

TERMS: ONE YEAR \$150 SIX MONTHS 75

WEDNESDAY, SEPT. 13, 1905.

Edgefield has six wide-awake cotton buyers who are paying all for the staple that the market in this section of the cotton belt will warrant.

The great number of banks that are being organized in the small towns all over the state is indicative of the increased progressive-ness and prosperity of the people of the old Palmetto state.

The petitions were sent out more than two months ago. Is it not time that they were all called in and active steps taken looking to ordering an election in this county on the question of "dispensary" or "no dispensary"?

Sell and Pay All Debts.

The farmers of Laurens and other counties have adopted resolutions declaring eleven cents to be the minimum price at which they will sell their cotton.

Why October November and December Claims Were Not Paid.

My purpose was not to engage in a newspaper controversy, but was to show the true statement of the financial affairs of Edgefield county.

Mr. "Grand Juror" in his reply on August 30th admits the error when he says that the past indebtedness did not amount to more than \$2,000.00 and that there was on hand funds ample to meet this.

BUIS'S TURNIP SEED: We have just received from the celebrated Buis seed farms a full supply of all varieties of Turnip Seed.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son.

Missions by Rev. J. D. Huggins, Vice President of Home Missions for South Carolina.

Forty-two years ago in the old church at Edgefield Rev. J. P. Mealing preached his first missionary sermon with youthful modesty and self-depreciation, asking as he did so the prayers of the saintly Dr. James Furman.

Woman's work was given more time and consideration during this association than in former years.

Wednesday afternoon closed the session of the association with the reports on Sunday Schools, Orphanage and Education.

Withal the meeting of the Edgefield association was a good one—one of the best, if not the best, in its history.

COLD SPRING.

The association at Edgefield was an ideal one. The good people of Edgefield did their part to make it a success.

There was a large congregation attended church yesterday at Rehoboth. Four young people were baptized.

Miss Jennie Gilchrist has been elected to teach the Rehoboth school next session.

The many friends of Mr. F. B. Thomas will be pained to know that he is very ill indeed.

Mr. John Wash is also quite sick. We hear that he has fever. We hope for his speedy recovery.

Miss Sarah Glanton who has been sick for several years is not expected to live.

Mrs. J. T. Littlejohn and the little boys leave to-day for Laurens and Spartanburg to visit friends and relatives.

While coming from Plum Branch last week in his wagon a tree fell on Mr. Warren Winn and broke his collar bone and three of his ribs.

Our town has telephone connection now. We can sit in our home and talk to our friends all over the country.

Our stock of Undertaker's Supplies is complete.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney troubles.
