## LOCAL AND PERSONAL.

Mr. Earl Fuller was among the visitors in Edgefield Tuesday.

Mr. and Mrs. W. J. Hatcher, of Johnston, paid a visit to Edgefield Sunday afternoon.

Miss Daisy Lyon who is teaching the Lott school spent Sunday at home.

Are you talking up the Chautauqua? If not, you are not doing your full duty as a citizen of Edgefield.

Help to make "clean up" day at the school, Friday next, a success. The teachers alone can not make the day a success.

Mr. B. B. Wilson, the senior member of the firm of Wilson & Cantelou, has been the guest of Mr. Bettis Cantelou for several days.

Mr. and Mrs. W. W. Ramsey of Augusta have been guests of Mr. and Mrs. B. B. Jones for several days.

The friends of Mr. W. Brooks Danovant are glad to see him at the store on the corner after wrestling for nearly a month with pneumonia.

Col. F. N. K. Bailey and Capt. R. B. Cain spent Sunday, in Edgefield. Col. Bailey made an interesting talk to the Baptist Sunday school.

Hon. W. H. Nicholson of Greenwood, accompanied by Mrs. Nicholson, spent Sunday at "Cedar Grove" with his mother, Mrs. Elizabeth Nicholson.

By talking up the Chautauqua you will boost the town. Help along the good work. Full notice of the Chautauqua will be given, next week.

Mr. James O. Sheppard, Mr. A. S. Tompkins, Jr., and Mr. Edgar Hart attended the Easter ball that was given early last week by the young men of the South Carolina University.

Mrs. Hal Beman, nee Miss Marie Key, came up from Augusta and spent the week-end here with her parents, Mr. and Mrs. C. H. Key. She was very cordially greeted by her Edgefield friends.

Mrs. W. H. Turner and their two youngest children came down and spent Friday and Saturday in Edgefield. Our people are anxiously awaiting the time when they will come to reside permanently among us.

By their splendid deportment last Saturday, the great throng of colored people who gathered in Edgefield reflected credit upon their race, and the perfect order that was maintained throughout the day was a strong testimonial to the practical worth of prohibition.

Miss Ruth DeLoach who is one of the teachers of the Graniteville graded school spent Saturday and Sunday here with her mother, Mrs. Cattie DeLoach. She was accompanied by her friend, Miss Mary Chambers, who is also teaching in the Graniteville school.

In their advertisement this week Messrs. Rives Bros call attention to their complete stock of spring dry goods and new arrivals for the millinery department. A shipment of the latest things in millinery will arrive this week. Call at Rives Bros and see their new offerings.

You can add greatly to the comfort of your home, to say nothing of the prevention of disease, by screening the windows and doors to keep out flies and mosquitoes. Messrs. Stewart & Kernaghan advertise this week that they have just received a large supply of screens for windows and doors. Their prices are very reasonable.

Sunday last Dr. and Mrs. E. Pendleton Jones and two of their daughters united with the Baptist church by letters from the First Baptist church of Newberry. Mrs. Cattie W. DeLoach and her daughters, Misses Ethel, Annie and Ruth DeLoach, united by letters from Ebenezer church, Trenton.

Calhoun A. Mays, Esq., who will be the assistant district attorney of the western district of South Carolina, spent Monday and Tuesday in Edgefield. He will probably continue to make his home in Greenwood, as the United States circuit court will convene in Greenwood, Greenville and Rock Hill.

The friends of Dr. W. E. Prescott are delighted to know that he is steadily improving at the hospital in Augusta.

The Brunson school will close Friday, April 23, and the teachers are arranging an attractive miscellaneous programme. The people should attend in large numbers.

### Silver Tea at Trenton.

The ladies of the Methodist church of Trenton will give a Silver Tea Friday night next at the home of Mrs. W. W. Miller for the purpose of raising funds for the benevolences of their church in which they are deeply interested. A very attractive program has been arranged and all who attend will be well repaid. We trust that these ladies will be abundantly rewarded for their efforts.

