The writer saw Master Harry Strom's prize acre of corn Friday. It is exceedingly promising and with favorable conditions the acre will make an enormous yield. Harry has a perfect stand. The stalks are strong, well developed and the color is ideal for corn. We are expecting a very fine report from Harry in the fall.

The Beautiful Triplets.

Wherever the three little girls, triplets, of Mr. and Mrs. W. F. Vance go, they are always the centre of attraction. They were at Red Hill during the convention last Thursday and on every hand they were petted and caressed, being greatly admired by old and young. Their names are Effie, Eva and Ethel. They are all the same size, look alike and are always dressed alike. The wonder is how even their parents can tell one from the other.

Well Kept Cemetery.

While passing Philippi church Saturday the editor of The Advertiser was deeply and very favorably impressed with the excellent manner in which the people of that community keep the cemetery. It has been enclosed by a heavy, artistic iron fence and every portion seems to receive constant attention. We did not observe a neglected square in the entire enclosure. In this particular, the good people of Philippi set the other churches of the county an example worthy of being followed.

Unprofitable Season.

With the heavy shipping season practically over, the Clark's Hill peach growers can now take a rest, and incidentally figure out their net profits. While much fine fruit has been grown this year, shippers say the season has not been altogether satisfactory. Peaches have not commanded prices that comported with their very excellent quality. This was especially true of the Elbertas, the supply at the time being greater than the demand. Mr. L. G. Bell, one of the Clark's Hill peach growers, told the writer Sunday that he shipped 250 crates last season and made more money on them than he did on 650 crates this year. From these figures one can form some idea of how unsatisfactory the season has been.

Organ Recital.

Friday evening was a most auspicious occasion for the organ recital given by the Misses Bush of Spartanburg, in the Baptist church. These accomplished and beautiful young ladies are nieces of Mrs. A. B. Broadwater and have received many pleasant social attentions since their stay in our midst.

The Baptist church on Friday evening was full of an interested and expectant audience, anticipating an hour's musical treat. Miss Ola Bush is a graduate and post graduate of pipe organ at Converse college, and delighted all who heard her tasteful and skilled manipulation of the organ. Her selections were of varied style and all pleasing.

Miss Annie Bush, graduate of Converse College school of singing, gave a number of beautiful and attractive vocal selections. The whole evening was one of enjoyment, and the people of Edgefield are greatly indebted to the Misses Bush for their gracious service.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.
Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Nights of Unrest.

No Sleep, No Rest, No Peace for the Sufferer From Kidney Troubles.

No peace for the kidney sufferer—
Pain and distress from morn to night.
Get up with a lame back,
Twinges of backache bother you all day.
Dull aching breaks your rest at night.
Urinary disorders add to your misery.
Get at the cause—cure the kidneys.

Doan's kidney pills will work the cure.

They're for the kidneys only—
Have made great cures in this locality.

Mrs. B. F. Matheny, 934 Barnes street, Augusta, Ga., says: "I am very glad to say that I have used Doan's kidney pills with great benefit. I was a sufferer from backache and pains through my loins and kidneys and I could hardly get around for days. It was almost impossible for me to rest, I had but little strength or energy and suffered from headaches. I spent a lot of money doctoring, but did not get satisfactory results until I heard about Doan's kidney pills and procured a box. Since using them my back does not pain me and my kidneys are normal. I now feel like a different woman and have told many of my friends about Doan's kidney pills."
