## "Our Mother."

Yes, she is gone, but not forgotten. Oh! how we miss her sweet smiling face and kind words. But let us think of One who careth for all; and think of the bright and never ending future of our dear sainted mother, whose spirit has passed away but for a brief period, whose soul only waits in heaven to hail the loved ones from whom she has been parted.

Oh! how we loved her, but God loved her best, and on June 22, 1916 He took her ever to be with Him in Glory. May it be the highest aim and earnest prayer of each one of us to meet her there.

As the silent shades of evening Gather 'round us o'er our souls, Comes a longing for the face, We shall never on earth behold. She has gone beyond earth's sorrows, All life's cares for her are passed; But we know that we shall meet her, In a brighter world at last.

Oh, the silent shades of evening, From that far off mystic shore, Brings to us some tender message, From our mother gone before. Tidings of the love she bore us, How our coming she awaits; How she'll welcome us in heaven, When we reach the pearly gates.

Oh, ye evening shades unfold us, Soothe our minds with grief oppressed, From our hearts dispell all sorrow, Let our weary spirits rest. Gently let us sink in slumber, Angels guard us through the gloom; Till at last in that fair morning, We shall meet beyond the tomb.

Oh, what joy shall be our portion, When at last thro' wondrous grace, All the shadows disappear, We shall see our MOTHER'S face.

Letha, Olive, John and Annie Belle Jackson.

## Horn's Creek News.

We had a nice rain Sunday night and we all felt refreshed the next morning.

The Horn's Creek neighborhood all joined and gave a free barbecue Thursday of last week, inviting a few friends. We were glad to have with us on that occasion Mr. John Swearingen and his charming little bride of Columbia. Also Mrs. Sophie Swindell and Mrs. Alice Bunch of the same city, Mr. Wallace Wise and daughter, Mr. and Mrs. W. H. Moss and children, Mr. and Mrs. Roper Moss, Mrs. Susie Miller, Mr. P. B. Day and Miss Moore, all of Trenton. Miss Mamie Cheatham and brother and Mr. W. A. Collett of your town were present. The day was spent very pleasantly in conversation, every one deporting themselves beautifully. We are so proud that we can speak words of praise for our little community.

The friends and neighbors of Mrs. Sam Miller are grieved to learn that she is not doing so well. She was carried to the home of Mrs. Susie Miller last week, where she could be more conveniently located to medical treatment.

We are pained to learn of the sickness in the home of Mr. Pierce Ryan, his two sons and granddaughter being sick. We hope for their speedy recovery, as they are all greatly missed in our Sunday school.

Mr. and Mrs. Walter Nicholson of Pleasant Lane paid Mr. and Mrs. J. N. Fair a flying visit last week.

Our dear old friend George Swearingen is having quite a house party to be an old bachelor. The party consists of Mr. and Mrs. John Swearingen, Mrs. Sophie Swindell, Mrs. Alice Bunch of Columbia.

Mrs. P. B. Lanham and her son, Preston, dined with Mr. and Mrs. A. A. Wells Sunday.

Mr. S. L. Roper returned home Sunday from Meriwether, where he visited his daughter, Mrs. John McKie.

Mrs. Jessie Crafton and daughter and Miss Anna Roper worshipped at Mt. Zion Sunday, which was the beginning of a series of meetings at that place. We wish to congratulate the Mt. Zion people upon the erection of such a nice new house of worship, and upon such a cheap basis.

L. Y. Bryan has a sister visiting him from Alabama.

Miss Anna Roper left Thursday to visit friends at Monetta.

If the weather permits Mrs. Jessie Crafton will leave Saturday to visit relatives at Clark's Hill.

W. E. Ozuts' sister came down from Greenwood and spent Sunday in his home, making the trip in her car.

Miss Marion Miller and Miss Lena Wells of Colliers are visiting their aunt, Mrs. Wallace Miller.

A colored minister down south was conducting a revival without much success. At last, however, he awakened his congregation by asking:

"Does yo' know what eternity is? Well, brethern, I tell yo'. If one of dem lil' sparrows what yo' see 'raun' yo' garden bushes was to dip his bill in de 'Lantic ocean an' take one hop a day an' hop across the country an' put dat drop of water into de 'Cific ocean, an' den hop back to de 'Lantie ocean—just one hop a day—an' if he keeps dat hoppin' up 'twel de 'Lantie ocean wuz jry as a bone, it wouldn't be break o' day in eternity?"

"Dar, now, sad one of the brethren, yo' see feh yo'self how long eternity is."—Everybody's.

## RESULTS TELL.

There Can be no Doubt About Results in Edgefield.

Results tell the tale. All doubt is removed. The testimony of Edgefield citizens

Can be easily investigated. What better can be had?

