THURSDAY, AUG. 10, 1893.

THE AUGUST TERM.

Court is in session, Judge Gary netting and is for the purpose of presiding. 'The Judge is wearing keeping out rabbits. his blushing honors with a becoming dignity and an unfailing his old friends and neighbors.

Up to this writing, Tuesday A M., not much business has been transacted. Only one murder case has been tried, that of the State against Will Glanton, colored, charged with killing a negro wo man with a hoe. In this case Joseph Cantelou, Esq., made his maiden speech, and we hear it commended on all sides. The sessions court will probably adjourn this week, and possibly the during the voyage. common pleas also.

The Columbia State makes the following editorial announcement "There will be no Conservative or anti-Tillman nomination for Governor or State officers in 1894, even if Governor Tillman shall

offer himself for a third term,

State and the Federation." The State speaks as if it spoke from the book," and it is easy to discern the fine Italian head that did this work, if the work has been done. This is the first trump card Maharajah of Khapthuria, is now that the antis have played in four a visitor at the World's fair. In years. It is an effort to banish respect to the customs of our Tillman to a sort of political St. country he brought over only one Helena where he will have to do of his wives, leaving a few hundred all his own humping. Or as one at home. anti expresses it: "We are going to put Ben Tillman in a little hole away off by himself, and if he wants to start a little hell of his preparing for a vigorous camown he can do it.'

ABNER PERRIN CAMP.

Quite a goodly number of Confederate veterans assembled in our court-house on Monday and organized a camp with the above name in honor of Gen. Abner Perrin, one of the most gallant soldiers and officers that South lowing officers were elected:

- J. H. Brooks, Commander. L. P. Harling, ist Lt. " S. L. Ready, 2nd " " S. E. Freeland, 3rd " "
- . S. Allen, Quartermaster J. H. Jennings, Surgeon.

Thos. W. Carwile, Adjutant.

W. L. Stevens, Officer of the Day Geo. B. Lake, Treasurer. J. E. Dobey, Sergeant Major.

W. D. Allen, Vidette. J. C. Swearengin, Color Sergeant

Thos. Whittle and R. B. Hughes.

Would-Be Lynchers Killed.

INDIANAPOLIS, Ind., August 6 .on. Next month the centennial of A special to the Sentinel from the event will be celebrated in that Corydon Ink., says: Last night, city. The total cost of the building Boone township this county, was has been \$14,500,000. Additional made the scene of the most terrible two years. works of art make the total about shooting affray that ever occurred in this part of the State. A large

crowd of men went to the home of Wiliam and Edward Conrad for the purpose of lyching the two boys who were suspected of killing their father last winter. The young Conrads had received notice some time ago if they did not leave the the neighborhood they would be lynched. Upon this notice, the boys armed themselves with shotguns aud revolvere, and awaited their

The boys secreted themselves, and when the crowd appeared on under the uniform name of "The the porch they fired Into them, killing 'John Timperlake and which the crowd dispersed; but possesssion, they were again fired into, and Ed Houston and Isiah How were inseantly killed and

William May was fatally shot. The mob numbered about one hundred, and those killed and wounded are the best citizens in the township. The two Conrads escaped. Intenses excitement prevails throughout the southern part of the county. The Conrad boys vicious and worthless.

Valuable To Farmers.

Impton Guardian: Sulphur is the best known in secticide in the world. It enters largely in all medicines which propose to kill germs. Open a bottle of "King's Royal Germaceur" and the olfacfories at once tell us that sulphur is the predominant element. Our mother used to sulphur us whon we were young, and Squires, of that school made famous by Dickens' humor, was not far wrong when he had his boys take sulphur and treacle.

My pear trees had commenced to blight. I took one peck of lime and six pounds of sulphur, mixed them well, and then put the water on it. After slacking them I added covered with the lime and sulphur. Every time; it rained I P. G. Berckmans, of Augusta, could smell the sulphur: every the well known horticulturist, has close, cloudy day I could perceive it. Two applications in May, which consumed half a bushel of lime and twelve pounds of sul-Carolina ever produced. The fol- Our Southern men and women of phur, stopped the ravages on twenty trees, and to-day I am shipping fruit of the best quality, which although unripe as yet (for I am only picking to lighten up the limbs) 'net me one dollar per bushel.

I never saw trees do better, and though the blight looked at first as Treatments for liquor, Opium if ready to destroy fruit and trees, Morpnine, and Tobacco I have it in check. I think I have the plan. Less of the mixture would do. The lime may not be of service, and cheap flour might do, as I attribute the virtue of the preparation to the sulphur, although as I gather the fruit to-day (the 17th of July), the leaves and fruit are still spotted with the lime. It is a close day, and the sulphur in higher classes. New Gymnasium. is plainly detected. It is the thing for all fruit and vegetables Physical, Biological, etc. Necessary It is a close day, and the sulphur thing for all fruit and vegetables that are hurt by insects.

J. T. M. Peeples, July 17.
