
THE

Advertiser Job Office

THE beginning of 1915 finds The Advertiser better equipped than ever before for doing all kinds of printing on short notice, and in the most approved manner.

Our mechanical department is well supplied with everything that is needed to print anything from a visiting card to a full page circular. Every job that is sent to this office receives the most careful attention and satisfaction is GUARANTEED or your money will be refunded without a word if for any reason you are dissatisfied.

We use only the best material. Large shipment has just been received. Come in and let us show you how well equipped we are for turning out up-to-date work of all kinds.

Do not send your orders away from home. Every dollar you send away for printing impoverishes your home town to that extent and contributes to the upbuilding of some other town.

A share of your printing business for 1915 is solicited.
