

Office No 61
Residence, No. 17

Wednesday, March 6.

LOCAL AND PERSONAL.

Mrs. Bettis Cantelon is in Columbia visiting her sister, Mrs. S. M. Rice.

Mrs. Mattie Jennings of Augusta visited Mrs. B. B. Jones for several days last week.

Little Miss Corrie Thomas of Cleora visited Miss Ethel Cheatham last week.

Mrs. J. L. Hart has returned from a short visit to Augusta and a week's stay at Chappells.

Mr. and Mrs. B. R. Cooner and the children were guests of Mrs. Mary Norris for the week end.

Mr. Charlie Morgan has been enjoying a furlough at home, having returned to Camp Jackson last night.

Mr. J. G. Shannonhouse of Charlotte spent several days here last week with his son, Rev. R. G. Shannonhouse.

Mrs. L. M. Wilkins of Greenville is here visiting her sister, Mrs. Jerrold LaGrone. Her husband is stationed at Camp Sevier.

Dozier Tompkins celebrated his thirteenth birthday by entertaining about a dozen of his friends at a delightful dinner party on Saturday.

The friends of Dr. J. R. Beall throughout the county will regret to learn of his death, which occurred suddenly Friday night at his home in Cornelius, Ga.

Lieut. Arthur S. Tompkins, who was recently ill with pneumonia at Camp Wadsworth, will come home to-day on a furlough to remain until he regains his strength.

Mr. W. C. Madden, a brother-in-law of Capt. L. Y. Moore, is now filling the place of engineer on the Southern. He will move his family to Edgefield in a short time.

Mr. Claud Eubanks enlisted in the navy Monday at the naval recruiting station in Columbia. He was permitted to return to his home to await orders which will probably be received within a fortnight.

Miss Sophie Abney has returned home after an extended visit to her niece, Mrs. Ives, in Savannah, and also to attend the marriage of Miss Marguerite Paschal, now Mrs. Rufus Howard, in Rockingham, N. C.

Sergeant Warren Hill is down from Camp Jackson on a furlough of 10 days. Sergt. Hill has been applying himself very closely since he has been in camp and we confidently expect to hear of further promotion for him.

We regret that it has been found necessary to take our good friend Mr. O. J. Holmes, of Red Hill, to the hospital in Augusta for a surgical operation to-day. We trust that the reports from him will be favorable and that he will soon be fully restored to health.

Mr. M. D. Lyon has purchased the handsome residence of Mrs. M. C. Turner on Main street near the station, paying \$6,000 cash therefor. Capt. Moore will continue to occupy this residence until October, when Mr. Lyon will move his family back to town.

Millers can only issue certificates on the printed form provided by the government and merchants are not authorized to sell flour upon the presentation of a certificate of any other form. These printed forms can be obtained by millers from the local food representative or the county food administrator.

Mr. J. G. Holland, Mr. T. J. Paul, Mr. J. T. Mims, Jr., and Mr. Jerrold LaGrone will leave this morning for the Buick automobile factory in Michigan to bring four cars back for Mr. W. J. Hatcher of Johnston. Freights are so unsatisfactory that Mr. Hatcher has adopted this means of delivering his cars. This quartette of long-distance joy riders will require about eight days for their return trip.

Mr. Rainsford Cantelon recently went before the State board of examiners of Alabama in Birmingham securing a license as pharmacist. He has already passed the examination in this State and will soon be examined in Georgia, which is a fine record for this Edgefield young man. But Rainsford Cantelon comes of good stock and for him to have made a less creditable record would have been a disappointment to his Edgefield friends.

Attend the auction sale of Jersey cows. See D. A. Coleman's advertisement in this issue.

Attention is directed to the following new advertisements this week: The Corner store, D. A. Coleman, I. Mukashy, Rubenstein, Trenton Fertilizer Co.

Mrs. T. H. Rainsford will attend a meeting of the mission societies at Graniteville on Saturday, as president of the Columbia district societies.

