Will The REAL FREEMEN Uphold Wilson's Hands?

Woodrow Wilson has refused emphatically to accept contributions to his Campaign Fund from the Interests, from corrupting influences, from any questionable sources.

He has given us, the Democratic National Committee, to understand that he will go into the White House with clean hands or not at all.

Who Is Getting The Money of The Trusts?

So sure has been Wilson's stand, so well known his incorruptible purpose, that no private interests have dared to approach either our candidate or his committee.

We have not been offered a penny by the trusts, and we certainly have not solicited a penny from them. The money of the Interests is being spent against Wilson. No matter for whom—we need not discuss that here—it is now common gossip that the money power of the nation is being used in an attempt to defeat Woodrow Wilson.

What Is a "People's Campaign?"

We are addressing ourselves to the real freemen of America, the upright, Progressive Voters of the country who are doing the work of the nation and not the work of trusts and bosses.

We realize that the salvation of every righteous cause rests with you.

Often this cry of a People's Party or a People's President is raised by the very forces we seek to defeat and whom we must and will defeat. But look to our standard and our standard bearer and decide yourself as to which is the People's Campaign and must, therefore, be fought with the People's money.

Woodrow Wilson Has Clean Hands

Woodrow Wilson is the cleanest man in national politics. He came of illustrious forefathers, who laid by blood and heredity the foundation of a future President through generation after generation of upright record.

If Wilson is to be elected it must be by clean money and there is only one source of such money—from the voters of the country who realize the importance of having a government uninfluenced by the almighty dollar.

Wilson's hands are clean. Will you uphold them?

How Much Money Will You Give? How Much Can You Raise?

There are big campaign expenses to be met if we are to win on Election Day in November. We must tell the voters of the country about Wilson, what he is, what he has done. We must show them his record. We must show them his platform. We must point out to them the features of his platform which mean so much to this nation. This great work will cost a lot of money. We must meet the usual heavy toll necessary to present a platform and a candidate to a hundred million.

Your dollar, your \$5, your \$10, your \$20 is needed. And don't mistake—we want the man who can only afford the one dollar. We need him. We need the woman who can

only give one dollar. We believe in this kind of loyalty—it's the kind that wins.

Let every one contribute to the Woodrow Wilson Campaign by the first mail. Let's have a big fund as the corporations can supply the other parties. For the people are mightier even in money than the Combinations—when they get together.

A Call To Those Who Will Club Contributions

No live progressive voter can do more for Wilson's cause than to head a list with his own contribution and then to have his fellow-workers and friends swell the total with their names and money.

If you work in an office or factory, mill, warehouse, on a railroad, ranch or farm, start the ball rolling. Line up the Wilson men. Sign up as many contributions as you can. And mail to us.

Bridges Time and Space

IT WAS A QUESTION of life or death and the victim's life hung by a slender thread. A difficult operation was necessary. To be successful the operation must be performed at once. The services of a specialist were required, but he was in a distant city.

The specialist was reached over the Long Distance Bell Telephone, the case described and the operation arranged for.

The sufferer's life was saved through the ability of the Universal Bell Telephone Service to bridge time and space.

By the way, have you a Bell Telephone?

No Clap-Trap Schemes Used by Us In Securing Sales

In this day of hustle and bustle in nearly every line of trade we find some hot air plan adopted to secure sales. The placing of fictitious price upon an article and then giving a check to a customer upon the purchase price, provided the article is bought within a short or limited time, too often entraps the unwary buyer, and makes him think he is getting a large amount as a gift upon the purchase when in fact he is paying more in the end than the article is worth. The puzzle contest, guessing contest, and endless methods are used. The United States government has now condemned the giving of certificates of the puzzle contest. Pianos are advertised at \$375 and a check is given good on the purchase of a piano when in reality the instrument is not worth \$200. We have no dope to administer in the way of a great bargain chance. We do give you the value of your money and give all a square deal. We sell pianos and organs and ask that you keep this in mind. We can give you two years' distribution of payments. Satisfaction guaranteed.
