

Report of Work Done by Edgefield Woman's Christian Temperance Union Sept. 30, 1916 to Oct. 1, 1917

Fairs and Open Air Meetings, Mrs. Tillman, Superintendent.

The first work undertaken after the State convention in Sumter, was the arrangement of a rest room at the county fair, where literature and water was furnished free to every one, chairs and cots or sofas prepared for the tired or sick, and a cradle for babies. The W. C. T. U. also entered one of the prize winning floats, representing the victorious ship "prohibition". The Union assisted in the patriotic celebration on registration day, carrying banner and contributing towards the dinner served.

Flower Mission Department.

Mrs. Cogburn, Mrs. Dunovant and Mrs. N. M. Jones, Superintendent.

Ten funeral designs were sent to bereaved families, 2 gold white ribbon pins were presented to members who were married during the year, 12 silver spoons were given to W. C. T. U. mothers for their babies. The Union Signal, National organ of the W. C. T. U. was sent to all the ministers of the town and the "Young Crusader" to four teachers. The Union Signal was also sent to the Door of Hope.

A contribution amounting to \$16.00 in goods and \$3.40 in money was sent at Christmas to the Door of Hope in Columbia.

A picnic dinner and a religious service was held on June 9 at the County Home in celebration of Jennie Caseday's birthday, the founder of the Flower Mission. A chicken pie dinner was served to all the mothers and babies of the W. C. T. U. on baby day.

Medical Temperance Department.

In Charge of Mrs. W. S. Cogburn.

Baby day was celebrated in May, when 36 babies from Edgefield and the surrounding country were examined by our local physicians. There was an afternoon lecture on the care of babies by Dr. Jane Bruce Guignard of Columbia and one in the evening by Dr. Sophia Brunson of Sumter. The expenses of both these physicians were paid.

Soldiers and Sailors Department.

In this department, every call was responded to from the National and State headquarters and an amount contributed more than was asked of the Union.

Contributed to electric fan for hospitals, \$2.29.

To ambulance funds sent to France, \$4.55.

Box of Hospital supplies to Red Cross, \$15.12.

Comfort bags to all Edgefield county soldiers and sailors, \$75.00.

Stereomograph for Camp Jackson, \$5.00.

Testaments, song books, literature and a letter were contained in the comfort bags, besides the various other articles contained therein.

Scientific Temperance Instruction.

Mrs. T. H. Rainford, Superintendent.

One hundred people were entertained at dinner on the occasion of the meeting of the county teachers' association, Jan. 13 at the High School. Our State superintendent of Scientific Temperance Instruction, Mrs. W. S. Middleton, of Meriwether was one of the speakers on the programme, and after dinner talks were made by prominent citizens of Edgefield and other places.

A picture of Frances Willard was presented to the school on this occasion in behalf of the Union by Mrs. Mamie N. Tillman, assisted by little Janette Timmons.

A prize essay contest on the Alcohol and Tobacco subject was conducted by this department and on field day prizes were awarded to Miss Genevieve Norris in High

School, Edgefield, second prize Eunice Broadwater. Best county prize in graded school, Lewis Moss, Trenton; second, Ethel Cheatham, Edgefield.

The best teacher's essay was written by Miss Gertrude Strother of Johnston. All these prizes amounting to \$19.00 were awarded on Field Day.

In the State contest for best essays, the best in the High Schools for South Carolina was written by Miss Ouida Patteson, of Edgefield, now at Anderson College. Miss Strother's essay was best in South Carolina prepared by a teacher, and in the graded school Eleanor Mims won the first prize in a contest on the "evils of tobacco".

At the opening of school, 200 pencils, blotters and rulers, each containing a temperance truth were presented to the school children.

Sunday-School Department.

The Methodist school observed every temperance Sunday with a special programme or address.

Baptist Sunday school observed World's Temperance Sunday, and Presbyterians laid particular emphasis on each temperance lesson.

Legislative and Petition.

Three hundred letters were sent to citizens asking them to communicate with state legislature in regard to the better enforcement of the prohibition laws, four telegrams were sent to National congress in regard to National prohibition.

A State and National prohibition meeting was held in the Methodist church first Sunday evening in January, at which citizens of Edgefield spoke. There was a processional of the dry states and a collection taken for the work of the W. C. T. U.

Miscellaneous.

There are now 77 active, paid up members of the Union.

The year books have been of invaluable assistance in making the work more diversified, each member knowing at the beginning of the year what her part will be.

The Union conducted the Chantauqua in the spring, making a small amount.

A store window was exhibited, showing comfort bags and other hospital supplies. A rummage sale was conducted in the fall.

"Aiken village players" came over in automobiles under the W. C. T. U. auspices and gave the play, "A Microbe of Love". These were entertained at supper.

The Boy Scouts of North Augusta were guests of the Union and gave in the Opera House for mutual benefit, Miss Minerva and William Green Hill.

