A musical will be given by the ladies of Episcopal church of Trenton Wednesday evening, July 16, at the home of Mrs. James D. Mathis for the purpose of raising funds for the missionary work of their church.

Almost before a permanent organization of the Chamber of Commerce was effected, dirt was broken for a "skyscraper" fronting on the public square. Surely much greater things will follow after the organization is well on its feet.

Miss Madge Turner has been spending the past week with Mrs. W. E. B. Tompkins and with friends in Edgefield. We frequently speak with pride of the young men of Edgefield who have gone out and are making good. Miss Madge is a daughter of whom Edgefield is justly proud. She has achieved distinction as a musician. No visitor in Edgefield for a long time has been so cordially greeted than Miss Madge.

When they left home these young men expected to remain some time in the west but failed to find the people and conditions as they expected. The financial stringency is greater in Arkansas than it is in South Carolina. No one can be blamed for returning to Edgefield, especially from the far away west.

**In Honor of Miss King.**  
Mr. Julian D. Holstein, Jr., entertained about a score of his young friends Friday evening very beautifully in honor of Miss Mary King of Greenwood, this being the leading social event of the past week. **Serious Damage by Hail.**  
Along with the refreshing rain Saturday afternoon, a severe hail storm visited the section about midway between Edgefield and Harmony. Farmers residing in the section extending two or three miles southward from the county home suffered more or less serious damage. The hail-stricken section is approximately one mile in width. In some places both corn and cotton were practically beaten in the ground, the loss being similar to that which was experienced by the farmers in the Cleora section several years ago. Mr. S. E. Morgan's cotton was also damaged but not so seriously as that in the Wright section east of Edgefield. Mr. Morgan carried hail insurance on about 10 acres of cotton which was damaged. Some portions of the hail-stricken section the injury is so serious as to be distressing, it being now too late to replant. Those who have thus suffered have the profound sympathy of their neighbors and friends.

## Mr. Grover McDaniel's Maiden Speech in the Union Meeting at Modoc.

Query: How can we raise the standard of our church fellowship? First, let us decide what church fellowship is: brotherhood, companionship, brotherly love, and good and kindly feeling for another. Next, the way to raise this to a higher standard is to cultivate it according to the word of God. To cultivate fellowship with God we must come unto him and be born again, for whosoever believeth in Him shall not perish but have everlasting life. So then that we are born again of water and of the spirit we have fellowship with God.

Second, cultivate fellowship with Christ. So then that we have been made whole by Christ, let us sin no more that we may have power to lead others to Christ. All men should honor the Son even as they honor the Father. He that honoreth not the Son honoreth not the Father who hath sent Him. He that hath the Son hath life and he that hath not the Son of God hath not life. And this is the confidence that we have in Him that if we ask anything according to His will, He heareth us, and if we know that He hears us whatsoever we ask we know that we have the petition desired of Him.

Third, cultivate fellowship with one another. John 15:10: This is my commandment that ye love one another as I have loved you. Let love of the brethren continue. Finally be all like minded, compassionate, loving as brethren, tender hearted, humble minded, not rendering evil for evil or reviling for reviling but contrariwise blessing; for hereunto were ye called, that ye might inherit a blessing. Then also I would say that we cultivate the spirit of forbearance and forgiveness towards the brethren, practical to one another and be less critical.
