Death of Mr. Wm. N. Stone. Mr. Wm. N. Stone, a prominent citizen of Edgefield Township, died last Wednesday night at his home.

November Court.

The last legislature changed the time of our fall term from October to November, and our first November term will convene on the 2nd Monday (9th day) of the month.

- 1. Edward Blair and others - Larceny of live stock. 2. Joe Moore arson. This man was indicted for the first term of burning the Guard House at Johnston, and was granted a new trial.

- 3. William Mobley - Murder. 4. John Briggs, John Yeldell and others - Three parties are charged with the killing of James Blackwell last fall. Most of them are at large, but two or three have been arrested and will probably be tried.

- 5. Boston Frazier and Josh Jabbers - Murder. 6. Martha Isaacs and Wash Brunson - Murder.

- 7. William Hopkins - Rape. There are quite a number of cases of misdemeanor - such as assault and battery, carrying concealed deadly weapons, &c., for trial.

Of course, the interest in the Court centres around the Culbreath lynching case. There is nothing to indicate, at present, that this case will not be disposed of at this term.

From Ridge Springs. Ridge Springs, S. C., October 16. - Rev. H. A. Williams, known hereabouts as "Uncle Henry," preached in the Baptist Church here to-night. A good congregation turned out. Mr. Williams is now 78 years old, but from the healthfulness with which he preached to-night, one would judge he is good for 25 years service more. He was sometime ago pastor of Dry Creek Church, near here, for seven years, and pastor of others in this vicinity for years. He was also at one time pastor of the Kolkoff Street Baptist Church in Augusta, Ga. He is preaching a tour through this Ridge country, preaching morning and night every day. - Union in Augusta Chronicle.

Cottons. From the Augusta Chronicle of Tuesday, 19th, we quote the price of Cotton as follows: Good Ordinary, 8 1/2; Low Middling, 8 1/2; Middling, 9 1/2; Good Middling, 9 1/2.

Return of Elam and Burnett. Messrs. W. F. Elam and Oscar Burnett, who escaped last week, have returned and are now in jail. W. L. McDaniel and Erwin Holmes have also given themselves up to the authorities.

Valuable Lands in Spartanburg. Valuable Spartanburg lands are advertised this week. These lands are on the line of the new Greenwood, Laurens and Spartanburg Road, and are to be sold at Spartanburg on Saturday in December next.

Earthquake Shock. A suspicious rumbling noise was heard in our village about half past five o'clock on Saturday evening last, but we would not have dreamed it was an earthquake, except for the short dispatch in the Augusta Chronicle, to be found in another column.

In Abbeville. Mrs. Goode, who has been with friends and relatives in our town and vicinity for three or four months past, is at present visiting in Abbeville. Mrs. Goode was the recipient of much kindness and attention while in Edgefield, and we hope she will return to our town for good with her husband, S. P. Goode, Esq.

Lecture in Court House. Lecture by Rev. A. Coke Smith on "What to do, and how to do it," next Friday night, the 23rd inst. Admission 50 cents; children 25 cents. The proceeds for the benefit of the Rev. Mr. Smith's parsonage. The public may expect a rare treat, and we urge everybody to attend. The lecture will be delivered in the Court House.

The Agricultural Society. At the next regular meeting of the Edgefield Agricultural Society, J. B. Tompkins and A. A. Glover, Esq., will each read essays on "The Economics of the Farm." All the questions and reports at the last meeting, not disposed of, were continued to next meeting. Our account of the October meeting is very meagre, but we were not present and have received no report.

The R. R. Election in Aiken. As to whether the town shall subscribe to the C., C. & G. Railroad, comes off next Thursday, the 23d. The town is all ablaze with excitement, a barbecue is to be given and speeches made. Edgefield has been called upon to aid in the oratorical line. Hon. Jas. Callison, Capt. M. A. Market, Capt. Lewis Jones, Gen. Butler, Col. W. H. Folk and others have been invited. We will not be able to announce the result until next week.