### U. D. C. Meeting at the Home of Mrs. R. C. Padgett.

The Edgefield chapter, U. D. C., was entertained on the afternoon of April 13, by Mrs. R. C. Padgett and Miss Hortense Padgett at the residence of the former, Mrs. Mammie N. Tillman presiding in the absence of Mrs. J. H. Nicholson, president. After opening with the Lord's prayer by entire chapter present, numbering 32 members, arrangements were made for Memorial Day, May 10. A committee appointed for decorating veterans graves. Dr. E. Pendleton Jones, pastor of the First Baptist church, was named for orator of the day. The opera house will be decorated for the exercises. A picnic dinner will be given on the Addison lawn near Baptist church. A fund was collected for monument at Shiloh. A sum of money from the treasury was voted to be sent to Mr. Simkins Covar, a veteran who is ill at his home. Mrs. Tillman presided with her usual ease and efficiency. The program by Miss Mary E. Lake, the historian, began with Mrs. J. M. Wright, who read an interesting paper on "General Wade Hampton, which was followed by Mrs. N. G. Evans' selection on "Social life in Charleston on the eve of bombardment of Fort Sumter." Mrs. Lovic Smith read a selection on author "Little Giffen of Tennessee." Miss Hortense Padgett read a paper on Eli Whitney and the cotton gin. Mrs. John Kemp read a paper on Dr. D. C. Tompkins, Capt. C. K. S. C. volunteers and his war career. Questions and answers by entire chapter on causes and consequences of war between the states. A beautiful vocal trio was rendered by Mrs. John R. Tompkins, Misses Ruth and Marjorie Tompkins, the song being the old Spanish favorite, Juanita, which was sung throughout the south in war days. A salad course was served in this delightful home. The next place of meeting will be at the residence of Mrs. DeLoach.

## VALUABLE ADVICE.

### Edgefield Citizens Should Profit by the Following Statements.

Doan's kidney pills were used by this Edgefield resident.

Their merit was shown, the story told.

Now comes further evidence. The testimony is confirmed.

The remedy was tested, the results lasted.

Could Edgefield residents demand stronger proof?

It's Edgefield testimony. It can be investigated.

W. D. Dorn, Edgefield, says: "You may continue to use my statement, recommending Doan's kidney pills. The cure they made for me has been a permanent one and I have had no signs of kidney trouble for the past few years. I always recommend Doan's kidney pills to anyone suffering from weak kidneys."

# What to do to Get Rid of Flies

Screen your windows and doors. Do it Early before fly time and keep them up until Snow falls.

Screen all food, especially milk. Do not eat food that has been in contact with flies.

Screen the baby's bed and keep flies away from the baby's bottle, the baby's food and the baby's "Comforters."

## REMEMBER: NO DIRT, NO FLIES

Flies are the most dangerous insects known to man.

Flies are the filthiest of all vermin. They are born in filth, live on filth and carry filth around with them. They are maggots before they are flies.

Flies may infect the food you eat. They come to your kitchen or to your dining table, fresh from the privy vault, from the garbage can, from the manure pile, from the cuspidors from decaying animal or vegetable matter, or from the contagious sick-room with this sort of filth on their feet, in their bodies and they deposit it on your food, and YOU DO swallow filth from privy vaults, etc., etc., if you eat food that has come in contact with flies.

## A New Model Typewriter

The **No 9**  
**OLIVER**  
The Standard Visible Writer

BUY IT NOW

Yes, the crowning typewriter triumph is here!

It is just out—and comes years before experts expected it! For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver "9." Think of touch so light that the tread of a kitten will run the keys!

**CAUTION!** The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift. It put the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with only 28 keys, the least to operate of any standard typewriter. Thus writers of all other machines can immediately run the Oliver Number "9" with more speed and greater ease.

**WARNING!** This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery. For while the Oliver's splendid new features are costly—we have equalized the added expense to us by simplifying construction. Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other make you will want to see how much more this one does. If you are using an Oliver, it naturally follows that you want the finest model.

**17 Cents a Day!** Remember this brand-new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special inventions—visible writing, automatic spacer, 6 1/2-ounce touch—plus the Optional Duplex Shift. Selective Color Attachment and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.

**TO-DAY—Write for Full Details** and be among the first to know about this marvel of writing machines. See why typists, employers, and individuals everywhere are flocking to the Oliver. Just mail a postal at once. No obligation. It's a pleasure for us to tell you about it.
