The people of Modoc have their heads bowed and are heavy-hearted over the departure of Mr. and Mrs. P. R. Bates and their family from their midst. These good people, who are beloved by everybody wherever they are known, moved to "Edgewood" last Wednesday. Mr. Bates will personally conduct a large farm besides looking after the business of Mr. B. R. Tillman, Jr., while the latter is in Washington. Mr. and Mrs. Bates were attracted to Edgefield chiefly on account of our splendid educational advantages. The coming among us of such people whose life and influence are a positive force for good means much to our community. Little wonder then that they are being received with open arms and open hearts.

FOR RENT: Two five-room houses. One available in December, the other January the 1st. Apply to J. L. MIMS.

Product Of Mills. The product in one day of the mills of the Longman & Martinez great work is enough to paint every house and everything made of wood in a city, with the L. & M. Pure Paint. In use thirty years; several million houses painted with L. & M. L. & M. costs about \$1.20 per gallon. The L. & M. Paint is the best and cheapest, because the L. & M. Zinc, hardens the L. & M. White Lead, and makes it paint more surface and wear for a longer time than any other paint. L. & M. costs about 1.20 per gallon. It only requires 4 gallons of this celebrated paint and 3 gallons of Linseed Oil at 60 cts. per gallon to paint a moderate sized house. Therefore a property-owner ought not pay \$1.50 per gallon for Linseed Oil, which he must do when a ready-for-use paint is bought. L. & M. costs about \$1.20 per gallon. Sold by G. L. Penn & Son.

In the fable we are told of a goose that laid golden eggs, but it strikes us that now-a-days chicken hens also lay golden eggs—that is, when they lay at all. By Christmas we know that they will be studded with diamonds and rubies and pearls of great price.

The following from the Gaffney News serves to show how worthless and dishonest are some of the people who conduct carnivals, and, furthermore, it should cause those who receive transient boarders to be cautious as to whom they give "bed and board": "The carnival is gone, and some of our people, who were inconsiderate enough to allow some of its 'nice looking' people to board with them while in Gaffney, say that some of their over-coats, pillows, bed quilts and looking glasses are gone with them."

"Uncle" John was never gayer or younger in his life than on this occasion, and the charming hostess gave abundant evidence of how she has mastered the difficult art of entertaining. The chief feature of amusement, one which all present enjoyed with unusual zest, was the "Mother Goose" contest. "SAVED MY LIFE"

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. SCOTT & BOWNE Chemists 409 Pearl St., N. Y. 50c. and \$1; all druggists. Fresh supply of Lowney's Candies in packages and bulk. TIMMONS BROS.
