BIG DECEMBER SALE

People, there is no way to get around it, cotton is higher than it has been for years. Dye is scarce. The United States have to feed and clothe the world. Goods are jumping in price each day. You might not believe it, but time will tell. In less than six months time the price of cotton goods, shoes and clothing will be almost out of reach. Our stock is large and complete. As long as it lasts we give you the benefit of our foresight.

We are selling you goods now at **LESS** than **WHOLESALE PRICE**.

Never again while this war lasts will you see merchandise sell at these low prices. Come now and supply your needs for the winter.