Warrants for the Sheriff and Jailor. Warrants have been issued for the Sheriff, W. H. Ouzts, and his Jailor, Lewis Wages, charging them with the escape of W. F. Elam and Oscar Burnett. These warrants will be executed by the Coroner of the County, J. W. Johnson, Esq. Warrants have also been issued by Trial Justice Glover, upon the affidavit of Dr. W. A. Culbreath, for the arrest of Morgan Dorn, Elbert Dorn, Arthur McDaniel, Richard Hammond, W. H. Thurmond and Wyatt H. Seigler, as accessories in the Culbreath lynching.

Removal of G. L. Penn and Son. The event of this week, in our village, is the removal of Mr. W. B. Penn to his new, commodious and beautiful store on Main street, nearly opposite Mr. Hart's. With his usual good taste, Mr. Penn has made his new home "a thing of beauty," while not in the smallest degree detracting from its usefulness and commodiousness. It is a perfectly arranged establishment in its every detail, and might well serve as a model for others of like character. And now, Mr. Penn earnestly invites all his friends and patrons to come and see him and share his happiness at being in such stylish quarters, surrounded by a vastly increased stock of goods with which to please old and new customers.

Plum Branch Centennial. Plum Branch Baptist Church met last Tuesday, the 13th inst., and celebrated its one hundredth anniversary. The History of the Church from its foundation to the present day, was read by J. L. Carter. The Rev. J. P. McMillan read a paper on "The Distinctive Principles of the Baptist Denomination," and the Rev. J. S. Jordan read a very interesting paper on "The Struggles and Trials of the Baptists in America." How many more churches are there in Edgefield County a hundred years old? Horn's Creek and Steven's Creek, (Baptist), we know are over a century old. Are there any more?

Barbecue Dinner. I will have a first-class barbecue dinner on Monday of the first week of Court. Don't forget me. MAYBIN GRIFFIN, (col.)

A nice present for husband or wife, son or daughter, friend or sweetheart, can be selected from the beautiful assortment of Jewelry just opened at the Drug Store of G. L. PENN & SON.

For the Advertiser.

First Class School Privileges at the Lowest Possible Figure.

Mr. Editor: We know the interest you take in the progress of the country, and especially of those to whom your excellent paper makes its weekly visit; and I would therefore call your attention to the cheering prospect for a High School of the best order to be opened in our town January 8th, 1886. Mr. Messrs. Gunter has charge of the building of the house, which he is rapidly pushing towards completion. The building will be large enough to accommodate more than 100 pupils and will, we hope, be furnished with the best modern furniture.

Mr. T. Marion Anderson has been employed to take charge of the school as Principal. He was educated at the Richmond College and University, of Virginia, and is recommended by some of the best men of Virginia. Competent assistants will be employed as they are needed.

Dr. Ridgel, our enterprising dentist, has offered lots at lower prices than ever offered here before, to those who desire to build here with a view to educating their children. The offer will hold good, at least, till Jan. 1st. All we ask is that friends of schools in families will be put down to as low a figure as possible.

An application has been made to the President of the C. C. & A. R. R. to add a waiting room to our depot, and he has been kind enough to answer favorably.

In a word, Mr. Editor, you will rejoice with us that more public spirit is now shown in the town and there is a better prospect for building up than for years.

Batesburg, S. C., Oct. 19, '85.

For the Advertiser. An Indignation Meeting at Denny's X Roads, Hulet Township.

