Monday, the first day of court, the Dispensary dispensed the "chemically pure" to the amount of \$204.15. That's pretty steep, considering that the Grand Jurors, and the Petit Jurors, and the witnesses generally never "injure" much on the first day of court.

One of Josh Billings' maxims: "Rise early, work hard and late; live on what you can't sell; give nothing away; and if you don't die rich and go to the devil, you may sue me for damages."

Mr. Perrin, the gentleman living near the Edgfield line who was robbed and severely wounded a short time ago, is rapidly recovering, we are glad to state. Mr. Perrin is the son of the late Samuel C. Perrin, well known in Edgfield.

Bedbugs with wings are the latest entomological curiosities. Look out for them; they are making their way northward from the Gulf of Mexico. Ben Tillman made his start in public life on a stanza which recited that the "bedbug had no wings at all but got there all the same." Ben will have to try another bug.

Edgfield Advertiser. Mr. C. J. Holmes, living near Modoc county, made this year from about one-eighth of an acre eighty gallons of beautiful syrup and has saved 700 stalks of this cane for planting next season. This is so remarkable a yield for this latitude that it should be generally known. Remember this variety of cane does not mature seed in this climate and must be propagated by planting the stalks.
