

HALLEY'S COMET HAS COME.

The comet which has been eagerly awaited for many months comes along only once every 75 years but our Bargain Days come every day in the year. We have been in Edgefield 9 years and have steadily built up a large business. This would not have been possible if we did not give **GOOD VALUES**, make **REASONABLE PRICES** and stand squarely behind every piece of merchandise we sell. Our spring stock is very large. Packed to the ceiling! Overflowing! Every available foot and inch of space occupied with the greatest stock of merchandise ever seen in this section--that is the condition of our store now, and during the life of this sale we will offer the best in merchandise at such sweeping reductions as will compel the admiration and quick attention of the buying public.
