THE ADVERTISER,

Edgefield, S. C.

WEDNESDAY, FEB. 5, 1902.

Card from Mr. D. R. D.

Mr Editor-I am pained to notice that in your columns and the columns of the other county papers, that ex-Gov Sheppard assails me in a manner quite vigorously from the wonderful, and yet unwarranted, imaginings of his fertile brain, concerning the issue of certain bonds, and thereby makes it incumbent upon me to vindicate myself to some extent from his gratuitious charges. I know, if I know myself, that I have done Gov Sheppard no intentional wrong; and I further know that if I had done so intentionally or unintentionally that Editor Terrell, who so carefully and critically inspects every line published in his paper, To the Defendants above Named would have promptly returned the paragraph to me unpublished, as he should have done had it condistinguished fellow-citizeu.

the 16th of January, after announcing the usual organization of such plaint. SHEPPARD BROS., a meeting said:

"Ex-Gov Sheppard, on behalf of the committee appointed at a previous meeting to act for the townships, in-

sembled, that the delegation to the genare hereby requested to obtain the passage of a bill by the Legislature authorizing said townships to refund the eral assembly from this county, be, and debt now outstanding against them, office of the Clerk of Court of com sufficient to retire the present outstanding bonds, the new bonds to bear interest at the rate of 5 per cent per annum, and to run for thirty years." Gov Sheppard advocated the

passage of this resolution with his usual characteristic ability, and it was adopted, 28 of the worthy and best citizens of the two townships voting in the affirmative and ber band any amount they should demand to free themselves from the incubus of a \$30,000 U S court

judgment staring them in the face. And this was the condition of bend matter until in my letter to the Monitor on Jan 30, when I wrote as follows:

"And now we hear the sad news that the senate, on the petition of 28 voters of Wise and Pickens townships at a socalled mass-meeting of the citizens of said townships, representing nearly 500 voters has already passed an act authorizing the county commissioners of our county to issue new bonds against Wise and Pickens townships, amounting, when paid, to \$150,000 to take up a debt of \$20,000 in bonds issu-ed years ago, and which bonds were delivered without any valid consideration, and which said bonds have been declared unconstitutional by our own Supreme court, composed of as able jurists as the world affords."

And this information was given me by one in high authority, and I gave it as a news item, not having the least idea of its inaccuracy. Knowing, as I did, Gov Sheppard's views on this matter less than one month previous, and not dreaming that he had stamped his foot upon his own resolution to secure the passage of the very act above alluded to, and for the adoption of which resolution he so zealously advocated at the meeting of the two townships on the 6th of Jan. last. This error of mine in saying that the senate had passed the bond bill, seems to be most grievous to him, but I think his repinings are void of any foundation whatsoever, and that I am "more

sinned against than sinning." But it gives me great delight to read from Gov Sheppard's card, the following pledge to our people: "I would not be satisfied if I did not state in the most direct and specific terms, that nothing has been done, and nothing shall be done, whilst I am a member of the general assembly which will have the tendency 'to plunder and impoverish and pauperize any portion of the people of Edgefield county."

This pledge of Gov Sheppard's means much to the tax payers of Pickens and Wise townships, and we rejoice exceedingly thereat, and now feel we are secure from the recent probability of an enormous debt of \$150,000 being placed upon our shoulders in payment of \$20,-000 in outlawed bonds, in the hands of certain New York bucket shops Jew dealers in superannuatedand worthless bonds.

Very respectfully, D. R. D.
