The ladies of the Mission Society of the Methodist church gave a delightful reception at the beautiful home of Mrs. B. T. Tompkins Friday afternoon in honor of Mrs. Sossamon and Miss Julia Allen, two very zealous and active members of the society, on the eve of their departure from Edgefield.

Rev. G. W. Davis presented to Mrs. L. S. Sossamon a beautiful cut glass cracker jar given by the members of the society. This was a very suitable token bestowed in an appropriate and beautiful manner. As has been appropriately said it is the "small, sweet attentions" that make life worth living.

SAVED FROM AN AWFUL FATE
"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa., "I was so low after 6 mos of severe sickness, caused by hay fever and asthma, that few thought I could get well, but I learned of the marvelous merit of Dr. King's New Discovery for consumption, used it and was completely cured." For desperate throat and lung disease it is the safest cure in the world, and is infallible for coughs, colds and bronchial affections. Every 50c and \$1.00 bottle, and give trial bottles free.

Virulent Cancer Cured.
Startling proof of a wonderful advance in medicine is given by drug-gist G. W. Roberts, Elizabeth, Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel biliousness, kidney and microbe poisons at the same time this salve experts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters, 50c, salve 25c at G. L. Penn & Son's.

The glorious rains have not only been refreshing to vegetation but to the beasts of the field, the fowls of the air and to man—the worm of the dust.

Jennie Gasque, after several weeks' stay in Edgefield with her sister, left Saturday last for Waycross, Ga., where she has accepted a lucrative position in the Plant System hospital at that place. Her sister, Mrs. A. Fuller Perkins, accompanied her as far as Aiken. Miss Gasque made many friends while in Edgefield.

Remember the Date.
At the request of the county superintendent of education we again call attention to the county Summer school. Remember the date, Wednesday, June 25th. The Summer school of York county is now in session with 40 teachers in attendance. How many of Edgefield's teachers will avail themselves of this golden opportunity? We shall soon see.

His Annual Visit.
Capt. Joe Brunson, of Aiken, the oldest living member of an old and greatly honored Edgefield family, spent last week up on Turkey creek, the stamping ground of his boyhood days. He spends one week every Summer at the old homestead and among his kindred and friends. No more valiant soldier ever drew sword or shouldered a musket in defense of his country. For four full years Captain Brunson served the confederacy without asking or receiving even a sick furlough. Whenever the Yanks came his way or were in reach of him he was up and at them. Capt. Brunson honored the ADVERTISER with a very pleasant call. We wish his visits were more frequent.

FILTHY TEMPLES IN INDIA.
Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c at G. L. Penn & Son's.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box.

Mr. B. B. Jones is having his residence on Main street beautifully painted.

HAPPY TIME IN OLD TOWN.
"We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucken's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for fever sores, ulcers, salt rheum, cuts, burns or bruises. Infallible for piles, 25c at G. L. Penn & Son's drug store.

Mr. B. B. Evans, who is farming this year on a more or less (mostly less) extensive scale bears the distinction of having the first cotton bloom for these parts. He exhibited a white cotton bloom on Saturday last which he plucked from his own field with his own hands. June 13th is very early for blooms in this section especially when it is generally conceded that the crop was planted 2 weeks late. We trust that this auspicious beginning augurs an auspicious ending to Mr. Evans' farming interests.

Messrs. C. A. Griffin and W. B. Penn left Monday for Atlanta, Ga., where they will take a course of electrical treatment at that famous sanatorium, the National Surgical Institute. Both of these gentlemen are far from being invalids yet they feel that to be shaken up a little by that invisible something, called electricity for lack of a better name, will enliven and rejuvenate them.

WINE OF CARDUI
The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

WINE OF CARDUI
148 Market Street, Memphis, Tenn., April 16, 1901.
In February, 1901, I took one bottle of Wine of Cardui and one package of Theodor's Black-Draught. I had been married fifteen years and had never given birth to a child until I took Wine of Cardui. Now I am mother of a fine baby girl which was born March 31, 1901. The baby weighs fourteen pounds and I feel as well as any woman could feel. Now my home is happy and I never will be without Wine of Cardui in my house again.

G. W. CROFT.

To the Democrats of Edgefield County:
I am a candidate for Congress from the 2nd district and will abide the result of the primary. While I am opposed to imperialism, I am in favor of treaties allowing us to show our goods on liberal terms in every market of the world. I favor practical, tangible results. Trusts should be throttled, but corporations doing a legitimate business should be encouraged and protected. Rural Delivery routes, in sufficient number to supply mail to every family every day, should be established. I favor turning loose all the money down here that can possibly be secured. The rights and conveniences of the people should receive paramount attention. What I am today is due largely to your support and help, for which I feel grateful to you, and I refer you to the record which will show for itself whether I have been true to you and whether I have protected and promoted your interest.
I will thank you for your support in the ensuing Democratic primary.
J. Wm. THURMOND.

To the Democratic voters of Edgefield county:
I hereby announce myself as a candidate, in the ensuing primary, for congress from the second district and solicit your support. I entertain the expectation of addressing you upon the issues of the day whenever proper occasions present themselves, and in the meantime hope that my character and general fitness may receive your attention. I shall be subject at all times to the regulations prescribed for the primary, and subscribe to such pledge as the wisdom of the State democratic party may formulate. Respectfully,
G. DUNCAN BELLINGER.
