ROCKEFELLER'S PREDICTED SPAN OF LIFE.

July 8, 1839—John D. Rockefeller born. July 9, 1933—Date to which Mr. Rockefeller reasonably may expect to live, according to his family physician.

William Rockefeller, John D. Rockefeller's father, is still living and is ninety-four. Dr. Biggar said he sees no reason why the master of Forest Hill should not live longer than his father.

He is the best-trained athlete in the sixty-year-old class in the world today, and he's sixty-eight, at that.

NO RELIEF FROM ECZEMA.

For Over Two Years—Patent Medicines, Quack Cures, and Even Doctors Failed to Cure My Eczema.

"I was very badly afflicted with Eczema for more than two years. The parts affected were my limbs below the knees. I tried all the physicians in the town and some of the surrounding towns, and I also tried all the patent remedies that I heard of, besides all the cures advised by old women and quacks, and found no relief whatever until I commenced using the Cuticura Soap, Cuticura Ointment and Cuticura Resolvent. In the Cuticura Remedies I found immediate relief and was soon sound and well."—C. V. Bette, Appleton, Ind., Nov. 15, 1905.

A TERRIBLE EXPERIENCE.

How a Veteran Was Saved the Amputation of a Limb.

B. Frank Doremus, veteran, of Roosevelt Ave., Indianapolis, Ind., says: "I had been showing symptoms of kidney trouble from the time I was mustered out of the army, but in all my life I never suffered as in 1897. Headaches, dizziness and sleeplessness, first, and then dropsy. I was weak and helpless, having run down from 180 to 125 pounds. I was having terrible pain in the kidneys, and the secretions passed almost involuntarily. My left leg swelled until it was 34 inches around, and the doctor tapped it night and morning until I could no longer stand it, and then he advised amputation. I refused, and began using Doan's Kidney Pills. The swelling subsided gradually, the urine became natural and all my pains and aches disappeared. I have been well now for nine years since using Doan's Kidney Pills."

Laughing Song.

When the green woods laugh with the voice of joy, And the dimpling stream runs laughing by; When the air does laugh with our merry wit, And the green hill laughs with the noise of it; When the meadows laugh with lively green, And the grasshopper laughs in the merry scene; When Mary and Susan and Emily With their sweet round mouths sing "Ha, ha, he!"

When the painted birds laugh in the shade, Where our table with cherries and nuts is spread; Come live, and be merry, and join with me, To sing the sweet chorus of "Ha, ha, he!"
