Very glad to say that I have used Doan's kidney pills with great benefit. I was a sufferer from backache and pains through my loins and kidneys and I could hardly get around for days. It was almost impossible for me to rest, I had but little strength or energy and suffered from headaches. I spent a lot of money doctoring, but did not get satisfactory results until I heard about Doan's kidney pills and procured a box. Since using them my back does not pain me and my kidneys are normal. I now feel like a different woman and have told many of my friends about Doan's kidney pills."

TWO IMPLEMENTS

The Farmers Need

When you buy an implement you want the best, especially when you can get the best on the market at a very reasonable price

We want to call your especial attention to Deere's Universal Disc Harrows.

They are not only strong, being made of the best material, but they are Adjustable and Reversible. Call and let us explain to you the advantages that the Deere harrows have over other harrows on the market. Can furnish any disc.

THE DEERE STALK CUTTER

is an implement that is being appreciated and valued more highly by farmers each succeeding year. One great advantage that this cutter offers is the elimination of the jolting and jarring to both driver and team. Heavy springs are so attached and adjusted as to break the force of the constant jolting of the blades. The Deere Stalk Cutters have steel frames and can stand the roughest use.

We want to keep in close touch with the farmers and will always take great pleasure in explaining every detail of the implements we sell.

It should be the chief aim of the progressive farmer to equip his farm with implements and machinery that will minimize labor and at the same time do the work in the best possible manner. We stand ready to co-operate with them in accomplishing this purpose. Call to see us when you come to Edgefield.

All points for this plow that break will be replaced with new ones.
