

MARY CANTELOU BRUNSON

On last Saturday afternoon at 5 o'clock the sad and grief-stricken friends of Mrs. Arthur Brunson gathered in the Baptist Church to pay their loving tribute to her memory.

LOCAL BREVITIES.

Mr. Elbert Adams was in town this week. No appointment as yet of Postmaster at this place.

Gov. Sheppard is at Glenn Springs for a few weeks. Mrs. Ben Jones has been quite sick for several days.

"Vigorone" at the "Luray," as its name indicates, invigorates as well as delights the palate. Mrs. Anderson, of Spartanburg, is spending some time with her daughter Mrs. W. L. Dunovant.

Rev. Davis Timmons will preach in our village Baptist church on the first Sunday in August proximo. Miss Genie Brunson who has been suffering with malarial fever for a week or more, is convalescing.

The Edgefield Baptist Association meets at Gilgal on Sept. 8. The Ridge Association will meet at Red Bank on Sept. 14. The picnic of the Edgefield Hussars will be on Thursday the 29th of July instead of August 5th as heretofore announced.

Peach growers around Ridge Spring are receiving good returns from their shipments. Watermelons are not in it this season. A cool week in August is usually looked for, but the cool week in July to which we have been treated was a pleasant surprise.

Cotton sold for eight cents in Augusta a few days ago. We trust the price will not fall before the general harvesting of the crop. Mr. J. A. Roper, of Augusta, a native of Edgefield county, has disappeared from his home, and up to date there is no clue to his whereabouts.

The Rev. W. T. Mathews is conducting a series of meetings in our village Presbyterian church such to the spiritual edification of our people. Our young and talented friend, John H. Peurifoy, wrote up the Saluda campaign meeting for the Saluda county papers in excellent style and with graceful and easy pen.

Mr. John Kennerly has been appointed United States Commissioner vice W. D. Ramey, resigned. No better appointment could be made to this office than that of John Kennerly. County Supervisor Taibert has ordered the public roads of the county to be worked and put in good order by August 15th prox. Six days work are required of each and every person liable to road duty.

Prof. D. S. L. Johnson will deliver a lecture to men only at an early date in the Y. M. C. A. hall, the lecture to be given under the auspices of the Y. M. C. A. Further particulars will be announced next week. Mr. and Mrs. A. A. Glover of Augusta came to Edgefield on a sad mission on last Thursday. It was for the purpose of interring the remains of their sweet little daughter Mamic, only eighteen months old. Many friends deeply sympathize with the bereaved ones.

Married, on the 14th inst., by Rev. W. A. McCrackan at No. 27 Main street in Langley, Mr. James M. Boykin to Miss Mollie Lambert.

Newberry is to have within the next few days two or three "original package" stores. They will have to conform to dispensary hours and rules.

Dr. B. H. Teague, Aiken, S. C., has on exhibition at his office the original hatchet with which George W. cut down the cherry tree. It was given him by Mrs. I. W. Fowler.

Chocolate Cream is a specialty at the "Luray," refreshing, healthy, pleasant and the most delightful of all to most tastes.

Steal a dishrag and rub thoroughly with it every morning is said to be an infallible cure for rheumatism. Remember the dishrag to be efficacious, must be stolen.

The many friends of Mrs. Colonel Jas. H. Tillman, who were seriously alarmed at her recent critical illness, will be delighted to know that she is out of danger and rapidly convalescing.

On political matters the Advertiser columns are open to all comers. Whether we agree with the views of our correspondents or not makes no difference. The people wish to hear both sides on every question.

A few copies of Chapman's History of Edgefield are on sale at the Advertiser office.

While in Edgefield Mr. Irby stopped at the famous DuBose House, Jno. Gary Evans at Oakley Park, Senator Mayfield with his friend and school mate A. E. Padgett, Senator McLaurin stopped with his old friend Col. Jim Tillman.

Brag Dog is a Good Dog--No Doubt About That--But Holdtight is Better. MR. EDITOR: As you well know each county is entitled to one Senator--no more nor no less--and yet virtually Greenwood has two Senators and Edgefield none, and that is not as it should be.

Yet some people--people with a motive perhaps--say that we had better let the "Greenwood gentlemen" hold their Edgefield offices; that said "gentlemen" will do as well as any, and that to hold another election will be trouble and expense for nothing. Out upon such reasoning. It is not right for a Greenwood man to hold an Edgefield office and make laws for the Edgefield people, and no amount of argument can make it right--and if it is not right, why we as a free people should battle for the right until the wrong is remedied.

And the miserable bosh that a Greenwood man can represent us as well as an Edgefield man, is a doctrine altogether against common sense and the rights of the people. Therefore, so long as the "Greenwood gentlemen" Gaine and Yeldell, refuse to give up their illegally held offices, so long ought the people denounce them as vain Pretenders and arrogant Usurpers. To these views, Mr. Editor, humbly but honestly give, I will ever HOLDTIGHT.

The Other Side of the Yeldell and Gaine Matter.

MR. EDITOR: Please allow me to give through your columns a few of the many expressions from representative men from different sections of the county concerning Yeldell, Gaine and those who have taken upon themselves the privilege of abusing them through your columns.

Some say: They are greedy fellows, who are willing to rob Yeldell and Gaine with the hope of getting that one hundred and fifty dollars themselves, when the people would not think of electing such fellows to fill the places of as good men as Yeldell and Gaine.

Some say: The people are satisfied with matters as they stand; the kickers are those who would fly over the county like buzzards, were our representatives to resign.

