#### Gone to Washington.

In response to a telegram from his uncle, Eugene Timmons left for Washington, D. C., Monday morning to accept a position. Being a lad of exemplary habits, one who has not despised the instruction of God-fearing parents, Eugene is well grounded in Christian principles, and, therefore, it is not at all likely that he will be lured into forbidden paths in the national capital.

#### Entertainment for School.

On Friday evening, May 28, the teachers of the graded and high schools will give an attractive play in the school auditorium for the benefit of the school. Much time is being given to it by the teachers and the entertainment will be thoroughly enjoyed. The money realized will be used to pay for wiring the school building and for the purchase of books for the school library.

#### School Soon to Close.

The Edgefield graded and High School will close June 2. The McDuffie literary society will hold public exercises in the auditorium Thursday night June 3. The graduating exercises will be held Friday night, June 4. The speaker for the occasion has not been chosen yet. The members of the graduating class are, Miss Evelyn Broadwater, Miss Emmie DeLoach, Miss Willie Mae Hart, Walter Mays and Edgar Strother.

#### For Cotton Weigher.

The first of the several candidates to announce for the position of public cotton weigher for Edgefield is Mr. W. D. Allen, whose formal card appears in this issue. Mr. Allen is not only largely connected but has many loyal friends who will give him active support. He is from every standpoint well fitted for the duties of this position. For several years he has been in the employment of the Beaver Dam Mill and there had considerable experience in handling cotton. If elected to the place, Mr. Allen will render faithful and impartial service.

#### Fine Seed Irish Potatoes.

By referring to our classified column of advertisements this week you will find that Mr. R. A. Wash, better known by his friends as Gus Wash, can supply you with home-grown Lookout Mountain potatoes for planting at the very reasonable price of \$1.50 per bushel. Last year Mr. Wash made 80 bushels of these potatoes on one-quarter of an acre. It is conceded that the Lookout Mountain potatoes rank among the best varieties. They are finely flavored, cook well, keep well and are prolific. The yield which Mr. Wash made is sufficient testimony as to their producing well. Better see Mr. Wash in person or drop him a card. Do not fail to plant a late crop or second crop of potatoes, using the Lookout Mountain variety.

#### Governor Manning For Law.

Governor Manning is administering the affairs of his office with great vigor, and it is his dominant purpose to enforce the law. It may seem a bit old-fashioned but the fundamental concern of a government is to maintain order, through processes of law. It is not an instant factor that the Governor rator, though it is gratifying him speak well, nor is it de- at a Governor build a per- cal machine through ap- and concessions. It is ver, that a Governor or his oath of office ion to enforce the

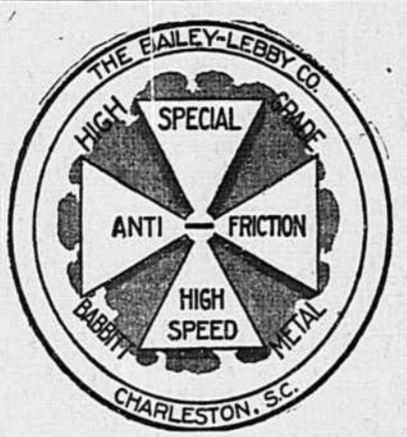

#### Carberry Canner.

I am agent for the Carberry Water-Seal Canner. This canner has four big points of merit: It is simple, scientific, safe and successful. The Carberry Canner has been purchased in ten state agricultural colleges for use at lectures and demonstrations. It economizes time and labor. I shall be glad to show them to those persons in the county who need a canner. Write to me at Clark's Hill, S. C.

#### Whooping cough.

Well—everyone knows the effect of Pine Forests on Coughs. Dr. Bell's Pine-Tar-Honey is a remedy which brings quick relief for Whooping Cough, loosens the mucous, soothes the lining of the throat and lungs, and makes the coughing spells less severe. A family with growing children should not be without it. Keep it handy for all Coughs and Colds. 25c at your Druggist.—2

#### A FAIR WARNING.

##### One That Should be Heeded by Edgefield Residents.

Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. It is well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this community place reliance in Doan's kidney pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following Edgefield proof:

Mrs. G. T. Padgett, Edgefield, says: "My back ached and pained all the time. In the morning when I got up, I was so sore and stiff that I could hardly bend over. I tired easily and it was an effort for me to do my housework. I also had headaches and dizzy spells and my sight blurred. I got Doan's kidney pills at Penn & Holstein's drug store and they relieved me from the first. Whenever my back gives me any trouble now, I take Doan's kidney pills and they never fail to give me relief."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's kidney pills—the same that Mrs. Padgett had. Foster-Milburn Co., Props., Buffalo, N. Y.

Full chorus, "Saloons Must Go."  
Uncle Sam convinced. Columbia calls for an expression of sentiment for National Prohibition and her followers wave flags and banners with the early hope of a stainless flag over "A Saloonless Nation in 1920."

"My country 'tis of thee,  
Sweet land of liberty  
Of thee I sing;  
Land where my fathers died  
Land of the pilgrims pride,  
From every mountain side,  
Let freedom ring."
