Go to Collett & Mitchell's for hand-painted china for wedding gifts. If you fail to find what you want, Miss Eliza Mims will fill any order, if given in time.

Mr. E. S. Rives returned yesterday from market. His new goods are already arriving. Read what he says in his advertisement this week about his Easter goods.

Miss Donna Ballentine of Augusta was the guest of Miss Grace Dobson last week. She is spending this week with Miss Ruth Etheredge of the Pleasant Lane community.

The ladies of the Episcopal guild are requested to send eggs to Miss Mary Butler Saturday, April 22, to be dyed for the annual Easter hunt which takes place at 3:30 o'clock on April 24.

The attendance upon the revival services at the Baptist church steadily grows. Every evening throughout the week services will be held at 8:15 o'clock. Dr. Jones preaches very earnest gospel sermons.

Attention is directed to the new advertisements this week of E. S. Rives, Davison & Fazio, L. R. Brunson, Jr., Collett & Mitchell, E. J. Norris, and the Abbeville-Greenwood Mutual Fire Insurance Association.

Mr. George B. Timmerman, an energetic and successful young farmer of the McKendree section announces his candidacy this week for the office of county commissioner. He will render faithful service if elected.

Messrs. Collett & Mitchell announce that, commencing with Friday morning, they will give a box of Hudnut's toilet articles free to each of the first 50 ladies who purchase as much as 25 cents worth of toilet articles from them. See their advertisement.

Hon. S. T. Williams paid The Advertiser a very pleasant call several days ago. Having served only one term, the people are expecting him to be a candidate for re-election to the House. While not formally announcing, Mr. Williams practically stated that he will be a candidate for re-election.

The announcement of the death of Mrs. Alice Hartley, which occurred at her home in Batesburg Saturday morning, caused much genuine sorrow among her Edgefield relatives and friends. Having visited in Edgefield frequently in the past, she had many warm personal friends here. Mr. E. J. Norris, Mrs. Mary J. Norris and Mrs. Mamie N. Tillman attended the funeral of Mrs. Hartley at Batesburg Sunday morning.

Miss Miriam Norris will soon reach home for her vacation. Since the opening of the present session she has been teaching music in the Normal and Industrial college of North Carolina, the Winthrop of that state, which is located near Waynesville. Miss Miriam has also been taking special lessons in music from the director of the music department. While she is already well equipped for teaching music, this special instruction will add to her efficiency.

### Thoroughly Reliable Insurance

The Abbeville-Greenwood Mutual Fire Insurance Association announces that it stands ready to insure property in Edgefield county. For the past 25 years this mutual association has been insuring property in Abbeville and Greenwood counties, always paying its losses. It now carries \$2,000,000 insurance at a rate that is about one-third less than the rate usually charged. Read the advertisement carefully and communicate with Mr. J. R. Blake, general agent, Greenwood.

### Edgefield School Letter.

The McDuffie literary society was called to order by the president Friday afternoon April 14. After the reading of the minutes and roll call, the regular program followed: The first number was current events, Milledge Holson. He had a well developed paper consisting of an outline of the war and other important topics and as this was the first time Milledge had ever appeared before the society he received hearty applause. Ouida Pattison read a very interesting selection entitled, "Two gray wolves." The next was an essay by Neta Ouzts and the debate followed: Resolved, "That manual training should be substituted for athletic training." Affirmative, Janice Morgan, Frances Jones; Negative, Irene Harling, Emmie Lou Edmunds. This was a very interesting subject and all the papers were thoroughly enjoyable. Pendleton Gaines, Permelia Hudgens and Douglas Timmerman were appointed to act as judges and their decision was given in favor of the affirmative. The following subject for debate at the next meeting was adopted: Resolved, "That Woodrow Wilson is pursuing the wrong policy toward Germany." After the report of the critic the meeting adjourned.

The declamation contest to select a boy to go to Columbia as a representative from the Edgefield high school took place Friday night April 14. The program rendered was as follows: Music, Misses Ruth Lyon and Margaret May. Reading by Miss Willie Peak entitled "Nebuchadnezzar." Mr. Pendleton Gaines, "Happiness and liberty" by Robert G. Ingersol; Mr. Douglas Timmerman, "Abraham Lincoln" by Henry Watterson; Mr. Fred Mays, "Social life in the old south" by Thomas Nelson Page; Mr. Carroll Rainsford, "America's duty to resist" by Patrick Henry; Mr. Edwin Folk, "Devotion to duty" by D. N. Shelley; Mr. Glover Tompkins, "The new south" by Henry W. Grady. Each boy delivered his speech splendidly and it was indeed an inspiring sight to see these boys put forth such fine efforts to win. Messrs. W. C. Lynch, E. E. Padgett and J. H. Cantelou acted as judges, and after a somewhat lengthy discussion, they decided upon Mr. Edwin Folk as representative and Mr. Carroll Rainsford as substitute. During the absence of the judges, Miss Hiott gave a splendid selection entitled "Stuttering Sam's letter." This ended the program which I am sure every one enjoyed to the utmost.

Rev. Mr. Bailey made another one of his interesting talks to the students Thursday morning. We all enjoyed his talk immensely and hope he will pay us another visit soon.

### Field Day Athletics by Schools of the County Saturday Afternoon.

(Reported by Prof. Copenhagen.)