A dining room shower was held by which a sufficient number of dishes, spoons and forks were contributed to serve 60 persons.

The amount of money contributed during the year to all purposes is \$279.00.

Several members have moved away and others have come into our ranks to take their places.

The W. C. T. U. entertained and assisted Mr. W. D. Upshaw in his meeting in the Methodist church in the spring when he visited Edgefield in the interest of the Anti-Saloon League.

Mr. Upshaw is now a candidate for United States Senate from Georgia. He addressed a morning meeting of the W. C. T. U. in February at Mrs. Tillman's, making a wonderful eulogy on the life and character of Frances Willard.

Literature Department.

Mrs. J. A. Townsend, Supt.

15,000 pages of temperance literature distributed.

The local organization believes that they have completed the most successful year's work in their history.

Members who have removed have been remembered and followed by letters and messages of introduction to friends wherever they are residing.

Card of Thanks.

We take this means of thanking our neighbors and friends for their many thoughtful and kind acts bestowed during the recent six weeks illness of my son, Dewey McCleendon, of typhoid fever, who has now recovered, and for the continuation of their uniform kindness to us and to my husband who is now ill of typhoid pneumonia. We shall never forget the sympathy and loving kindness of our friends and hope some day to be able to return it.

Mrs. D. B. McCleendon and Family.

Modoc, S. C.

Elder Johnsing.—"Aunt Chloe, don't you know there is a verse that says nothing unclean shall inherit the Kingdom of Heaven?"

Aunt Chloe.—"Yes, I've heard it." Elder Johnsing.—"Well there is nothing so unclean as the breath of a smoker."

Aunt Chloe.—"Eldab, when I go dere I'spects to leave my breff behind me."—Nashville Tennesseean.

Gives the patient a good night's rest free from coughing, with free expectoration in the morning.

Regular sizes, 25 and 75 cents. For sale in all civilized countries.

Mrs. Haguewood Tells of Strange Experiences.

ANDERSON WOMAN DECLARES SHE WAS FORCED TO ENDURE SO MUCH—DETAILS REMARKABLE.

HAS WORDS OF ADVICE FOR THOSE WHO MAY BE EXPERIENCING SAME TROUBLES SHE DID.

"I think every ailing person should take Tanlac," declared Mrs. Girtie Haguewood, of 60 Riverside, Anderson, in a statement she gave May 30th. "I suffered from an aggravated liver trouble and kidney trouble, and I was on the verge of a breakdown when I began taking Tanlac. I frequently had dizzy spells so severe that I could hardly walk, and then I was in considerable pain, too. My back was so weak and hurt me so much I had to have help in leaving my bed, and I had the most awful attacks of sick headache. I could do no work and I was just able to be out of bed.

"But the Tanlac got me in fine shape and I am strong and hearty now. My skin has cleared up a lot and I do not have those dizzy spells now. I have a fine appetite, too, and I never belch up my food as I used to. The Tanlac got my kidneys and back in fine shape, too, and I'm not troubled with backache. It is a great medicine Tanlac is."

Tanlac, the Master Medicine, is sold by

To get the genuine, call for full name, LAXATIVE BROMO QUININE. Look for signature of E. W. GROVE. Cures a Cold in One Day. Stops cough and headache, and works off cold. 25c

Clothing Man Gains 35 Lbs. By Taking Iron

Says Six Fifty-cent Bottles Brought Relief After Ten Long Years of Suffering.

Tells What Kind of Iron He Recommends.

"I was troubled with my stomach for ten years, and in that time I bought almost every kind of medicine and couldn't begin to say how much I took or paid out for medical service, yet nothing did me any good. Then I began using Acid Iron Mineral and I don't think I had taken more than six of the fifty-cent bottles when I began feeling better than I ever did. I only weighed 145 pounds when I began to take Acid Iron Mineral and now I weighed 180 pounds. It is a pleasure for me to recommend it to any one who has symptoms of indigestion or stomach trouble and if they will try it I am sure they will find it everything I have said it to be," writes Mr. W. T. Cash, proprietor of a well known clothing, shoes, hats, and men's furnishing store in Bristol, Virginia.

A statement such as the above from a merchant of integrity who knew all the agony of stomach trouble for ten years or more must convince the reader that after all is said and done, just plain, everyday natural medicinal iron, concentrated as it is in Acid Iron Mineral is the cheapest, best, medicine to bring the system back to normal and purify and enrich the blood.

It is unusual, helps the appetite, and costs but little, a teaspoonful in a glass of water after meals being a most invigorating dose. Whole families that take it Fall and Spring as a tonic. Absolutely non-injurious, contains no alcohol, narcotic, or habit-forming drugs. Does not upset the liver, stomach, or bowels, nor injure the teeth.

If your druggist hasn't it send a dollar to the Ferrodine Chemical Corp., Roanoke, Va. for a large size bottle prepaid.

ELECTRIC BITTERS THE BEST FOR BILIOUSNESS AND KIDNEYS
