Obtain them. It is not necessary to use space in telling our readers what the Elgin and Waltham Watches are. The great American Elgin and Waltham Watch Cos. are known the world over, and their name on a watch stamps it as first-class and reliable in every particular. These are the watches we offer below, and we trust such of our readers who need a watch These are the watches we offer below, and we trust such of our readers who need a watch will read our various offers carefully. We haven't space to show the different patterns of cases made (some 125), but we guarantee that any watch purchased or obtained as a premium form us will be of exactly the same value and description as the sample shown, both as to case and movement, although the patterns of the case may vary; but all the designs of Elgin and Waltham watches are beautifully and artistically wrought, as becomes the reputation of these great companies. The regular retail price of the watches offered below is nearly 30 per cent more than ours, as we purchase directly from the selling agents of the manufacturers. Our Finest Premium is without doubt the Fashion High Arm Singer Sewing Machine. The "Singer" has stood the test of 40 years and made a princely fortune for its inventor, The "Fashion" Singer, however, is an improvement on the original machine, as it has all modern improvements up to date which are known or found in a first-class family sewing machine.

The automatic bobbin winder winds all sizes of thread on the bobbin as easily as a spool of differs most from the old style of re- thread is wound, without care or attention on the part of the operator, except to keep the treadle moving. Owing to the machine having what is termed a tight and loose wheel, the bobbin can be wound without running the shells being ejected working parts of the machine. This is quite an advantage, as it does not necessitate the removing of the goods from underneath the presser foot, nor even unthreading the ma-

The needle is short and straight, thus insuring great strength; it is also self-setting, requiring no care on the part of the operator. The pressure on the sewing foot is adjustable, and when the foot is raised to remove the work the line of sight or in from the machine, it brings into play the auany other way interfere | tomatic tension release. This takes the tension from the thread, and the goods can be removed from the machine without bending the needle or breaking the thread. Every operator

Miss Sallie McClellan, Vanceburg, Ky., under date of June 22, 1892, writes: "I received the machine and am delighted with it. It does lovely work. There is not another machine in our town for which I would willingly exchange mine. It is a perfect gem in itself. I think I will be able to send you some orders by fall. Everyone likes this one so much."

Henry Jordan, Millersburg, Ky., under date of June 26, 1892, writes: "Your Premium Machine is the best one I ever saw. I would not give it for any of my neighbors, some of whom have paid \$60 for their sewing machine. I will tell all of my neighbors about your machines."

TESTIMONIALS.

Abilene, Texas.

Gentlemen—My Camera continues to give entire satisfaction. I am obtaining excellent results.

Very truly yours,

(Signed) W. F. BATZER. Austin, Texas.

Sirs—Have made several fine negatives with your Camera and think it about as good as any instantaneous instrument I have ever used.

Truly yours,

(Signed) C. W. BARTHOLAMEW.

Gentlemen—Too much cannot be said of the little Camera. I have more than 14 dozen pictures and have had but one bad one and that was my own fault. Since I have had your Camera I have had it with me on my wheel wherever I go, and it is alltile gem. If I could not get another I would not take \$50.00 for it.

Very truly yours,

(Signed)

M. S. KALURT.

Coleman's Cross Roads, A. P. Colemrn's, Owdons. Brooklyn, N. Y. Gentlemen—I think the Camera is great. I can turn out just as good work with it as I can with Eastman's Kodak of same size, which sells for \$20.60 in some places. I am a professional photographer and know a little about it. Yours truly, FRANK G. SQUIER.

VALUABLE

SILVERWARE OFFERS TO SUBSCRIBERS.

We have arranged with the selling agents of the justly celebrated firm of Rogers & Hamilton, whose goods have a world-wide reputation, and were purchased exclusively by the World's Fair Commissioners for use in the Administration Building of the World's Fair at Chicago, to offer to our subscribers the production of this concern at wholesale prices. A glance at the terms we offer these magnificent wares at will no doubt create astonishment and cause an enormous demand for them. These are not Cheap John goods, poorly plated, but are all heavy triple silver plate on steel or white metal and will last a lifetime, as there is an extra thickness of silver where the most wear comes on a spoon or fork. This is not done by any other manufacturer.
