Asleep in Jesus. On Monday morning last our community was saddened by the intelligence of the death of Mrs. Fickling, wife of Mr. J. B. Fickling of our town. Before her marriage the deceased was Miss Wannamaker, of Orangeburg. A kind neighbor, affectionate wife and fond mother has passed over the river and on the other shore awaits the coming of her loved ones. This good woman is survived by a husband and five children, scarcely any of whom have reached their teens. Mrs. Fickling was an active and consistent member of our Methodist church. Her pastor, Rev. G. W. Davis, conducted funeral services at the home and the remains were carried to Orangeburg Monday afternoon for interment. May God draw very near the grief stricken husband and the motherless children in their bereavement.

The Cause of Many Sudden Deaths. There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell. Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night.
