Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble, because the heart is over-worked in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

Death of a Child. Little Henry Davis, the two-months-old son of Rev. and Mrs. Geo. W. Davis, died on Friday last at their home at Cordova, Orangeburg county. While living among us Mr. and Mrs. Davis lost a little child who was buried in our village cemetery, consequently the remains of little Henry were brought to Edgefield for interment on Sunday afternoon last. The hearts of their many Edgefield friends go out to those grief-stricken parents in this hour of bereavement, and, trusting in the God who gave them this precious babe, they have the assurance that 'his idol of their home is safe in the arms of Jesus, away from the trials and crosses of earth.

RESOLUTIONS. Whereas, God, in the dispensation of his wise providence has seen fit to remove from our ranks by death our beloved comrade, Dr. A. H. Ashley; and whereas we desire to put on record some testimony of our esteem for him and our sense of loss at his death: Now, be it resolved: 1st. That we do hereby express our sorrow at the absence of his genial presence from amongst us, and that we sorely miss his advice and co-operation in the affairs of the Company. 2nd. That we extend to his beloved wife and family our sincere and heartfelt sympathy, and assure them that the ties that bound us to our comrade still bind us in tender regard to those whom he loved on earth. 3rd. That a copy of these resolutions by inscribed in the minutes of the company, that they be published in the County papers, and that a copy be sent to Mrs. A. H. Ashley.

IT IS A MATTER OF HEALTH

ROYAL BAKING POWDER Absolutely Pure THERE IS NO SUBSTITUTE

Mr. T. L. Martin, of Fairfield, S. C., accompanied by his bright little daughter, returned to his home on Thursday last after spending a fortnight with his sisters, Mesdames M. DeLoach and Abner Broadwater. Mr. Martin is a very gifted piano tuner.

Some bachelors must live on the fat of the land. While passing two in a conversation a few days ago we heard one invite the other to spend the night with him, offering, as an inducement, to give him sixteen eggs and a stack of fritters three feet high for supper.

The Masquerade Party. The greatest event in the social life of the students of the S. C. C. I. is the annual masquerade party, which was held at the college on Friday evening last. Everybody was costumed and masked for the occasion, no one being admitted whose identity was not concealed.

Even room-mates could not recognize each other. Col. Bailey, Mrs. Bailey and the entire faculty were masked from head to foot and passed off as the youngest of the boys and girls. The city dude with cane, kid gloves and silk hat, the coach-man, the policeman, the monk, the "Chinee", the clown, the tramp, the gentleman, the milk-maid, the grandmother with powdered hair, the maid-of-all-work, the gay belle of society, the pretty lass with flowing hair and golden curls, and others too numerous to mention were represented, all clad in multicolored, non-descript costumes. This agglomeration of the sublime and the ridiculous, the grave and the gay, made of the large auditorium a veritable mystic maze. The climax was reached when each boy chose a partner, not knowing who she was, and marched upon the rostrum and unmasked.

After "Bingo" and other favorite pastimes of the students were played, all repaired to the dining hall where the "pounds" had been spread upon the tables. The evening was one of great pleasure and enjoyment, and Col. Bailey is to be commended for providing these oases to break the monotony of routine school life. Next on the tapis will be the May picnic.

Sick Blood

Feed pale girls on Scott's Emulsion. We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE, Chemists, 409 Pearl St., New York.

Dear Sir: Devote is worth \$4 or \$5 a gallon, put on; how much is another paint worth? Depends on how many gallons you've got to put on, to be equal to one of Devos.

Mr. J. J. Hall, Sheffield, Pa. painted two houses one coat, five years ago. load-and-oil, took 40 gallons.

Last Summer bought 40 gallons Devos for same houses; had 10 gallons left.

Mr. N. Avery, Delphi, N. Y. owns two houses exactly alike; painted one with Devos; took 6 gallons. The other with some other; took 12 gallons.

What'd you give for those off paints? Berr in mind, you've got to pay for the painting. Yours truly, F. W. DEVOS, New York.