A mass meeting was held at Denny's X Roads, October 10th. M. B. Davenport was called to the Chair, and W. S. Crouch acted as Secretary. The following was adopted:

Resolved, That we, citizens of Hulet Township, have heard with alarm and horror of the perpetration of two most foul and brutal murders in our County in the last few days, one by the hand of the secret midnight assassin, the other under the guise of lynch law. As both these outrages were the most flagrant violations of law, and as it is notorious that many homicides and murders have been committed in the last few years in our County and State, and but few persons have been punished, now, we have met for the purpose of expressing our unqualified disapproval of such lawlessness, and of the leniency often shown by jurors, where proof seemed conclusive; and we hope that officers and jurors, sustained by sound public sentiment, will honestly and fearlessly execute the laws, and if possible prevent the recurrence of such horrible crimes.

Resolved, That we heartily disapprove of our officials and legislative men taking any part in protecting or defending persons engaged in said crimes.

W. S. CROUCH, Sec'y.

To Our Friends and Patrons.

Having just moved into our new store we would extend a cordial invitation to all of our old friends and patrons to come and see us, and examine our new quarters and our largely increased variety of both useful and ornamental goods. No pains have been, or will be, spared to make this the model establishment of Edgefield, and headquarters for the village and surrounding country for pure drugs and chemicals, fine family groceries, colts and fancy articles, school books and stationery, etc., etc. Come! We will be glad to welcome you, whether you wish to buy or not, and guarantee polite attention to every one.

Very Respectfully, Oct. 21, 1885 G. L. PENN & SON.

The "Biggest House in America" must stand under when "WHITE'S" places before "to top this thing - now open your eyes, BARGAIN HUNTERS, and if you are not satisfied, and know a good thing when you see it, come to the front.

FIVE THOUSAND (5,000) Pairs in this ONE LOT of Gents' Calf hand-sewed Shoes, each well built for \$3.25, worth \$7.00. Every pair of them warranted. This investment beats holding Wheat for a rise on chances of a war between Germany and Spain.

TO ILLUSTRATE: Our elegant assortment of Ladies', Gents', Misses' and Children's FINE SHOES are selected from hundreds of Manufacturers who are special makers of Fine Goods. We have the nobbiest styles of the season in Ladies' KID BUTTON BOOTS.

Our competitors will ask you \$6.00 for a French Kid Button Boot, hand-sewed, that we can sell at a fair profit for \$4.50. ONE DOLLAR AND FIFTY CENTS is just the amount you save in buying our Kid Button Boot (Crump Top), when we retail for \$2.50. It is a perfect Kid Button Boot, hand-sewed, paying from \$1.50 to \$1.00 for a Curious Kid Button Boot. SAME GOOD SOLD BY THE FAMOUS WHITE for \$2.40 per pair.

THE FAMOUS BEAR downs the high priced Bulls this time with a fine Kid Button Boot, hand-sewed, button holes, box toe, for \$1.50, generally sold for \$2.50. Listen to the Price - \$1.25 for a Kid Button Boot - good value for \$2.00. Examine this shoe and be convinced. Another Big Bargain for our \$1.00 Kid Button Boot, hand-sewed button holes - every pair warranted - well worth \$2.00.

LADIES' and GENTLEMEN of moderate means, who are in the habit of paying double prices for poor articles of Shoes, will do well to examine our Full Lines of Misses' and Children's Shoes, as our competitors have dropped out of the market. BIG FISH! - We caught several of the big fish this week in selecting our \$4.50 hand-sewed Shoes, with "WHITE'S" famous Bear Brand, and we will give you one of each pair. In a substantial and neat fitting - you will find these two qualities combined in our \$3.00 Gents' Calf Button Boot, call and examine our \$2.00 Common-Sense English Balmoral.

22 DIFFERENT MANUFACTURERS assert that WHITE'S famous Bear Brand, sells the Best \$5.00 Calf Lined, hand-sewed Shoe in the market. This Shoe you can buy in Baltimore, Button, or Congress, with Cap or Plain Box, sold by other houses for \$8.00.

White, the Famous Bear, Has Many Imitators, But No Competitors. We have added this season to our already enormous stock of Gents' and Young Men's Departments the largest line of hand and machine sewed shoes that has ever been shown in Georgia or South Carolina.