Some say: We don't want them to allow those long earned constitution expounders to bluff them into resigning. We don't want to be bothered with such fellows prowling over Edgefield county hunting votes.

Some say: A newspaper man is doing the kicking all by himself and they can't see his object.

Some say: Yeldell and Gaine are fools for condescending to notice such fellows.

Some say: They do not read the stuff that the Advertiser allows its correspondents to crowd its columns with, but think those gentlemen should hold on.

Some say: If Yeldell and Gaine would throw a few bones to those fellows they would quit barking at them.

Now, Mr. Editor, if those fellows continue to howl and you intend to make any charge for allowing them to bore your readers and for puffing them with headlines, please do so at once and put a quietus upon them. If you will publish this I will promise not to worry your readers with anything more from me.

Bossism and Ringism. Jim Miner says: "Old Satan's mad and I am glad."

I drop you a few lines to let you know that I have bin in all kind of messes but I never struck one like the campaign meeting at Edgefield. I went down to here good speaking and failed to here it, but one good speech was made by M. C. Laurin. The other speeches was nothing but bull rattling. I don't think any one could here any thing from their speeches. The rest was jim-swingers and coat-tail-swingers. They put me in mind of two large spiders one was large and one was a small one. The big one went to work and webbed all round the little one. The little one jumped out the big one's way and run all over and give senator John L. M. Irby the dry grins. We had good men in office and threw them out for jim-swingers and coat-tail-swingers. The idea of one man saying that he took little johnnie up and put him in office. The idea of cutting of Edgefield county and giving it to Gov. Sheppard a gain they would hie the white flag or the red flag one. Some reminded me of acting game as known as punching judy. I think the farmers movement have got their eyes open they aint going to take promise any more. I think senator Irby drinks too much good beer and he wont divide with the farmers. I think what senator M. C. Laurin says, they lay out up there on the by-ways and hedges and play cards and play hip-tom-diddle-do. Do we want such men as them in office. Say! Will the good times ever come again? No never until

The P. M. G. of the U. S. A. In the appointment of postmasters, is having his way, In cities where the delivery is free The appointment of a negro? No never says he.

The matter of appointment Is a social one says he, As well as a political reward, And where there never was a negro P. M. There shall never be one in accord.

Now, Mr. Editor, agreeable to a former declaration of Gen. Gary, that no democrat need apply for appointment or reinstatement where there can be a republican black or white found, I have to say that if his former and later declarations mean anything they mean the effectual elimination of democratic and colored republican applicants. Thus you see the race is entirely with white republicans. As for Edgefield P. O. we have only two applicants, viz.: W. D. Ramey and T. A. Odom. Let us contain our souls in patience for either one is so much better than a negro postmaster.

A COLORED PATRON. News from Ropers.

(This letter should have appeared last week.) MR. EDITOR: We have been blessed with nice showers during the past week, sufficient to keep the crops growing and looking green, although the farmers have suffered some for rain since the dry weather set in.

Rev. Mr. Matthews is conducting a protracted service here this week, and in all probability the meetings will be continued for several days.

Rev. J. V. Krepps will commence a protracted meeting at Sweetwater to-day, and will continue all the week, and the protracted meeting at Republican has been put off until the 5th Sunday in August on account of the union meeting, which will be held there on the 5th Saturday and Sunday.

Mr. James Reece, who conducts a wheelwright and blacksmith business at this place, has been quite sick during the past week, but we are glad he is much improved at this writing, and it is hoped that he will soon be out again.

Mr. M. D. Lyon and two of his lovable daughters, Misses Lillia and Minnie, went to the barbecue and picnic at Alliance Hall last Thursday. Quite a number from this section went down also.

Judge John Glover has just succeeded in getting up a baseball nine at this place, which will be ready to play any of the boys in a short time. I am told that the team is composed of blacksmiths, lawyers, farmers, millers, clerks, doctors and a judge. Mr. J. F. Atkins will umpire the games, and the above team, Mr. Editor, expects to play everything from the Gulf of Mexico to "mumble peg."

Politics are being talked round right smart nowadays. I think it would be a good idea for some one to invent some plan by which politics could be run by water power. Seems to me it would beat the gas arrangement used for the past few years.

Mrs. J. F. Atkins, who has been sick for sometime, is much improved. The ice cream festival to be given here next Saturday night will be a grand success beyond doubt. The Lyon band will furnish music for the occasion. Miss Mattie Lyon, who plays a B flat cornet, will play some nice cornet selections on that night, and we expect a large crowd.

PARATUS. Ropers, S. C., July 10.

A Card. MR. EDITOR: Will you please help us to correct a false rumor about the Baptist parsonage at Ropers, S. C., by publishing the following:

We hear that it is rumored and circulated over the country that the titles to the land on which the parsonage is located are not good. We say that it is absolutely false and that there are no grounds for said rumor.

We expected to have some opposition to this work when we began it, for no one has ever done anything that would please every one. But we did not expect opposition in such a hidden scheming manner. We were prompted by pure motives when we began the work, and hope that it may be a great blessing to the churches around it. Therefore we hope no one will hesitate to help us on account of said rumor.

"FOLK'S Dyspeptic Shoes," FOR SALE BY Fleming & Dunbar, AUGUSTA, GA.

Information fully given by Folk & Folk, Edgefield, S. C.

HOW TO FIND OUT. Fill a bottle or common glass with urine and let it stand for twenty-four hours; a sediment settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention the Advertiser and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.
