

Interesting Letter From Sweetwater Community.

(Written for Last Week.)

Sunday was a beautiful church going day and a good congregation worshipped at Sweetwater. We were glad to have some of the Hardy's members among us. Our pastor, Rev. E. W. Reynolds, delivered a clear, forceful sermon, using as his text, 2nd Peter, third chapter and 1-17th verse. After the sermon the church held a short conference and gave our pastor an indefinite call. We hope that all of his members will stand by him and help to make the work of the Kingdom grow.

Mr. Luther Getzen and daughter, Mrs. Will Fortson, of Columbus, Ga., are here on a visit to relatives.

The work on Mr. Jas. McClain's bungalow is progressing, and Mr. J. M. Gardner expects to erect a dwelling in that neighborhood soon.

Our pastor who lives in Warrenville, spent the week-end here among his people. We are always glad to have him and wish he could come oftener.

Little Georgia Murrah has again been quite ill, but all of us are glad to know that she is improving. Mrs. Anna Matthews has also been on the sick list, but we were pleased to see her out at church Sunday.

Our community was saddened by the sudden death of Miss Paris Munday on last Thursday evening.

At the time, she was visiting her niece, Mrs. Annie Thiot of Grovetown, Ga. At 3 o'clock Friday afternoon her remains were laid at rest beside those of her parent in the Sweetwater cemetery. The Rev. Albert Howard of Grovetown, conducted the short, but very impressive service. The floral offerings were beautiful and spoke of the high esteem in which she was held.

The following gentlemen acted as pall bearers: Messrs. James Horne, Elijah Horne, Wm. Rutland, Bailey Munday, Walter Timmerman, Mr. Reese, the first four of whom were her nephews. Miss Munday was in her 60th year.

For quite a number of years she had been a faithful member of the Sweetwater Baptist church. All through her life she was remarked for her constant cheerfulness, and the loss of her presence in our community will be greatly felt.

She leaves surviving her four brothers, Messrs. Pierce Munday of Grovetown, Monroe Munday, of Denton, Elbert Munday of Edgefield, J. W. Munday, of Ropers, and one sister, Miss Fannie Munday, of Ropers.

We extend our deepest sympathy to her loved ones, and especially to her sister whose loneliness none can appreciate save those who have sustained such a loss.

Agents Wanted at Good Pay.

F. Lee Sheppy, 8th floor—243 1/2 St., New York City, General Sales Manager of the largest concern of its kind in the world, wants three or four men in Edgefield County and several men in adjoining counties, to work for him spare time or all the time. He can use only those who have a rig or auto. Work is very pleasant and no previous selling experience is necessary. Work consists of leaving a wonderful new household necessity in the homes on free trial. Tests at more than thirty of the leading Universities and the Government Bureau of Standards show this new article to be four times as efficient as article now in general use in this section.

Article is needed in every rural home and benefits every member of the household, bringing cheer, comfort and happiness into the home. Not necessary to be away from home nights. Pay from \$6.00 to \$10.00 per day according to ability and number of homes visited.

In writing Mr. Sheppy, mention what townships will be most convenient for you to work in; what your regular occupation is; your age; married or single; how long you have lived in the community; what kind of a rig or auto you have; whether you wish to work spare time or steady; how much time you will have to devote to the work; when you can start, and about how many homes are within six miles of you in each direction. This is a splendid opportunity for several men in Edgefield County and counties adjoining to make good money, working steady or spare time. Some of the field men earn \$100.00 per month; one farmer earned \$1,000.00 working spare time only. No investment or bond necessary.

Had Little Hope Of Ever Returning Home

IN THIS FRAME OF MIND MRS EVANS LEFT TO VISIT HER DAUGHTER—TOOK GOOD ADVICE.

"IT IS JUST WONDERFUL," SAYS STARR WOMAN, TELLING HOW SHE COMBATED TROUBLE.

After suffering twelve years, the last several months of which were so severe that she believed herself on the verge of the grave, Mrs. Ella Evans, of Starr, S. C., Route 4, found great and almost complete relief in the first bottle of Tanlac she took. "It seemed almost like a miracle the way Tanlac worked," she said.

Mrs. Evans was interviewed at the home of her son-in-law, C. C. Crocker, of 11 Prince, street, Anderson. Her statement follows:

"I suffered very badly from stomach trouble for twelve years before I began taking Tanlac, and it seemed that no medicine would break up my trouble. Frequently I would have terrible spells, and my heart, head and nerves would get out of order all at once and I would nearly die with these attacks. I had lost hope and I did not believe I would ever get well. Also I had a very bad bowel trouble with these attacks. My nerves were in a terrible fix and my heart fluttered a great deal.

"I could not sleep well, and I was so weak I could hardly walk. Though I had the best of medical attention, I got no better. I live in the country, but when I came here to visit relatives I did not know that I would live to get back home.

"My relatives here persuaded me to take Tanlac and I consented. I have just finished my first bottle, I am a great deal stronger now in every way and I have not had one of those attacks since I began taking Tanlac. My nerves are much stronger, and my stomach, liver, bowels and heart have been strengthened and regulated. I have a good appetite now, also.

"The very first dose of Tanlac brought a change for the better and it seemed like a miracle the way Tanlac worked. I stopped all other treatment when I began Tanlac. In every way Tanlac has made my
