Capt G. H. Timmerman has been Johnston, the quarterly conference mortals. awarded the gold medai for oratory at for Edgefield circuit will be held at the Patrick Military school, Ander- Trenton.

The Montgomery, Ala., Advertiser is authority for the statement that Ben K. Bailey, of the S. C. C. 1., on Mon-Tiliman is a candidate for vice-presiday of this week. Dr. Bailey is always dent with Bryan.

Real Estate Agent Burnett withdraws from sale the T. B. Lanham house on Geter street, the same having been sold to Mr Horace Dorn.

The Aiken papers inform us that the Trenton Methodist church March there are more people in Aiken this 24th and 25th. The Presiding Elder season than at any time since the de- Rev E. T. Hodges, will preach both struction of the Highland Park hotel. days at 11 a. m., and the quarterly con-

Messrs J. H. P. Roper, Capt J. A. Bannett, J. B. Hill, and Pou Jones, all vice. of our town, have been drawn as United States ju ors to serve in Greenville at the April term.

tee, has issued a call for the meeting was moreover a gallant Confederate of the committee in Columbia on Wednesday, April 11th.

There will be a meeting of Camp Abner Perrin at W. N. Burnett's office on Friday of this week at 11 o'clock-Business of importance. John Ken-NERLY, Commander.

We are rejoiced to state that Mr. Harry Hill, who was critically ill last week, has entirely recovered, and is going about as usual. He had an acute

attack of heart trouble. The Norfolk Landmark observes that "a Boer marksman on the topje of a kopje can dropje a bullet in the right spotje almost every popje and never

seems to want to stopje." The last number of The Delineator has a life size portrait of the beautiful Miss Lula Cassels Lake, daughter of Capt, Geo. B. Lake, late of Edgefield, at

present of Lexington, Ky. The township democratic clubs will meet for the purpose of organizing on the fourth Saturday in April prox. The county convention will meet on

the first Monday in May. Mr. R. H. Miras tells us that the three quickest ways to send news around the world are by telephone,

telegraph, and tell-a-woman, the last a little mite quicker than the other two. The slip-back in cotton last week

seems to have been only temporary for it is going up again this week. But as we have said before, the figures are perilously near the top at present

Mr M. B. Sturkey, who was in our office on Monday, reports the roads between Edgefield and his home near Plum. Branch as just awful, and on

If the building of cotton mills continues at the present rate for a few years, and the doors of the world open wider and wider a la China, Japan, may be a permanency.

The gratifying intelligence has been received from Baltimore, whither Mrs J. B. Haltiwanger went some days be fined fifty dollars or be imsince, for medical treatment, that she prisoned for the term of thirty as getting on finely, and will be at home in a few days with her husband Mr J. B. Haltiwanger.

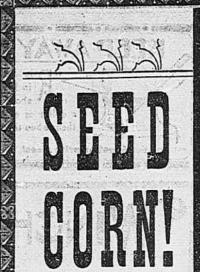

says that Zack Boone, (you all know that a citizen has the right to Zack), can "quirl ut on top of a mile decorate his own premises with rock and sleep all night without turning over, and the only way you could wake him up was to "bust a green water million over his head."

The Open Door in China.

San Francisco, March 11-President Benjamin Ide Wheeler, of the University of California, in an address last night to the Monticello the stone to the wounds and it readily Club, gave the details of the negotiations which Secretary of State Hay has had under way for some time, relative to the Chinese "open worn; but ther will be of the pastel surrounding vicinity are rejoicing. door." President Wheeler learned And with them we beg to mingle our the negotiations while in conversajoy and congratulations. The dog was tion with Secretary Hay, during killed a few hours after the wounds his recent visit to Washington. President Wheeler said: "In the course of the week Secretary of the State Hay will announce to the people a victory, not of warcall it of diplomacy, if you please -in that the ports of China will be open to the commerce of the world. He has reached an understanding with Great Britain, France, Russia and Germany, which does away with territorial spheres of influence.

"According to the terms of the agreement there will be no longer any spheres of influence in the Flowery Kingdom. Customs tariffs will be abolished as well as other Foundry, N hine, Boiler, imports upon the shipping. The idea is to made the ports free to the world's commerce and give all nations a free hand in exporting their products. It is the consummation of the British idea of the "open door," which found so strong an advocate in Lord Beres-