T. J. Paul, proprietor of garage, Jeter street, Edgefield, says: "Kidney trouble in my case was brought on by being on my feet continually. I had dull pain in my back and I tired easily. When I was on my feet for any length of time, my back got sore and stiff. My rest was broken at night, as the kidney secretions were too frequent in passage, causing me to get up a number of times. Three boxes of Doan's kidney pills, procured at Penn & Holstein's drug store, cured the backache and other symptoms of kidney trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's kidney pills—the same that Mr. Paul had. Foster-Milburn Co., Props., Buffalo, N. Y.

## Gained 15 Pounds In 10 Days On Tanlac.

MRS. TALLANT WAS QUICKLY RESTORED TO GOOD HEALTH, SHE SAYS.

FRIENDS TALK OF CASE.

She Declares "Tanlac Almost Worked a Miracle For Me And Deserves Highest Praise."

To gain fifteen (15) pounds on one and a half (1½) bottles of Tanlac in ten days treatment and to be restored to good health is in itself a truly wonderful endorsement of the merits of this "master medicine."

That is exactly what Tanlac one and half bottles of it, did for Mrs. Annie Tallant, of No. Sixth St., Greenville, S. C., she said in her statement endorsing Tanlac and telling of the remarkable way it relieved her troubles. While Mrs. Tallant told of the results Tanlac gave her, two of her sisters and her husband were present. Her statement, one of the most remarkable ever given Tanlac, follows:

"My system was badly run down, and either that caused me to suffer with a lot of other ailments or the other ailments caused my health to become bad," said Mrs. Tallant. "I could not sleep at all at night and I would roll and toss in bed for hours each night. I never did sleep soundly."

"No one knows how much I suffered. I had headaches all the time and sometimes I thought I could not stand this pain and I thought they would kill me. My nerves were in bad shape, too, and I would jump at the least noise. I had no energy, and I was very weak. Really I had to force myself to do my housework, and I just had to drag myself around all the time."

"I never did feel well, and most of the time I was very miserable. Anyone who has not suffered as I have can not realize what I did go

through with. I was sick all over, and it seemed as if I could not get well. I suffered a lot with pains across my stomach, too, and with indigestion. My sisters and my husband told me I looked sickly and weak before I took Tanlac, and they did not know what would become of me.

"The testimonials of Tanlac that were printed in the papers convinced me it would help me, and so I began taking it. I weighed when I began taking Tanlac, and when I had taken one and a half (1½) bottles I had gained fifteen (15) pounds. I stopped Tanlac then, for as sure as I live I was then a well woman, and I did not have an ache nor a pain. That was two months ago, and I feel even better now than I did when I quit Tanlac, for I have more strength and energy."

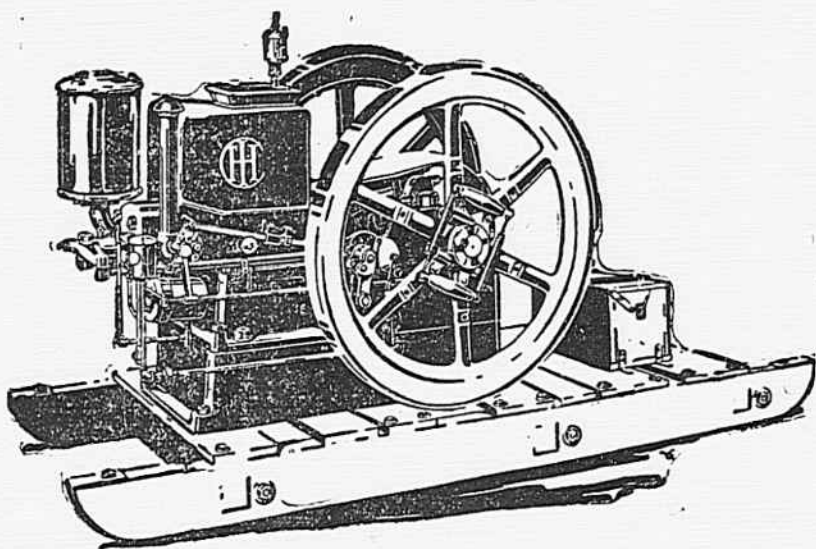

"Tanlac gave me a wonderful appetite, though I could not eat anything hardly before I began Tanlac and neither did I want to eat, my stomach was in such bad shape. I can eat anything now, though, and I never have indigestion. I feel fine and hearty and strong now, and I think it is just wonderful the way Tanlac broke up my troubles. I am not sickly now, and I do not look nor feel that way. I guess if I had continued to take Tanlac I would have gotten so heavy I would be clumsy by this time."

"Everybody around in my neighborhood is talking about the good Tanlac did me, and we think it almost worked a miracle for me. Sure enough, now, it does not seem that any medicine could have done as much for anyone as Tanlac did for me, but Tanlac is the only medicine I took and I know it is due all the credit."

"I am glad to recommend it, and Tanlac deserves the highest praise I can give it. I had been planning to write you and tell you how much good it did me and how wonderful I think it is, but I could not find the time, it seemed, and so I am glad you came to see me."
