us in connection with the grand contres good, may do him much harm. We would regret very much were we to allow ourselves under any pretext, to ensure the creditors of Bennett Perry description of the Hong R. Carpenter, Judge of the 5th Circuit, in the above action, all and singular the creditors of Bennett Perry description. which he knows, while it can do him no of trade, travel and civilization. COMMON SENSE. Our Aiken Correspondent. AIKEN, July 11th, 1873.

> who enter into the traffic of that muchabused commodity, ardent spirits. It is wise and safe in man to study the will of God, and endeavor to walk be fore him to all well pleasing. To be infrom the family recipe book—perhaps a different to his honor, must be offensive to his majesty and provoking to his word or two from the City of Health, (so-called by sangaine property holders) wrath. We are commanded whether we will help to "fill space" in the columns The time has passed, Mr. Editor, when regulate the affairs of life and the pleasthe average Edgefieldian could sing that ures of taste. We may offend in eating and drinking. This, however depends upon our motive, and the extent of our indulgence, So, I believe, with the traffic above that of its neighbor—though the latter is surrounded by the best of cetter lands, and, like a self-made man, is not leadth, and has graciously given us appetites and cravings for it. The gratifications. The biggest chance of the season petites and cravings for it. The gratifications are larger than the latter is surrounded by the best of cetters and latter is surrounded by the best of cetters and latter is surrounded by the best of cetters are larger to the latter is surrounded by the la each. The population of the county is averse in prosperity, to listen to a recital cation of these natural desires, so far as of the tale, "How from poverty I came." consists with the ends . be secured, must be in accordance with his pleasure, who gives us richly all things to enjoy. The good fortune of Aikeh lies in the Beyond this must be injurious and offenvirtue of its climate, which has made it sive intemperance. It has been asked "cannot liquor be lawfully used by a seen the following answer by an eminent divine: "In just so far as they can be proven to be needful, either for the good

> injurious, and by the dictates of common sense ought to be declined." But says one, "does not the Bible allow their use?" Just so far and no further than they, are beneficial. The same author says, "The Bible does not permit their use for food; for there is no susper day, some even three dollars). Some Aiken during the hot months. It is a tenauce in them. It can't allow their women are getting two dollars per day pleasure to hope the day not far distant use for the fulfillment of any but the inwhen the ante-bellum summer visitors, necer an natural desires, but there are those who built the many neat houses no suc. lesires for them to satisfy. There engage now to deliver from the pen in ered their fortunes as again to make this is nothing in them that can gratify any is nothing in them that can gratify any natural propensity. I think the Bible allows their use, then, only so far as MEDICINE. relieve. Stiff and lame joints No town in the State is so admirably they are medical. That is, in cases of dissituated for both winter and summer re-

of the town has been organized in its any other, to fill the world with corrup-stead. Its members are composed of tion. And if God is at variance with the In closing, let me say, that the continenergetic men, and there is no doubt but causes of sin, and strikes at the root of God's blessing in our new field.

The Edgefield and Edisto Baptist Associations, meeting both in our old neighbornood next autumn, do, by this resolutions, as is also our success under object is to forward and institute any enterprise which will build up and people and ungodliness on earth. It must, the town,—making it still more attractive and the veritive "Saratoga of the bornood next autumn, do, by this resolutions."
