As several prizes have been added since the list was first arranged, we publish the premium list of the floral department of the Fair again in full this week. There are more than twenty-five valuable prizes offered this year which is decidedly the strongest list ever presented.

With the beginning of this month, Dr. C. E. Burts entered upon his seventh year as pastor of the Edgefield Baptist church. At a recent called conference, without Dr. Burts' knowledge, the church voluntarily increased his salary to \$2,000.

Mr. C. M. Williams, one of the most successful wheat growers of the county, has, we understand, decided not to plant the wheat he made this year into flour but will hold it to supply the demand for seed wheat. A number of farmers have already applied to him for seed. The Advertiser man wants some of Mr. Williams' wheat for seed.

Mr. J. P. Whately, a very successful Cleora farmer, made about 300 bushels of oats this year and has sold most of them for sixty-five cents per bushel, delivered at his farm. One wagon came down from Greenwood and returned with fifty bushels. Mr. Whately has only planted eight acres in cotton this year and will gather seven bales. He expects to be one of the contestants for the oats prize.

A poor lady the other day hastened to the nursery and said to her daughter: "Minnie what do mean by shouting and screaming? Play quietly, like Tommy. See he doesn't make a sound."

First Lyceum Course.

Mr. L. S. Kernaghan and Mr. Paul Cogburn have closed a contract for a first-class lyceum course. The first attraction of the season will be the "Scotch Singers," and will appear Friday night, October 22nd. These very talented ladies, who are direct from Glasgow, are making a tour of the south under the auspices of the Radcliffe Entertainment Bureau and the people of Edgefield are very fortunate in having them come among us. No musicians have ever appeared before an Edgefield audience who were more strongly recommended than the Scotch Singers. Better arrange with Messrs. Kernaghan and Cogburn at once about your seats.

A Careful Woman.

Real Estate Agent (gating off description of house to Mrs. Fradley, a prospective tenant)—Here's the kitchen—splendid room—all modern conveniences—hardwood floor— Mrs. Fradley (interrupting)—Oh, it won't do at all. My present kitchen has a softwood floor, and the breakage of dishes even on that is something frightful.

Strong, Popular Company.

Attention is directed to the very low rate Mr. W. S. Cogburn makes in his large advertisement on our first page. He is superintendent of the Eastern Department of the Great Western Life Insurance Company and is offering some extremely desirable contracts. Those who contemplate taking a policy should consult him before doing so. It is not necessary to urge people to carry life insurance now-a-days. Everybody realizes its importance. Call and let Mr. Cogburn explain the desirable features of his policies.

Death of Mrs. Taylor.

Sunday night last at her home in the lower part of the county, Mrs. Jonathan Taylor passed away. Mrs. Taylor is survived by several children, our esteemed fellow townsman Mr. M. A. Taylor, being her son.

Introducing New Implements.

Attention is directed to the new advertisement of Messrs. Stewart & Kernaghan in this issue. They study the farmers' needs and then do their utmost to supply those needs. This progressive firm is introducing new and improved farming implements in this section. While in the hardware business in Columbia they sold many of the latest improved implements to the farmers of Richland county and there is no reason why the farmers of this section can not use these implement just as profitably as those in other parts of the state. Messrs. Stewart & Kernaghan will order what you want, if they do not have it in stock.

S. C. C. I. Notes.

Notwithstanding the accident which recently occurred at the college, in which Col. Bailey and several others were slightly injured and the gas generator house blown to pieces, everything is running along smoothly and as though nothing had happened. Col. Bailey has been in bed ever since the explosion but expects to be out in a few days. He is being greatly missed by the students and a hearty welcome awaits his appearance.

Anyone passing by the college about 4 p. m. will see several squads scattered about the campus, drilling. Those who know anything at all about "military" can readily see the wonderful progress made by the recruits within the past week. Already the guns have been issued and before many moons the citizens of Edgefield will be able to witness company drill on the public square.

The literary societies have held two meetings and everything bids fair for some warm debates before long.

A complete list of the students will be furnished when all have come.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; heavy, nervous, and cheerless, it soon disappears when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child inherits such a weakness, it is not uncommon for the child to be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Death of Mr. Sullivan.

Mr. John Sullivan, better known as "Uncle" Jack Sullivan, died at his home near Horn's Creek church Friday morning last at 7:30 o'clock. The interment took place Saturday at Republican church, Dr. C. E. Burts conducting the funeral. Mr. Sullivan was in his 95th year, and was probably the oldest citizen in the county. His general health was good up to a few days before the end. While he never united with any church, Mr. Sullivan professed faith in God and was resigned to His will. The loving attention and constant devotion of Mr. Sullivan's children to him, especially in his declining years, was beautiful. He is survived by three sons, Messrs. J. P., D. M., and S. W.
