A little dreaming by the way,
A little tolling day by day,
A little pain a little strife,
A little joy—and that is life.

Religious Herald: According to the Raleigh News and Observer, the Wake Forest valedictorian this session was a poor student, who could not afford to board with the other college boys, but bought his own rations and cooked them. It is said that his record was the best ever as the college. Look at this,

ye ambitious young men, and take courage. If your heart hungers for an education; launch out courageously."

There has been much speculation as to who would be appointed president of the cotton factory to fill the vacancy caused by the resignation of Mr. Fisher. We violate no confidences in saying that D. A. Tompkins will remain at the head of this enterprise in the future as he has been in the past. A number of citizens predicted that A. S. Tompkins, Esq., would be appointed president to succeed Mr. Fisher. Arthur, however, prefers his first love, the law, in which he is making rapid strides to distinction.

In the Interlude, the Woman's edition of the News and Courier, published in the interest of the Exposition, is an article from the pen of Miss Helen Morris Lewis, a sister of Mrs. S. M. McGowan Simkins, of Edgefield, who has frequently visited here. This article deplores the loss of the old-time woman who always met her husbands at the door with a smile and lived at home. But she blames the men of the age for their loss. She says that men themselves have called women out of their natural sphere of home, by wishing to be cheered on by their smiles in more public life. They undertake few great enterprises nowadays without their assistance, and thus often make vacant the cheerful hearthstones of home.

An Excellent Sermon.

The Rev. E. M. Stewart preached in the Presbyterian church last Sabbath morning, as announced in last issue. Those of us who had not had the pleasure of hearing Mr. Stewart, were charmed and with him. His discourse and manner, with his extreme affability, outside the pulpit, leave nothing to be desired. We predict that he will be very popular in Edgefield; indeed, he is already. He will preach in the same church again next Sabbath.

President Fisher Resigned.

President C. H. Fisher has resigned as president of the Edgefield Manufacturing company, in effect July 1st, last Monday. The new president, a gentleman from North Carolina, will be elected on the 6th inst. This gentleman has

A family of five children, and will, of course, move to Edgefield. We are not privileged to give his name yet. Mr. Fisher has been elected vice-president of the D. A. Tompkins company, of Charlotte.

"Something New Under The Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. They have failed to cure the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing enough to cure a full month's treatment and everything necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH ever made and is now recognized as the only safe and positive cure that is so simple and so effective. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve AAF FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form. Write for full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."
