WEST SIDE NEWS.

Grain Injured. Farmers Backward. Plum Branch Steadily Growing. Account of Re-union at Aiken.

We are at this writing having some March weather and we fear the cold weather and the dry combined, will not be good for the oat crop. I can see the effects on the early oats, and the late sowing is needing rain. We had a light shower yesterday but not enough to do any good, as the wind followed it, and it does not show to-day. Our farmers are as backward or worse, than last year, but we are still hopeful that the weather and conditions will improve in the near future.

Our town is in the swim and I think I can say in the lead—not exactly on a boom, but continues to advance. Lots are being bought and sold every few days and plans are being arranged to build this summer.

The health of our town is good. There is some sickness out of town. Mrs. Hampton Parks was taken to the hospital last week to be operated upon and last accounts were that she was doing well.

Mr. Len Lyons was also taken to the hospital for an operation to be performed last Wednesday night and at the last accounts he was getting on nicely. Mr. James Adams is up and able to go out in town and we hope to see him as stout as formerly. Uncle Jimmy thinks he can work when he is well but like some others of us old fellows, he must know the old saying "Once a man, twice a child." We have past the meridian and must submit to nature's call. Sit down under the shade trees and rest and meditate and be thankful that the good Lord has been good to us, and the one great question comes up, "what have we done to merit these three score and fifteen years and still the promise of more days." We the old soldiers went to Aiken and had a good time. I did and every one that I met appeared to enjoy the meeting and especially the hospitality of the people of Aiken. They fed bountifully and furnished sleeping to all that applied. There was one unpleasant incident. One of the old soldiers was run down by an automobile driven by a lady and I heard that he died Wednesday night. We heard several good speeches. Among the speakers was the Hon. John C. Sheppard. He was orator of the day and gave us one of his good talks, such an one as he is able to give. Yes and Coley was there with body guard rigged out with their paraphernalia which I must admit did not create any excitement of note. Yes Coley made a short talk and very appropriate with a little touch of politics but nothing to mar the occasion. The occasion as I look at it, is solemn and really is a sacred occasion. The old men are passing away and soon there will not be one to celebrate the re-union, only the sons and daughters. They should every year meet to celebrate and perpetuate the memory of their fathers. There was one thing that was noticed by some of us and that is there was no drinking or drunkenness anywhere among the old soldiers or any one else. It has been said that old soldiers at the re-union some times would get drunk. I am happy to say there was none of them drunk at Aiken. I did not see them, and it was not because they could not get the whiskey. The dispensary was closed and I give the people of Aiken credit for closing it. I did not see a man drunk the two days I was in the city.

I was anxious to have a talk with the governor and deny to him that the information given about J. R. Bodie saying that he would not vote at the general election, for if he did he would have to vote for Cole L. Blease and that he had rather vote for a negro than Blease. Mr. Bodie did vote at the general election and he did not make the remark, and I know J. R. Bodie and am more than satisfied that he did not say anything like it. I am here to say that it is a falsehood out of the whole cloth, and I am here to say that any man that will maliciously lie will steal, if it was not for fear of the law. The parties who started it are spotted and the most of our people know them. I have learned from a reliable source that one of the parties so designated did say that Mr. Bodie made the remark. Now which of the three informed the governor? That will out sooner or later.

Don Carlos.

Plum Branch, S. C.

Treat your eyes fairly. Do not deny them the help of a pair of glasses if they need it. Remember you will need them for a long time.

Miss Lillian Fitzmaurice Will be Married in Columbia this Evening.

An event in which much of the social interest of the season centers will be the marriage of Miss Johanna Lillian Fitzmaurice, daughter of Mr. and Mrs. John Fitzmaurice, and Dr. William MacIntyre of Savannah, Wednesday evening at the home of the bride's parents on Laurel street. The marriage ceremony will be performed by the Rev. T. J. Hegarty of St. Peter's church, assisted by the Rev. J. J. Hughes. The bride will be attended by her three sisters, Mrs. James Strom Byrd of Edgefield, as dame of honor, Miss Katherine Fitzmaurice as maid of honor and Miss Ethel Fitzmaurice as bridesmaid. Her only other bridesmaid will be her cousin, Miss Marie Brady. Dr. Pinckney Groover of Savannah will attend the groom as best man. Dr. Hunter and Dr. Edwards of Savannah will be the groomsmen.

In honor of the bride who for several years has been the leading soprano of the choir of St. Peter's church, the "Bridal Chorus" from "Lohengrin" will be sung as a pre-occupational.

Miss Fitzmaurice is a general favorite with the members of the choir, who requested that they might sing at her wedding, and is popular here in Columbia among a wide circle of sincere friends. Dr. MacIntyre, who also has a number of friends throughout the state, is one of the successful druggists of Savannah where the young people will make their home.—Columbia Record.

Aid The Kidneys.

Do Not Endanger Life When an Edgefield Citizen Shows You the Way to Avoid it.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headache, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's kidney pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney disease, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Edgefield testimony:

Mrs. K. L. Lowe, Cedar Row, Edgefield, S. C., says: "I received great benefit from one box of Doan's kidney pills and I am therefore willing to recommend them. My back had bothered me for months and I became weak and run down. I knew that my kidneys were disordered and as Doan's kidney pills had helped another member of my family, I did not hesitate to take them. They brought me prompt and positive relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Coughs and Consumption.

Coughs and cold when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living to-day." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by Penn & Holstein, W. E. Lynch & Co.

HOW PAINT.

The first cost of a good job of paint—Devoe—is \$50 (average size, of course). The first cost of a second or third or fourth rate job, \$55 to \$100.

The wear is likewise. The better you paint, of course, the longer it wears. And the more you pay for your job, the shorter it wears!

Devoe is one of a dozen good paints. There are hundreds of bad ones. As likely as not, Devoe is the only good one in this town. Stewart & Kernaghan sells it.

For farm wagons there is nothing better made in this country than the celebrated Studebaker wagons. Ask the man who uses one what his opinion is. Use a Studebaker once and you will always use them.
