

WEDNESDAY, MAY 17, 1911.

Office, No. 61.

Residence, No. 17.

Miss Annie Colgan of Trenton is visiting Miss Mellie Russell.

Mr. A. F. Nixon made a business trip to Atlanta last week.

For Sale—A good male. Apply T. care of the Advertiser.

Col. P. B. Mayson left Monday to spend a fortnight visiting different places in Florida.

Miss Edwardina Blalock is at home from Converse college for the summer vacation.

Miss Mattie Lyon is at home for the summer, having closed her school near Williston.

Mrs. Ida May Blount, a very attractive lady of Grovetown, Ga., is visiting Mrs. F. F. Mosely.

Rev. P. B. Lanham will preach at Horn's Creek church in the afternoon of the 4th Sunday at 4 o'clock.

Friday night of commencement will be the best night of them all. Do not fail to go. Better get tickets early.

For Rent: Two very desirable large front rooms upstairs, gas lights, hot and cold water. Apply to N. M. Jones.

Mrs. J. P. Nixon, of Clark's Hill, has arrived to spend the commencement season with her mother, Mrs. Hattie Lanham, and sister, Mrs. W. H. Dorn.

Our millinery department is filled up with all the newest hats and you can find any style that you are looking for and the prices are about one half the regular price. C. H. Schneider, next to Mercantile Co.

An examination will be held June 3rd for the purpose of selecting a carrier to succeed Mr. A. A. Glover on route three. There will be a half dozen or more applicants.

Mr. A. A. Glover, accompanied by his family, left Sunday for North, S. C., to reside permanently. Their Edgfield friends regretted deeply to give them up.

By attending the exercises at the college on Friday evening you will not only be highly entertained but will contribute to the supporting of a band to be composed of Edgfield boys.

Since reaching Bellevue hospital in New York, Dr. A. R. Nicholson has been appointed intern of the hospital by Dr. Wylie. This is quite a distinct honor conferred upon our young friend.

Mrs. Walter Cartledge of Huntington, Fla., has returned to her home after spending several weeks with her parents, Mr. and Mrs. S. Cheatham. Miss Mattie Emma Cheatham went to Florida with her sister to spend several weeks.

Take a drive from Edgfield to Johnston if you wish to see some fine corn. The corn of "Uncle" Frank Warren, Fred Stillwell and John Hoyt seems to be in a race for first place, and it is nip and tuck as to which leads.

The annual Children's Day exercises will be held at McKendree next Sunday. We regret our inability to accept an invitation to attend. The writer has shared the pleasures of the occasion for several years but will be unable to do so this year.

Mr. T. L. Martin of Spartanburg is visiting his sisters, Mrs. M. DeLoach and Mrs. Abner Broadwater. As Mr. Martin is quite gifted in the art of tuning pianos, those whose instruments need attention should engage his services before he returns.

Surely no one will stay away from the college Friday night just because an admission fee is to be charged. Every other night of the commencement which will cost nothing is also really worth a half dollar. Go Friday night and thereby help pay the balance due on the band instruments which will belong to the town.

Our young friend James O. Sheppard, who is now a member of the senior class of the South Carolina University, came over to attend the marriage of his sister, Miss Maxie Sheppard last Wednesday, returning to his studies the next day. It is probable that our young friend will engage in newspaper work for a season after graduating.

We are pleased to announce that Mrs. Jessie Mellichamp and Miss Viola Mellichamp, mother and sister of Mr. C. M. Mellichamp, have come to make their home at Red Hill, where Mr. Mellichamp is making a success of his mercantile business, being associated with Mr. Ernest Quarles.

The Advertiser is greatly indebted to its faithful correspondents for sending in such bright, well-written news letters. Nothing pleases the editor more than to be able to give the county news every week. The Advertiser must be known as the COUNTY newspaper, giving the neighborhood news of every section of the county.

Mr. C. J. Hill and family, of Aiken, were guests at the home of Mr. J. U. Rives on Sunday last.

Do you not think Col. S. B. Mays looks quite young to be called Grandpa Mays? Yet it is true. His son, Mr. Arthur Mays, who resides in Amarillo, Texas, has a fine boy.

For the benefit of our customers, we have engaged a milliner and we would be glad for you to give her a trial. C. H. Schneider, next to Mercantile Co.

Which one of the corn contestants is it whose corn grows so rapidly that he stands a yard-stick up by a stalk late in the afternoon and notes the next morning how many inches it has grown during the night?

Mr. and Mrs. James T. Ouzts, of Elmwood celebrated the 55th anniversary of their marriage on Sunday last. All of their children were present to share in the pleasures of the happy occasion except Mrs. G. T. Asbill. We trust that our good friends will be spared many more years.

Anyone in Johnston who would like to have a photograph of the new church can procure one from Mr. S. J. Watson at the Bank of Johnston. He has a limited number that were sent him by the photographer at Edgfield. The price is only 25 cents, a mere pittance.

A new shipment of men's and boys' clothing just arrived. Special prices are offered. C. H. Schneider, next to Mercantile Co.

The low condition of the streams, as well as the many falling wells, indicate how extremely dry the earth is. Mr. G. G. West says Turkey Creek is so low that a man can step across the stream at Reynolds's ford. He does not remember to have seen it so low at any time in the past.

50 hats in all the leading shapes a bargain at \$6.50, our price now \$2.98. 75 hats nicely trimmed retails at \$2.75 and \$4.00, our price \$1.98. C. H. Schneider, next to Mercantile Co.

