Remarkable Tenacity.

The remarkable tenacity of life exhibited by Tom Ferguson, the Negro who carried a 32-calibre bullet in his heart thirty-nine days and by the boy shot in the brain is attracting attention throughout the country.

Both of these events were detailed in The News and the articles are going the rounds of the press attracting attention everywhere, especially from the physicians.

Dr. J. B. Earle who attended Tom Ferguson, recently received a letter from Dr. G. W. McEachin, dated our State legislature adds county Haxelhurst, Ga., enquiring about despair or be discouraged .- Barn-"Can a man run or even walk, and live thirty-nine days, after being shot in the heart?"

Dr. Earle replied: "You were Carolina. How do you do in Georgia? Only way to kill a man here,
