s a new and scientific compound made from roots, barbs and barks—contains neither opiates nor poisons. It purifies the blood and removes the causes of heumatism and all blood diseases. Anyone can take RHEUNACIDE with absouts safety. Does not injure the digestive organs.

FLORENCE, S. C., Aug. 16, 1902. Gentlemen:—I began to suffer from theumatism about three years ago, and had it very bad in my limbs. At times I could hardly walk. Was treated by a physician without benefit. More than a year ago, Mr. George Wilson, an engineer on the Coast Line, living in Florence, told me that "RHEUMACIDM" cured him. I got a bottle and it benefitted me. I took five bottles and am now as well as I ever was in my life. I regard "Engumacida" as a great medicine. I know of others it has cured.

DABLINGTON, S. C., Aug. 19th, 1902.

Gentlemen:—About two years ago I had a very severe attack of inflammatory rheumatism. I suffered great pain and was confined to my bed for five weeks. During the time I was treated by two Physicians without permanent relief. Capt. Harker, a conductor on the Atlantic Coast Line heard of my condition and sent me two bottles of "RHEUMACIDE." I began to take it and in a week I got up and walked on orutches. After taking three bottles of the remedy I got entirely well and went back to my business.

I personally know of a number of other bad cases that were cured by the use of your medicine, in this town and vicinity. It is all that you claim for it.