Three bright young men from this county, Dr. G. N. Bunch, of North Augusta, Dr. C. C. Fuller of Longmire and Dr. F. P. Byrd of Edgfield, recently graduated from the Atlanta Dental College. Dr. Fuller will locate for a short time at McCormick and Dr. Byrd will remain in Edgfield until the regular meeting of the state board of examiners, but has not definitely decided where he will locate permanently. We are not informed as to the plans of Dr. Bunch.

Paid Him to Advertise.
Mr. L. Y. Bryan says he has profited by advertising his pasture in our columns. Not only is he pasturing stock for parties who reside in different parts of the county but he has a dozen or more from Aiken, Mr. Bryan now has more than 50 horses in his Horn's Creek pasture, but its supply of grass is so inexhaustible that he could receive that many more.

Mr. and Mrs. Benjamin Lovick Mims in Beautiful New Home.
As briefly announced in our last issue, the marriage of Miss Sarah Maxwell Sheppard and Mr. Benjamin Lovick Mims, which occurred Wednesday evening at the home of the bride's parents, Ex-Gov. and Mrs. J. C. Sheppard, was very quiet on account of sickness in the home.

Immediately after their marriage, Mr. and Mrs. Mims went to their beautiful new home, where a reception was tendered the young people of the town. The elegantly furnished bridal residence was very tastefully decorated for the happy occasion. The evening was most pleasantly spent by the young people present. Delightful refreshments were served in courses.

No two young people in Edgfield have been more genuinely beloved than Miss Maxie Sheppard and Mr. Lovick Mims. The bride has won universal popularity through her amiable and very gracious manner, together with her truly womanly graces and superior qualities of mind and heart. The groom, now one of Edgfield's foremost young business men, is the soul of honor and uprightness of character, which gives him high place in the confidence and esteem of his fellow men.

Ensnored in their elegant new home, which nestles in the beautiful pines, no Edgfield young people have embarked upon the matrimonial sea with a brighter and happier outlook for the future than Mr. and Mrs. Mims.

School Picnic.
The central Meriwether school taught by Miss Georgia Powell, quietly closed last Friday May 13 with recitations from the pupils and a charming address from the teacher. After dinner they spent a delightful evening in the fresh spring woods gathering flowers and eating strawberries. Miss Powell left the next day for home. Her many friends whom she won during the school session, regret that she was obliged to leave them so soon. We fear Miss Powell will miss her little pupils very much but not more than they will miss her. We wish her much success in her new work.

Honor Roll.
Roll of honor of Edgfield graded school for the 7th and 8th grade for month ending May 17th.
7th grade: Jennie Simkins, first, Mell Burgess, second.
8th grade: Lizzie Roper, first, Adelia Britt, second, Gladys Padgett, third. A prize was awarded Lizzie Roper for punctuality. Prof. Breedin of the S. C. I. in a happy little speech, made the presentation.

Engagement Announced.
Senator and Mrs. B. R. Tillman have announced the engagement of their daughter, Miss Sophie Oliver Tillman, and Mr. Henry Wise Hughes. The marriage will occur the latter part of June.

While a student in Edgfield Miss Emmie gave evidence of possessing unusual musical talent and now we congratulate her upon having completed her musical education.

Philippi: J. H. A. Williams, Butler Derrick and G. W. Johnson.
Elmwood: M. B. Hamilton, M. A. Watson and James DeVore.
Cleora: W. T. Reel, J. L. Hill and Robt. W. Christie.

Trenton (South): B. J. Harrison, M. H. Herlong and W. R. Ryan.
While not as much wheat is being grown as should be, yet we have reason to believe that the contest will greatly increase the yield over that of several years ago. From reports that come in some of the prize acres are very fine.

The Play Friday Night.

On Friday night the class in expression will present a play entitled "Emeralda" in the college auditorium. There are four acts to the play and it will afford delightful entertainment for all who attend. This is the only pay night of the commencement and it is quite certain that, as heretofore on these annual occasions, the auditorium will be crowded to its utmost capacity. Better secure your tickets early. They are on sale at Penn & Holstein's. Besides being highly entertained by the beautiful little play, which will last for an hour and a half, all who attend Friday evening will contribute to defraying certain unavoidable expenses incident to the commencement, such as paying railroad fare, etc. Better get your tickets early. The rush will soon be on.

Death of Mrs. Sossaman.

The announcement of the death of Mrs. L. S. Sossaman which occurred in the hospital in Atlanta last Friday, caused much genuine sorrow among her friends here. Mrs. Sossaman underwent a surgical operation two weeks before her death, having been in bad health for some time before. She is remembered in Edgfield as a noble Christian woman, being a very zealous member of the Methodist church while here.

Gone to Cooler Climate.

Mr. J. C. Sheppard, Jr., whose low state of health for the past year has been a matter of deepest concern to his almost numberless friends, is better than he has been for some time. He left for Asheville Tuesday to remain throughout the heated term. Mr. Sheppard was accompanied by his father, Ex-Gov. J. C. Sheppard, and his training nurse. The latter will remain with him. While Mr. Sheppard is in Asheville he will stay at the Biltmore sanitarium which has been erected and splendidly equipped by Mr. Geo. W. Vanderbilt, the multimillionaire who has done so much for Asheville. We hope that John—as the writer prefers to call his young friend—will return at the close of summer greatly strengthened and improved in health.

Do Ghosts Haunt Swamps?

No, never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs in the blood. Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., and I've had fine health ever since." Use this safe, sure remedy only 50c. W. E. Lynch & Co., Penn Holstein's, B Timmons.
