To go into a detailed statement of the as may be proper. orning the bonded indebtedness \$38.41. Of this amount there has been ed), \$2,363,926; bad or trandulent, \$4,054.- | call 937, or half, 82,027,463,50. When the outsolidated, taking it for granted that they | 354 passed the third reading. This pr are all good, they will amount to \$1,318,- vides for 15 Trial Justices in Edgelie 629.70. This, added to that which is set | County, as is now the case. down as good, will make the total bondfrands,) \$3,726,955.70. But of the amount put down as good, the commission says mile for all necessary travel one way, in some of the bonds, amounting in some perhaps to not more than 5 per cent. his fraud crept in by the consolidation of fraudulent bonds with good or valid bonds, and if the per cont. of fraud is eliminated from these bonds the amount

We are also informed that the Comder the joint resolution, to investigate any but consolidated bonds, have discovered that there is at least one hundred usand dollars of the outstanding bonds fraudulent, which will still decrease the public dabt to that smount. Of course these calculations are made upon the preto exclude all the fraudulent debt from the settlement, which we earnestly hope will be done, though there will evidently be a long and hot contest ever the mat ter. The bondholderr have their representatives on the floor, and they will no by made. As to the Advertiser, were it in the Legislature it would fight and vote u to the end, be that end bright or bitter a rainst every boul that has the most shadextreme and -- remembering always the prongs, the poverty, and, more than all, the RIGHTS, of the people of South Curo-line! This is our-platform, and we intend to fight it out on this line. And we all the Representatives of Edgefield in the Legislature are thoroughly en rapporf with us in this great matter.

The War in the East .-- England's Blood Getting Hot .-- Her Fleet Within the Dardanelles. The news from Europe is certainly se-

rious. England is preparing for the worst, and has sent her fleet to Constanthople. Russia has given notice that she will croupy Constantinople, and orders to that effect have been sent to the

England's blood is getting hot. She ast aroused to the fighting point, and the Bear may look out if it does not want to get its paw into the Lion's mouth. When the news was heard that the Brit-Ish fleet had been ordered to Constantinople, deafening cheers went up in the House of Commons. If war with the people of England is really popular, Russia may yet have a lively time around

P. S. Since writing the above, later telegrams bring news of more pacific import. There is to be a conference of all the leading powers; and in the mean ne the Russian army and the English et are to remain stationary. The latest

angland and Russia wir information turing the session of the congress. No other power will enter the Dardanelles, est it should cause complications. A Daily News Constantinople dispatch, dated Sunday, says the Russian advance guard have not transgressed the lines settled by the armistice. In consequence of the withdrawal of the British deet to Mudania, the Russians will not occupy the suburbs of Constantinople.

The New Judges-Good, Pure and Able Been.

A caucus of the Democratic member of the Legislature was held on the night of the 12th instant, and after a careful canvass of the candidates for the several fregits the following gentlemen, all welltitted for the position, were unanimously mominated: B. C. Pressley, First Circuit; A. P. Aldrich, Second Circuit; A. J. Shaw, Third Circuit; J. H. Hudson, Fourth Circuit; T. J. Mackey, Sixth Circuit; T. Thompson, Eighth Circuit, The above gentlemen , were duly elected judges of their several Circuits on

Thursday last. Judge Pressley is of Charleston; Judge Aldrich, of Barnwell; Judge Shaw, of Marion : Judge Hudson, of Bennettsville, Marlboro County; Judge Mackey, of Chester; and Judge Thompson, of Abbe-

We need not look for a new national party for some years to come, but if the silver question is not settled at this session of Congress, there will be a temporary dislocation of the present arrangement which will present a curious spectacle. Neither party will become distinctively the inflation or the hard money party, but it is likely that the bulk of the lemocratic party will be on the inflation side of the line and the dominant element of the republican party on the resumption and hard money side.-New Orleans Times, Dem.

