In spite of the many and varied backsets, give cotton favorable conditions during this month and August and a good crop will yet be made. But what about the corn? That is the crop in which farmers should be interested most.

Trenton: Please note that instead of preaching in Edgefield this Sunday a. m., I will preach at 11 o'clock in Trenton and preach the fourth Sunday in Edgefield. Change made on account of protracted services in Methodist church.

Because of the increasing number of brick residences, the street leading from the public square southward will have to be called Fifth Avenue, this street in New York being noted for its "Brown-stone Fronts"-millionaire residences.

Mr. and Mrs. James Killings. worth of Dunbarton and Mr. and Mrs. James Youngblood of Augusta spent the fourth with Miss Tillie Youngblood and Mrs. Nannie Grif-Their brother Mr. Frank Youngblood of Ellenton spent several days with them last week, also.

Automobiles are great road builders but if a number of large farmers and country merchants begin to use auto trucks for heavy hauling a greater stimulus will be given to road building. It appears to us D D Brunson that some of our country merchants who haul large quantities of merchandise from Edgefield and who S A Brunson also haul cotton and cotton seed to N L Brunson Edgefield, could profitably use a heavy auto truck.

Mr. T. J. Paul has sold his brick R C Griffis building near the Presbyterian church where he conducted his G S Coleman garage to Dr. J. G. Tompkins A Gilchrist and the garage will be continued by J A Hamilton Mr. James H. Tompkins. He is a Bussey & Caswell first-class machinist himself and by employing capable help he will be The Gulf Atlantic Ins Co visiting her cousin, Miss Sadie able to take care of all the business intrusted to him. Mr. Tompkins A L Doolittle . will make this one of the best auto Jas T Mims . hospitals in this part of the country.

How To Give Quinine To Children.

FEBRILINE is the trade-mark name given to an improved Quinine. It is a Tasteless Syrup, pleasant to take and does not disturb the stomach. Children take it and never know it is Quinine. Also especially adapted to adults who cannot take ordinary Quinine. Does not nauseate nor cause nervousness nor ringing in the head. Try it the next time you need Quinine for any purpose. Ask for 2-ounce original package. The tame FRBRILINE is blown in battle. 25 cents.

Prompt Answers

It is the duty of the telephone operator to ascertain the number wanted and ring the bell of the party called. If the called party is slow to answer the operator is, as helpless as you are.

Most of what you might think is "slow service" is caused by the subscribers not answering promptly. You can help the service by answering your telephone promptly.
