Bailey-Tillman.

There was a simple and beautiful marriage ceremony at Clark's Hill on Tuesday of last week. Miss Sallie Tillman, the youngest daughter of "Uncle" George, was wedded to Mr. Thomas B. Bailey. "Uncle" George has been blessed as only few men have been, with a bright and happy family. He has cause to be proud of any one of his children. Several years ago Lona, his eldest child and daughter, was married to Dr. George A. Bunch, one of the leading physicians of the county as well as one of her most prosperous business men. Then followed Sophia, who married Osmond W. Buchanan, of Winnsboro, one of the brightest young lawyers of the State. Everybody is familiar with his brilliant record as Attorney General, recently elected Judge to succeed Judge Fraser. He still has four children unmarried, three sons and one daughter, Miss Fannie, a very sweet and lovable woman. Captain James H. Tillman, the eldest son, we are inclined to believe is paying more attention to his profession than he is to women, and we are sorry to say we cannot hope to chronicle his marriage for some time to come. The second son, Ben Tillman, Jr., is now attending school at the Citadel in Charleston where he is taking a most creditable stand and holds the highest office in his class. The youngest son, George D. Jr., is at the Williston High School, where he took first honor in his class last year and won the De-morest gold medal for declamation, though he was the youngest of the competitors. It is evident that all of "Uncle" George's children have inherited his intellect, for all of them wear first honor medals won at different schools, colleges, and universities. Because of the new home not being completed, the marriage last week took place in the library, where the family have lived since the old home was destroyed by fire. Only very near relatives were present. The ceremony was performed by Rev. J. P. Mealing. On Tuesday evening a large reception was tendered the bride and groom by Dr. and Mrs. Bunch. Mr. Bailey, the groom, is a Georgian by birth and belongs to some of the oldest and most distinguished families of that State. May God bless the union and make it a happy one.

IN MEMORIAM.

Died Dec. 6th, 1894, Mrs. Mary A. Webb in her 80th year.

She has gone to be with Jesus. And with angels pure and bright, She is singing songs of praise In that land of heavenly height; But we loved her, Oh so dearly, And our hearts will never fail us As we drain the bitter cup.

She had such a loving nature, So unselfish, kind, and true, Every one who knew her loved her. She was so kind hearted, With a look so pure and noble, And a voice so soft and mild, But we have not lost her, She has only gone before.

Sweetly sleep, our dear mother, In thy lonely couch of rest, While I kneel I try to murmur, "God does all things for the best;" Though thy spirit is in heaven, Earth thy lonely casket keeps, And the sunbeams love to linger Where our dear mother sleeps.

H. J. W.

There are quite a good many things to do to prepare for a cozy home. That suit of parlor furniture you promised daughter, and those window shades and chairs for the dining-room. It doesn't cost much to get them now. Then, the bed-room needs a little fixing up, because things will wear out, no matter how careful mother is. To make home attractive is a duty we all owe one another. Trifles in the house add to the comfort of life. By purchasing necessities now you can save money and secure your choice of furnishings at Ramsey & Bland's.

HARPER'S WEEKLY is a pictorial history of the times. It presents every important event promptly, accurately, and exhaustively in illustration and descriptive text of the highest order.

The matter in which, during 1891, it has treated the Chicago Railway Strikes and the China-Japanese War, and the amount of light it was able to throw on Korea the instant attention was directed to that little-known country, are examples of its almost boundless resources.
