Ashes are emptied in the road, and the trash from the stores remains in the "park" days and weeks at a time. This is a filthy practice and the attention of the proper authorities is directed to the condition of our park. If this practice is not stopped the health of our citizens will be endangered, and typhoid fever will be plentiful here when summer comes again and the little germs are hatched. What about it, Mr. Mayor, and gentlemen of the town counsel?

Christmas is here and we are too, and if there is naught else for us to rejoice over we should be glad that we have been permitted to live to see this great anniversary of the birth of Christ. To each of our readers we wish the merriest time possible and that the first year of this new century has carried them one year nearer the throne of God. Let us remember the less fortunate ones of our communities, the widow and the orphan, and make this a happy day to them. We can only be happy in the same proportion as we make others happy. If you have nothing else to give, you can meet those with whom we come in contact with a smile and a kind word. A merry, merry, mer- THE BRADFIELD REGULATOR Co. ry Christmas to ALL.
