WEDNESDAY, NOV. 11, 1908.

A sound head, an honest heart and a humble spirit are the three best guides through time and to eternity - WALTER SCOTT.

The death of ex-Senator Carmack at the hands of a political adversary in a pistol duel Monday is a national loss. A generation does not produce many men of Carmack's calibre.

Batesburg, Lexington, Sumter, Greenwood and other counties make a success of their annual fairs. To say that Edgefield can not do equally as well or better, is a reflection upon the people of the county.

It is an exceedingly difficult matter to get the citizens of this county, and the state at large for that matter, to cast their ballots in the general election. Only about 955 votes were polled in this county on November the 3rd, while more than twice that number of registration certificates were issued last summer.

The Edgefield Advertiser, always a good newspaper, now comes out as a sheet of eight pages, with seven columns to the page. We congratulate Friend Mims on his increased advertising patronage, which made the enlargement necessary. The Advertiser is no doubt the oldest newspaper in South Carolina. - Bamberg Herald.

That splendid weekly, The Edgefield Advertiser, has enlarged to seven columns and put in an entirely new dress of type, rules and other material, greatly improving its appearance mechanically. The Advertiser has for many years stood for the best interests of its town and section and all of its friends - and they are legion - will note with pride and pleasure the spirit of progress that animates it in this, its latest move forward - Southern Publisher.

Farmers and business men generally of our town and county, heed the call of Mr. James R. Cantelou, president of the Edgefield Agricultural Club in this issue. If we are to have a county fair next fall - and everybody says Edgefield must have one - now is the time to take the matter up and effect the organization of a county fair association, enlisting the co-operation of every farmer in the county.

Mr. Luther M. Tesh is an Old Newspaper Man. Mr. Luther M. Tesh, field secretary of the World Baraca Union, who delivered an address at St. John's Methodist church here last Thursday night, is native of Winston-Salem, N. C. He was for some time connected with the Winston-Salem Journal and later with the Merchants Trade Journal, published at Raleigh. He is well known to the newspaper folks throughout the Old North State.

Just before leaving the city the other day, Mr. Tesh said that Mr. Marshall A. Hudson, of Syracuse, N. Y., the founder of the Baraca movement, intends to spend some time here during the early part of the new year. He will attend the convention of Baracas to be held at Orangeburg and will make several addresses in other cities of the state, and may possibly be induced to visit Anderson.

During his newspaper career Mr. Tesh wrote a number of verses - always along church and Sunday school lines - and many of these were published. - Anderson Daily Mail.

Typoid Fever at Winthrop.

The authorities at Winthrop College are using every possible means to locate the cause of typhoid fever that has manifested itself among the student body. There are three well advanced cases in the hospital and seven other young ladies have symptoms of typhoid. A sample of the drinking water was sent to Baltimore to be examined but it contained no traces of infection. The use of milk from the college dairy has been discontinued until the cause of the fever can be located. The young ladies who are victims of typhoid receive the attention of the best physicians and skilled trained nurses, and no stone will be left unturned in removing the cause in order to prevent the spread of the disease.

is, by no means, the dreadful disease it is thought to be in the beginning. It can always be stopped in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it - till you are forced to. Then it is dangerous. Don't be afraid; but attend to it quick - you can do it yourself and at home. Take

SCOTT'S EMULSION of Cod Liver Oil and live carefully every way. This is sound doctrine, whatever you may think or be told; and, if heeded, will save life. CAN'T BE SEPARATED.

Some Edgefield People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health. Doan's kidney pills make strong, healthy kidneys. Geo. B. Lee, living in Lexington, S. C., says: "I have been a sufferer from attacks of kidney trouble for a good many years and during that time have taken a great many remedies. I received the best of results from the use of Doan's kidney pills and shall continue using them. It will always give me pleasure to recommend them to other sufferers." For sale by all dealers. Price 50cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name - Doan's - and take no other.

A Sympathetic Farmer.

A large touring automobile containing a man and his wife and a load of hay in a very narrow road. The woman declared that the farmer must back out, but her husband contended that she was unreasonable. "But you can't back the automobile so far," she said, "and I don't intend to move for anybody's side, I should have seen us." "The husband pointed out that this was impossible, owing to an abrupt turn in the road. "I don't care," she insisted. "I won't move if I have to stay here all night." Her husband was starting to argue the matter, when the farmer, who had been sitting quietly on the hay, interrupted: "Never mind sir!" he exclaimed with a sigh. "I'll try to back out. I've got one just like her at home." - Philadelphia Ledger.

Yesterday we fitted a customer in one of our new Red Cross models. As she left she said, "Wrap up my old ones. I'll wear these instead." "The Red Cross Shoe is comfortable the moment you put it on!" Its sole, made of specially tanned leather, is flexible. It doesn't bind, cramp or "draw" the foot. It fits like a glove and bends with your foot, just as your glove moves with your hand. This fall
