

Clark's Hill News.

(Written for last week.)

On Wednesday night Mr. and Mrs. F. A. Sale gave a delightful little party for the young people. On account of the rain not a large crowd was able to attend. Delightful refreshments were served of cake and ice cream.

One of the most enjoyable affairs that has been here for some time was the "tacky" party at the home of Mr. and Mrs. I. W. Sharpton on Thursday night. All came from about 8 to 9 o'clock dressed in the most tacky garb that has ever been unearthed in Edgefield county for the past century. Games such as "Bingo," Cross questions and crooked answers, "Going to Jerusalem" and others were played out in the hall and spacious front piazza, while in the parlor Misses Ethel Hughes and Emma Mims entertained on the piano with some favorite select'ns. Refreshments of pickle and crackers, cake and different kinds of ice drinks were served in the parlor in the most becoming style. After this came the decision of the judges and we can say right here they had a hard time deciding but after duly considering the points of each one's dress they decided in favor of Miss Annie Laurie Walker and Mr. John J. Muldrow. A bottle of Hoyt's cologne was awarded to the former and a box of sardines to the latter.

A number of people from here attended divine services at Red Oak Grove Sunday. It was the beginning of one of those good old protracted meetings they have over there.

All the peaches are entirely gone now, a few August culloms were shipped the first part of the week from which a very fine price was realized.

Crops are in very good condition but still suffering for the want of rain. Why will not the landowners stop cleaning up their lands, so we can at least get some rain in the proper seasons. The fear is now that all this rain which is being held back will come when cotton is open and it is time for general harvesting.

A number of guests have been in town at the home of Mr. and Mrs. S. T. Adams. Quite a little house party has been in order the past week. Among the guests present were Miss H. H. Wright, of Greenville; Misses Annie Laurie and May Walker, of North Augusta; Mrs. M. M. Bradley and her sons, Moore and Elvin, of Bradley; Mrs. H. H. Hester, of Calhoun Falls; Mrs. M. C. Faggart, of Greenwood; Mrs. J. G. Meriwether and her son, Robert, of Allendale; Misses Eva and Effie Adams and their brother Robert, of Colliers, and Miss C. Meriwether, of Montmorenci. All have returned to their homes except Miss Meriwether, Mrs. Meriwether and son.

Miss Ethel Hughes, of Hephzibah, is visiting at the home of Mrs. D. W. Sharpton.

Mr. Sam Sales of Augusta visited his friend, Mr. John Sals, this week.

Mr. V. S. Maree is visiting at the home of his wife's mother, Mrs. M. B. Rich.

Mr. James Wright, of Calhoun, is visiting relatives.

Mrs. J. C. Luke, of Augusta, visited her mother, Mrs. Eugenia Middleton, this week.

Dr. S. G. Meriwether, of Allendale, is visiting his daughter, Mrs. F. G. Middleton. This was Dr. Meriwether's old home until he moved to Allendale to live with his son about 5 years ago.

Mr. and Mrs. W. Rowland and family of Augusta, who are summing here have gone away for a pleasure trip. Mr. and Mrs. Rowland will go to New York and Boston, and Miss Agnes will go to Athens, Ga. They will be gone about three weeks, then return to this place for the rest of the summer.

Miss Ella Kate Adams has gone to Ashville on a pleasure trip.

Messrs. Hugh and Harry Adams have gone to Edgefield to take in the sights of that great metropolis.

Attacks Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. They are the best blood purifier, writes C T Budahn, of Tracy, Calif. I have ever found. They make rich, red blood, strong nerves and build up health. Try them. 50c at Penn & Holstein, W E Lynch & Co., B Timmons.

Accused of Stealing.

E E Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from boils or piles. Thirty Years Together.

Thirty years of association, think of it. How the merit of a good thing stands out in that time, or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequal for grippe, asthma, hay fever, croup, quinsy or sore lungs. Price 50c, \$1.00.