The athletic events which were not held Field day on account of rain took place Saturday, and resulted in a victory for Trenton by the comparatively narrow margin of thirteen points. The cash prizes, contributed by Mr. Lutton for the boy and girl respectively winning the most points were won by Miss Edith Herlong of Trenton, with 13 points and Diomed Hollingsworth of Edgefield with 21 points. Through a mistake in counting the points it was announced on the grounds that Spearman of Trenton, tied Hollingsworth for individual points. On the final count, however, Spearman was found to have but twenty points, making Hollingsworth the winner by one point. Harmony school came third, winning thirteen points, while Johnston was fourth with eight. The contest was really between Trenton and Edgefield, and the relations of the two schools through all the contests were most pleasant. Trenton is to be complimented on the courtesy and fairness of both teachers and students. The events and winners of first place follows: Running broad jump for boys over 14, Spearman, Trenton; same event for boys under 14, Bryan, Trenton; standing broad jump for boys over 14, Spearman, Trenton; same event for boys under 14, Herlong, Trenton; running high jump for boys over 14, Hollingsworth, Edgefield; same event for boys under 14, Herlong, Trenton.

Girls' running high jump, Lois Mims, Edgefield; girls' rope climb, Alice Prescott, Edgefield; girls' fifty yard dash, Edith Herlong, Trenton; girls' running broad jump, Sue Mae Herlong, Trenton; girls' standing broad jump, Lois Mims, Edgefield; girls' flag race, Edgefield team.

Boys' rope climb, Spearman, Trenton; 50 yard dash for boys over 14, Hollingsworth, Edgefield; for boys under 14, Bryan, Trenton; 100 yard dash for boys over 14, Privette, Trenton; for boys under 14, Bryan, Trenton; 220 yard run, Hollingsworth, Edgefield. The 440 yard run was rather a freak affair, Salter of Trenton sacrificing first place after he had virtually won it, to Spearman that the latter might add to his points.

Edgefield sends Hollingsworth to Columbia to the state high school track to meet the twenty-seventh of April; Privette and Salter go from Trenton. Needless to say, we are expecting Hollingsworth as well as Folk, who goes to represent us in the oratorical contest, to bring home the bacon.

was led by Mrs. James White who has been the leader for twenty-one years. A special prayer for this department was made by Mrs. Olin Eidson, and several papers read. "How the L. T. L. was organized," Miss Zena Payne; "An L. T. L. leader," Mrs. J. A. Lott; "The mission of the L. T. L.," Mrs. T. R. Denny; "How the L. T. Miss Ida Satcher is at home from a two months' visit to her sister, Mrs. Chas. Early at Florence.

At the last meeting of the music club held with Mrs. W. F. Scott, the chief business was the election of delegates to the state federation, Anderson. Mrs. Minus Walker first delegate, Mrs. E. R. Mobley second delegate, with Mrs. C. P. Corn alternate. The committee reported having sent the box of clothing to the sufferers from the Augusta fire. In the fire of Nashville a former member, Miss Lila Maud Willis, lost all of her personal effects and her large collection of music and the club planned to send her a "shower box." The subject for the afternoon was "Ignace Paderewski" with Miss Anna Harmes as leader, and a sketch of his life was read by Miss Clara Sawyer; "Paderewski's period and Poland's former greatness" by Mrs. Earl Crouch. "Mazurka Op 9" Mrs. W. F. Scott; "Polish history and culture," Mrs. James Strother; "An Soir, Op 10, No. 1," Mrs. L. S. Maxwell; "Inspiration from a famous actress," Miss Anna Harmes. "Polonaise," Miss Emma Bonknight. The hostess served punch and sandwiches. The next meeting will be with Miss Zena Payne, the 26th.

The quarterly report of the Baptist Sunday school, showed an average attendance of 192, with collections amounting to \$74.40.

The cantata given by the music class of the high school, under the direction of Prof. John Waters, was a signal success. The door receipts came to \$52. This will be applied to the piano fund. Local talent also participated, and helped to make the great success.

Mrs. Hiliary D. Grant was hostess for a most delightful rook party on Friday afternoon, the honoree being Mrs. McMillan of Mullins. About fifty friends were invited to enjoy the pleasures of the afternoon and as all arrived punch was served by Misses Ida Satcher and Sue Smith. The decorations of the home were of dogwood, woodbine and honeysuckle and the lights were all pink which gave a soft glow. The score cards were of honeysuckle in water color, and little Miss Eunice McMillan distributed them. After six games of rook pineapple cream with cake was served by Mesdames Claud Lott and Walter Sawyer. It was a great pleasure to all to know Mrs. McMillan.

The week's social pleasures ended with the delightful rook party of Saturday afternoon given by Mrs.

M. W. Crouch in honor of Mrs. McMillan of Mullins. The hostess welcomed the guests, thirty-six in number, and previous to the games awhile was spent chatting and enjoying the beautiful decorations of the home, which were quantities of Easter lilies and ferns. Score cards of little bunny rabbits were given by little Frances Crouch and the tables were marked by fluffy chicks and baskets of candy. Easter eggs were enjoyed and the game progressed. Six games were played and at the end, all were served with an elaborate salad course with iced tea, which was most tempting. All were indebted to the hostess for two very pleasant hours.

The semi-annual meeting of the woman's missionary union, Ridge-association, will be held May 6, at Red Bank church, Saluda.

"Baby day" will be observed here on Saturday at the high school, the affair to be an all-day one.
