TERMS:

ONE YEAR

SIX MONTHS

WEDNESDAY, JULY 31, 1907.

Firmness of purpose is one of the most necessary sinews of character, and one of the best instruments of success.—Without it genius wastes its effects in a maze of inconsistencies.— CHESTERFIELD.

The western bank president who paid \$10,000 for a worthless "gold" brick really deserves very little sympathy.

will bring a month hence?

Governor Ansel has addressed a letter to the Boards of Registration urging them to revise the books of registration. It is probable that the books in every county in the class of risks. state need to be revised.

In spite of the heat the price of coal is advancing. If the Atlantic fleet is dispatched to the Pacific coast next fall, as at present planned, coal dealers will have a pretext at least for still further advances. Nearly 100,000 tons of coal will be consumed on this long voyage.

are well satisfied with prohibition. Petitions were recently circulated asking the supervisor to order an election for the purpose of voting on the question of establishing a county dispensary, but the petition did not receive the signatures of one-fourth of the voters.

the past week and secured four- insuring was adopted by the state. gifted speakers. We regret that teen recruits. Forty young men were examined but many were rejected on account of color blindness. The examining officer stated that cigarette smoking caused injuring their eye sight.

other time for many years. The flour may be low in the barrel but natural way of propagation. there will be plenty of corn in the crib. This will only necessitate naking the hoe-cakes thicker and crib. The worker bees, which contribute the great mass of the population, live about forty-five days of the presiding officer, Hon. The climax of the day's exercise was reached when, at the request of politics being connected with the presiding officer, Hon. biscuits thinner.

the Carey-Cothran law is a prosion enabling a mayor or magistrate or other court to impose a

\$4 per gallon for the meanest less than is generally supposed, liquor made, care for a fine? A especially with the Italians. sentence to the chaingang would prove to be an effective quietus.

Electric Railway Meeting.

A meeting of the citizens will be held in the court house on Friday morning next at 11 o'clock for the purpose of discussing and an electric road connecting Edgefield with some competitive system of the Southern. When there was a possibility several years ago of getting an electric road from Edgefield to Augusta we did what we could 'o promote the cause. believing that the construction of such a road would be beneficial to our town and county. Let the people come together and discuss made suit to me, to grant her letters of administration of the estate and effects of Thomas W. Glanton, dethe matter, and see what can be done. One of the greatest needs of our town at this time is railway connection with some point appear before me, in the Court of north of Edgefield, say with Greenwood or Newberry.

A Great Day. Next Saturday, August 3rd, will be a great day in Edgefield. In the first place, the cotton weighers' election will be held, tiser, and nearly every farmer who patronizes this market will be here to cast his ballot for the candidate of his choice.

In the second place, the mambers of the Cotton Growers' association, at a recent meeting, appointed Saturday next as a time when they will re-organize and discuss the wisdom or practica. D. Mims. A finished mill in every bility of building or securing a respect. Located on my farm two warehouse for the storage of the cotton that is forced on the mar-

In the third place, in arranging Kirksey, S. C. their dates for a tour of the state the promoters of the Farmers' Union selected Saturday as the day for their visit to Edgefield. This will also attract a goodly blers. If you see our tumbiers you Swinging Chairs. We invite you number of citizens, especially from will kuy them. the northwestern portion of the county.

Fidelity Securities Company. While not engaged with duties n his office, Hon. A. W. Jones. the Comptroller General of South

Carolina, is soliciting stock in a company which, when fully organized, will do a general fire insurance business. Mr. Jones says that he is going to quit politics and that it is his earnest desire. and purpose to form a strong com-

pany that can insure a large portion of the property in this state, thereby keeping at home enormous sums that heretofore have gone into the treasuries of north-
