First Shipment Kentucky Horses and Mules

We have just received our first shipment of mules
and horses for the season. This stock was bought in
person by Mr. Wilson at his leisure. In the lot you
can find anything you want in driving and saddle
horses, also some good brood mares. Would like for
you to see the gentle ponies suitable for child's use.
Our mules are decidedly the best bunch we ever ship-
ped. Some extra good large teams among them.

Notice to our Customers

Owing to the scarcity of room
and wanting to give our cus-
tomers the advantage of the
extreme low price, for the
next few weeks we will sell
cotton seed hulls at 30c. per
hundred or \$6 per ton for
cash, or 25c per hundred or \$5
per ton in exchange for cot-
ton seed

This being an extreme low
price we would advise our
customers to stock up for the
winter's needs, as soon as
they can find room for these
hulls
