THE ADVERTISER, Edgefield, S. C.

WEDNESDAY, OCT. 14, 1903.

Notwithstanding the wholesale stealing that has been practiced in the Postoffice Department...

Edgefield is not alone in the matter of being unable to meet all obligations when due.

The exhibits, such as stock, poultry and farm produce, that are usually seen at the State Fair will be supplemented this year by the state exhibit at the Charleston exposition.

Boys had better look to their laurels. One of the large telegraph companies has as an experiment discharged its messenger boys in Kansas City and employed girls instead.

The law abiding citizens of Saluda have become alarmed over the prevalence of lawlessness throughout the county and in casting about for the cause and a remedy...

The trial of James H. Tillman, charged with the murder of N. G. Gonzales on January 15th last, is nearing the end.

A STRONG ENDORSEMENT. We were greatly pleased to receive on Saturday last the subjoined letter from one who has been running an advertisement with us at intervals during the past year.

Dear Sir:—We herewith enclose you copy of advertisement we had running in your paper last month, and wish it continued for four issues, to occupy same space, and location.

ROBBED THE GRAVE.

A startling incident, is narrated by John Oliver of Philadelphia as follows: "I was in an awfully condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement; I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at The Penn Drug Store.

SPECIAL MASTER'S SALE.

STATE OF SOUTH CAROLINA, COUNTY OF EDGEFIELD, COURT OF COMMON PLEAS.

Annie F. Roath, et al. Plaintiff, against Ida P. Boatwright et al. Defendants.

Pursuant to the decree in this cause, I, W. B. Cogburn, as Clerk of the Court, acting as special master herein, will offer for sale, at public outcry to the highest bidder, before the Court House, in the town of Edgefield, South Carolina, on the first Monday in November 1903, (It being the 2nd day of the month), between the legal hours of sale, the following described realty to wit:

Clark's Hill. Cotton picking in this section is about over, and much of it has been ginned and the seed sold.

Mrs. C. N. Nixon was called to Augusta early this week by the illness of her grandson, Theron, son of Des W. C. Miller, who has been quite ill. We are glad to chronicle an improvement in the little fellow's condition.

Mr. Thos. M. Butler and wife have gone to Colleton county, near the home of the latter's parents, where they will remain several months.

Mr. Ashley Anderson paid Capt. Jno. Butler's family a call, as he went out to Atlanta, where he is to enter the dental college.

Mrs. Evans, of Newberry, a witness in the Jas. H. Tillman trial, visited Mrs. Margaret Tillman last week.

Mrs. Dr. Stevens, of Greenville, has been on a visit to her mother, Mrs. Margaret McKie, at Woodlawn.

Mrs. A. L. Luke, of Augusta, has been visiting the home of her brother, Mr. J. E. Luke.

The Baptists of this place have called the present pastor, Rev. P. L. Latham to serve the church again next year. This shows the esteem in which Mr. Latham is held by the congregation which he has served so faithfully for two years.

Mr. J. T. Miller, of Parkville, carried a box of services at this place last fourth Saturday and Sunday, which was enjoyed very much by all. We hope his conference will see fit to return him to this charge for another year.

Mr. W. S. Middleton spent part of last week planting peach seed, which proved a tedious job. Among others who are planting are Messrs. W. Rowland and R. H. Scott. These gentlemen have found it quite a difficult matter to procure the seed in quantities desired.

Master Cecil King, who struck a straw some distance in his ear and broke it off, has recovered both the piece of straw and his color and strength. He was complaining greatly for more than a week.

Mrs. Dr. Jennings, of Augusta, visited Mrs. H. A. Adams last week. She has many friends in Edgefield county, who give her a hearty welcome, at any and all times.

SCOTT'S EMULSION

To the men Scott's Emulsion gives the flesh and strength so necessary for the cure of consumption and the repairing of body losses from any wasting disease.

Ten Thousand Churches

In the United States have used the Longman & Martinez Pure Paints. Every Church will benefit from a liberal quantity whenever they paint. Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy this paint in a can with a label on it. \$2 1/2 a gallon. Therefore when you want fourteen gallons of paint, buy only eight gallons of L&M, and mix six gallons of pure linseed oil with it.

You need only four gallons of L&M Paint, and three gallons of Oil mixed therewith to paint a good size house.

Houses painted with these paints never grow shabby, even after 18 years.

These celebrated paints are sold by THE PENN DRUG STORE.
