

Always Just Going to Do It.

He was going to insure his house, but it burnt before he got around to it.

He was just going to pay a note when it went to protest.

He was just going to help a neighbor when he died.

He was just going to send some flowers to a sick friend when it proved too late.

He was just going to reduce his debt when his creditors "shut down" on him.

He was just going to stop drinking and dissipating, when his health became wrecked.

He was just going to provide proper protection for his wife and family when his fortune was swept away from him.

He was just going to introduce a better system into his business when it went to smash.

He was just going to call on a customer to close a deal when he found his competitor had preceded him and secured his order.

He was just going to quit work a while and take a vacation when nervous prostration came.

He was just going to repair his sidewalk when a neighbor fell on it and broke his leg.

He was just going to provide his wife with more help when she took to her bed and required a nurse, a doctor and a maid.—Success Magazine.

State of South Carolina, County of Edgefield.

To W. R. Parks, C. Robertson and L. F. Dorn, trustees of Parksville school district, No. 28:

Whereas there has been filed with the County Board of Education of Edgefield county, S. C., a petition signed by more than one-third of the resident electors and a like proportion of the resident freeholders of Parksville school district in said county and state, requesting an election to be ordered for the purpose of levying a tax of three (3) mills on the dollar on the taxable property of said school district to supplement the public school fund for said district.

Now, therefore, you are hereby ordered and directed to hold an election at some place within the said school district as soon as can be had, after giving notice of the time and place of said election in some newspaper published in Edgefield county, and by posting notices thereof in at least three public places within such school district for two weeks prior to said election.

At this election only such electors as return real and personal property for taxation, and who exhibit their tax receipts and registration certificates, as required in general elections, shall be allowed to vote.

At said election the said board of trustees shall act as managers, and the election shall be conducted as is provided by law for the conduct of general elections. At said election each elector favoring the proposed levy shall cast a ballot containing the word "Yes" printed or written thereon, and each elector opposed to said levy shall cast a ballot containing the word "No" printed or written thereon. Within ten days after such election, if the majority of those voting shall vote for such levy, the board of trustees shall furnish the county auditor with a statement of the amount so levied.

Said election to be held at Parksville April 3rd, 1909.

Witness our hands and seals this 10th day of March A. D. 1909.
