Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they fill ter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pairs solved.

Rev. A. B. Watson, who, in the nineties, was for fcur years the beloved pastor of our Methodist church, will officiate at the altar, speaking the words that shall make one of the twain. Mr. James of order, they fail to do their work.

Pairs solved.

Rev. A. B. Watson, who, in the field friends generally and Buncombe neighbors particularly will greatly miss them during their absence.

We would suggest to the candidates that they supply their ward-robes, grips.

Pains, aches and rheu-matism come from excess of uric acid in the blood, due to neglected

kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake

by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar siz-es. You may have a

AN OPEN LETTER

To OUR FRIEND'S AND PATRONS:

ON April 11th we inaugurate what we termed a Red Letter Cut Price Cash Sale. During this sale our store was crowded with larger buyers who were simply astonished at the beautiful goods we have in stock at such low prices.

WE intended to get the regular prices at the expiration of this time, but feeling that our efforts was appreciated, we have decided not to change the prices, though the margin is small. You will have therefore the same opportunity to buy goods at a little above the cost of production that you did during this ten day sale.

OUR aim is to furnish those who favor us with their patronage, with the newest and best goods at the lowest prices possible. Any one wishing to procure Dry Goods, Notions, Shoes, etc. Should not fail to examine our stock before buying. The Red Letter Sale is over, but the prices will not be changed. We will take pleasure in showing any
