JAMES FRANK & SON Augusta, Ga.

DIDN'T UNDERSTAND.

Robson—I understand that you have a great deal of fret work in your home.
Snobson—I don't see the necessity for driving my wife into the conversation.

A BASEMENT KITCHEN, TOO.

The Mistress—Mary Ann, has the furnace gone out?
The New Cook—If it has, mum, it must have gone out through the cellar windy, cos it ain't come through here, mum.

HARD BUSINESS.

Jennie—I suppose in your business of bill collecting nearly every man asks you to call again.
Jack—No; most of them dare me.

GOOD WAY.

Tom—I've got a grudge against Jackson, but I'm going to get even with him next Christmas.
Jack—How?
Tom—Going to send his boy a file and drum.

HARD ON TOM

Tessie—Tom has a soft spot in his heart for me.
Jennie—Why so?
Tessie—He says he is always thinking of me.
Jennie—A man doesn't think with his heart. The soft place must be in his head.

Just received one car load each numbers one and two shingles.
W. W. Adams & Co.

ITS STRONG POINT.

De Auber—Yes, I've just finished that painting. Do you like the perspective?
Orville Blunt—Yes, it's great. The further away you stand from it the better it looks!

HOW IT HAPPENED.

Tom—Was it case of love at first sight?
Harry—No—first call. She was a telephone girl, and he was taken with her voice when he first heard it.

THEN THEY HAD IT.

The Mistress—Mary Ann, has the furnace gone out?
The New Cook—If it has, mum, it must have gone out through the cellar windy, cos it ain't come through here, mum.

HARD BUSINESS.

Mrs. Henpeck—Mr. Highfliter never takes his wife out in his automobile.
Mr. Henpeck—I guess he doesn't care to have two unmanageable things on his hand at one time.

HE WAS WISE.

Conductor (crowded street car)—Move forward, please!
Passenger—Not on your life. This lady sitting here is my wife, and if anyone sits in her lap it's going to be me. I'm wise to this road's curves, all right.

THEY PRODUCE HEAT.

Mr. Smith—My boy at college is going to have a hot time this year.
Mr. Jones—Think so?
Mr. Smith—Sure of it. I am going to give him a Turkish bath cabinet and a sweater.

If you love your wife buy her a new Perfection oil cook stove.—

USED UNIVERSALLY

CORTRIGHT METAL SHINGLES

WHEN Cortright Metal Shingles were first introduced (24 years ago) you had some excuse for being sceptical: But now— If you are sceptical it can only be because you do not know the facts in the case. They are used today from the Atlantic to the Pacific for all kinds of buildings, under all conditions. They are fireproof, stormproof; never leak and last as long as the building itself without needing repairs. For further detailed information apply to
