WAR, with its hideous loss of life and property, teeming graveyards, orphaned children, famine, plague and untold human suffering, coming from the clear sky of peace, is the subject of world-wide comment and wonder.

The European War at a Glance A Book of Facts

Tells the complete history of all the Powers of Europe in a nutshell---gives statistics of the wealth, war strength, military and naval, of the European countries, at a glance.

This publication will post you fully on a subject which is the gravest menace in all history, and which will probably change the map of the entire world.

Woman's World

Woman's World has more subscribers than any other magazine published, over two million a month. Its articles, its stories, its illustrations, are the best that money can buy. It is a magazine to be compared with any home magazine in the country, regardless of price, without fear of contradiction of any claims we make for it. Its stories are by authors known the world over.
