

LOCAL AND PERSONAL.

Too much rain is now the universal cry. Mr. Walter Wise of Trenton was in Edgfield on Sunday. Dr. Price Timmerman was in town on Monday. Mrs. Griffin is visiting her sister-in-law Mrs. Trapp McManus. Mr. Bill Arthur and family have removed to Chester. Miss Mamie Gwaltney is at home again for the vacation. Mrs. W. F. Dobe and little Linie Dobe are visiting Edgfield. Charlton Lynch is at home again from Davison College. Miss Hartley of Batesburg is visiting her aunt Mrs. J. A. Timmerman. The Hon. Thos. H. Rainsford was in town on Monday. Mrs. Sanders of Barnwell county is visiting Mrs. E. G. Haltiwanger. Misses Hortense and Bessie Padgett are visiting their brother Mr. A. E. Padgett. For Sale: A fine milch cow. Apply to TRAPP McMANUS, Edgfield, S. C. Get in peas and corn after oats, we are going to have a fine summer for late corn. Bryan calls on the people to repudiate the recent verdict of the Supreme court. And Tillman says he will not withdraw his resignation until McLaurin flunks. Cheatham's fresh Spring Honey now for sale at J. A. Timmerman's Store at 8 1/2 cts per lb. Kansas is so prosperous that she will need 20,000 outside hands to harvest her wheat crop. Clerk of Court Cogburn has received the pension money and it is now ready for distribution. Roll in! Strangers are not any longer noticeable on our streets. We have become accustomed to them. Mrs. Lizzie Bettis of Trenton with some of her grand children has been in town during the commencement. Mr. Jake Hardy shipped 190 pounds honey one day of last week, marked Norfolk Va., and has more to ship. Mrs. Van Dyke of Rome Ga., arrived in Edgfield on last Friday to spend sometime with her parents Dr. and Mrs. L. R. Gwaltney. Mrs. Barker has returned to Edgfield after spending the winter months in the States. She is visiting her father, Capt. J. A. Bennett. A young colored man, Paul Cobb, was struck and killed by lightning in the piazza of Mr. Frank Warren near Edgfield on Monday evening. The agreement of China to do everything and to be everything required by the powers and the departure, of Genl. Waldersee for home is the beginning of peace in China and a going up in the price of cotton we hope. The resignation of Chief Scoury necessitated the election of a new Marshal by our Town Council. There were fifteen or more applicants. Mr. Hugh Anderson was elected to this place and Mr. Walter Samuel was chosen for night watchman, both being good selections we think. McSweeney has declined to accept the resignations of Tillman and McLaurin unless they are made absolute as to time when. In this he is as near right as a man could. Now if he could appoint new men in the persons of Genl. Edward McCrady of Charleston and Jno C. Sheppard of Edgfield he would drive the nail home in a good democratic fashion. Mr. Poppenheim of Charleston died at his home there a few days since. He was a prominent and wealthy citizen of that city, and for a number of years lived in Edgfield county, having married Miss Mary Souknight, sister of Mr. Joseph Souknight, President of the Johnston Bank. He was the father of Miss Louise Poppenheim, well known in Edgfield. Some of the Visitors to Commemorate. Mrs. C. C. Fuller, Mrs. W. J. Mrs. Mary Cantelon. Departed this life on Saturday morning June 1st. Mrs. Mary Cantelon, wife of Rainsford Cantelon deceased. Mrs. Cantelon was the devoted and beloved mother of four children, Mrs. Mary Brunson, deceased, Mr. James Cantelon, J. H. Cantelon, Esq., and Bettis Cantelon. She was interred from our village Baptist church Sunday afternoon. Dr. Gwaltney preached the sermon over her remains, and quite a large number of friends, acquaintances, and loved ones were present to pay this parting tribute to her memory. It is said that the affection of some people for their loved ones is so tender and so deep that they cannot even speak of them without weeping. This was the love with which Mrs. Cantelon inspired her children, and they loved her as she loved them with a love beyond the mere expressions of the human tongue. Their very souls were linked to her in the bonds of the most devoted attachment. She was to them the very personification of the most beautiful and gracious of all virtues. But such is the transient fleeting nature of our earthly sojourn that even these are taken from us before we are all prepared. But there is a consolation, and the only one in times like this, that in "Heaven above where all is love There'll be no parting there." Mrs. Cantelon had been a member of the Baptist church of Edgfield for years, and exemplified every day the humble spirit of a Christian. She has entered the mansion prepared for her which human eyes may never behold, for "eyes hath not seen nor ear heard, neither hath fit entered into the heart of man, the things which God hath prepared for them that love him."

SOUTH CAROLINA HAS HUMAN BRUTE. Violently Down on the Floor—Man Plays Nurse While the Mother Works in Mill. Anderson, May 30.—A most shocking case of human brutality has come to light in the Anderson cotton mill village, this city. R. Brown Burris is a young white man. Two years ago he married a pretty young woman and they have a fine healthy boy, 7 months of age. Mrs. Burris supports the family by her work in the cotton mill. Burris says he is not in good health, and stays at home and is the nurse. The child seemed to irritate the unnatural father. Frequently he pinched the helpless infant to stop its crying and more than once thrust it roughly in the kitchen scull where the baby sobbed until exhausted by its crying. The poor mother's heart was torn by this brutal treatment of her child, but she was powerless to prevent the cruelty of the husband. Last week the climax came. The baby cried longer and louder than usual one evening and finally the infuriated father clutched the child brutally by the arm, and threw the crying boy upon the floor. The poor mother lifted the baby from the floor and discovered that the left arm was broken between the shoulder and elbow. When the father saw what he had done, fright took possession of him and he proffered deep remorse. The affair was reported to the police and Chief Dillingham arrested Burris upon a charge of disorderly conduct, but was released on bond. The mayor is undecided as to what disposition to make of the case. He will either try the case in the mayor's court or turn Burris over to the sheriff. The affair has created a great deal of talk and the opinion seems to prevail that Burris ought to be handled on a charge of assault and battery. The case was to be heard yesterday, but Burris sent a doctor's certificate that he was not able to be present. He may receive a coat of tar and feathers yet.

All teachers and trustees expecting to attend will please communicate with me at once. Board can be had at reasonable rates. For further information please write me. Respectfully, A. R. NICHOLSON, Co. Sup. of Education. June 4

After He Comes. he has a hard enough time. Everything that the expectant mother can do to help her child she should do. One of the greatest blessings she can give him is health, but to do this she must have health herself. She should use every means to improve her physical condition. She should, by all means, supply herself with Mother's Friend. It will take her through the crisis easily and quickly. It is a salient which gives strength and vigor to the muscles. Common sense will show you that the stronger the muscles are, which bear the strain, the less pain there will be. A woman living in Fort Wayne, Ind., says: "Mother's Friend did wonders for me. Praise God for your liniment." Read this from Hunel, Cal. "Mother's Friend is a blessing to all women who undergo nature's ordeal of childbirth." A WORTHY SUCCESSOR. "Something New Under The Sun." All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entire-ly eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and special-ty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stop-ping the discharge, and curing all in-flammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" and is GUARANTEED to cure CATARRH in one Dollar, each package containing in-ferior and external medicine sufficient for a full month's treatment and every-thing necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH ever made and is now recognized as the only safe and positive cure for that annoying and disgusting dis-ease. It cures all inflammation quick-ly and permanently and is also won-derfully quick to relieve AAF PEVER or COLD IN THE HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treat-ment made it is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE." Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. C 441, EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.