Gen. Gary's speech on the University bill has evoked a great deal of favorable comment. It was characterized by force and much wisdom, and although we differ from him in toto in his accredited special South Carolina corresconclusions, we concur strongly in his opposition to including the South Carolina College and the Classin University under one head, and the granting of an equal endowment at present to each. at the head of every Democrat who came The Rev Mr. Loomis, of Chester, who is a missionary sent from the North for piratical crew. The public will now unthe purpose of educating the colored people, in a letter to the Reporter concurs fully with General Gary on this point, and shows that by endowing a college for the colored man above his reach, the establishment of a good normal school which he does need is provented. The wisest plan is to give the colored people just such schools as they need, and not to waste money when it

will do them no good .- Winnsboro News. TAXING THE DRUMMERS.—The bill now efore the legislature requiring drummers doing business in this State to pay a license tax is meeting with very considera-ble opposition from those to be most immediately affected by it. It makes a distinction in favor of those living in the nouses and is claimed by the drummers to opponents of the measure are "organizing etitions," which are going down to the egislature by every train. We favor the passage of such a bill, but with various mendments. It would increase the pubble people. We would amend by requiring every drummer to pay a license taxevery county paper, published in counties

The Legend of Ninety-Six. Travelling lately across the broad domain of old Edgefield, I came at last to versary address before a knoll commanding a prospect so vast ties of Erskine College and so picturesque as to suggest an idea of the Elysian Fields. I called a halt, as was extended to the dis asual, to enjoy the scenery. It was quite by the Emphemian Sc enchanting and altogether lovely! -I stood near one of the head springs of Ninety-Six Creek, which waters a valley that his manly bearing McEvoy, convicted of the murder of as exuberant in its crops as it is famous many lasting friends at As I gazed upon field and forest, upon have changed for the the soft skies and the sailing shadows, I Gen. Butler was then seemed to hear a whispering melody not ged edge between victors born of Earth or earthly things. For a moment the Past seemed to consort and commune with the Present, as friend talks to friend.

But why is this streamlet called "96?"

one Mile, Six Mile, Twelve Mile, Eigh teen, Three and Twenty and Six and Twenty? It is the old. old story of romantic love. While the American Colonies were yet under the fostering care of the Mother Country, a garrison of British Soldiers was established on the Keowee River not far from the Blue Ridge Mountains, and about 96 miles from Cambridge. As the neighboring Indians appeared to be very quiet and quite friendly, the bold Britons became entirely too careless and confiding to comport with the character of soldiers. The wily sava-"The prisoner herein having been convicted of murder at the May term of the Court of General Sessions for Aiken affairs, formed a plot to murder the garhad received the name of Fort George. remember very grain But the "Chieftain's Daughter," having and hospitality of year kiusmen. The danger was imminent, tence of the prisoner, Robert McEvoy, and no time was to be lost. Between forwarded in time to frustrate the plans | made some sharge ders. What finally became of the pale In the House a bill to provide for the appointment of a Commissioner of Im the place of public execution in this county, and there be hanged by his neck until his body be dead, and may God wild wood, I have never been able to assign the place of public execution in this foculty, and there be hanged by his neck until his body be dead, and may God wild wood, I have never been able to assign the place of public execution in this foculty. certain. But I have visited the site of The Court room was literally packed, Fort Geor e, and a mile below that point, I crossed One Mile Creek, six miles below, I forded Six Mile Creek, and so on, till I came to Ninety-Six Creek nearold Cambridge. And hence the numerical names given to those little streams.

EGS to inform his friends that he has begun business on his own account

in the Store lately occupied by A. C. Force, No. 258 Broad St., Augusta, Ga., where he will always keep on hand a First-Class Stock of DOMESTIC

BOOTS and SHOES, for Plantation use, and a superior Stock of Ladies' Gentlemen's and Misses SHOES, BOOTS, SLIPPERS, etc., which he will sell at the lowest living prices, for cash. Positively, NO SHODDY WORK dealt in.

It gives me pleasure to be able to refer to the following named gentlemen: Gen. M. C. BUTLER. " Mr. Joe. MERIWETHER, Col. A. P. BUTLER, Mr. JAS. FRASER, Mr. B. R. TILLMAN, Mr. SAM'L. HUGHES, Dr. HUGH SHAW, Col. ROB'T. HUGHES,

Drs. McKIE. Augusta, Ga., Nov. 7, 1877.

C B BEED DAS just fitted up and opened a new Shop at Cheatham's Corner, where he is prepared to do all kinds of CLOCK, WATCH and JEWELRY work at low prices—and guarantees the best of work.

Refers, by permission, to Capt. Clint. Ward. 52 Feb. 12, 1878. 199