Mr. H. H. Smith who was recently employed by Mr. S. F. Logan is now with Mr. E. S. Rives and will give his friends who call a cordial greeting.

If you haven't tried a pair of the Martha Washington ladies' shoes it will pay you to do so as there is none better.

Rubenstein.

Auditor J. R. Timmerman has called the County Equalization Board to meet in his office Saturday at 10:00. As this is the most important meeting of the board that has been held in four years, a full attendance is desired.

Flour Reports.

All flour reports must be in the hands of the county food administrator, J. L. Mims, by Saturday, on which day a report for the entire county will be compiled and forwarded to Mr. William Elliott, the State Food Administrator. A prompt response, please.

Attention Woman's Mission Societies!

Remember the meeting of the 2nd division Woman's Missionary Union which meets at Antioch on Saturday the 9th. Antioch, Republican, Rehoboth, Trenton, Hardys, Mt. Zion, Horn's Creek and Red Hill are expected to send delegates. Any other societies in the association are cordially invited to attend.

Mr. Tompkins Nearly Recovered

Mr. Arthur S. Tompkins has almost recovered from the injury received in the wreck near Columbia about 10 days ago. The writer stopped over in Columbia Sunday while en route from Washington to visit him at the Baptist hospital, finding him well enough to go out to hear Dr. C. E. Barts preach. Mr. Tompkins says they have so many pretty nurses at the hospital to wait on him that he can say in the words of the song: "Oh, I don't want to get well!" He will probably come home to-day, and his Edgefield friends will give him an affectionate greeting.

A Deserved Promotion.

Sergeant W. D. Allen has been presented with a commission as second lieutenant of Company F, Second South Carolina Regiment, being stationed at Camp Sevier, Greenville. He volunteered for service in this company as a private early last summer and was soon made a sergeant. In recognition of his splendid record, he was promoted last week to a lieutenancy. Capt. William M. Carter, another Edgefield man who has made good, is captain of this old company, which has made history for South Carolina as the "Governor's Guards." Capt. Carter and his company did border duty at the time the Mexicans became obstreperous and he is recognized as a very fine commanding officer. The Advertiser confidently expects to hear of additional promotions from both of these very worthy sons of Edgefield, Capt. Carter and Lieut. Allen.

Mrs. J. L. Mims, Mrs. Mamie N. Tillman and Miss Patti Major accompanied the boys and girls to Johnston.

In the song contest, Dozier Tompkins received very honorable mention and Mitchell Wells won the medal for oratory over some very worthy opponents.

Billy Sunday a Great Evangelist.

Occasionally a critic will rise to make derogatory remarks concerning the great evangelist, Billy Sunday, and his work. For several years we have read much of the work of this servant of God as he has labored here and there over the country and have always been impressed in his favor. Not until Saturday afternoon last have we had an opportunity to make a first-hand estimate of this great preacher. The writer sat for more than an hour in the large tabernacle in Washington, where he was just closing an eight weeks' campaign and heard every syllable that he uttered. Our opinion of Billy Sunday is still favorable. Of course, he says and does things in his own way. But if he didn't he would not be Billy Sunday. It requires different types of preachers and teachers to reach and save different types of men. Just as the Lord chose the impulsive and impetuous Peter along with John, the Apostle of love in the days of his personal ministry, so he to-day needs men of widely different manners and employing altogether different methods to reach men. We believe the Lord has called Billy Sunday to be a laborer in his vineyard just as surely as he called the fisherman, the collector of customs or the tent maker of "Bible times," as we frequently refer to the early period of Christian activities. Be very slow to place your finite stamp of disapproval upon a man whose labors bear the stamp of approval of the Infinite.

Marion A. Wright at Harmony.

Many friends at Johnston, Trenton and Edgefield and other points in our county will be delighted to hear that Marion A. Wright will deliver a lecture at Harmony church at 8 o'clock on the evening of the 25th of March, this being Monday night.

Marion Wright is now a student in law at the University of South Carolina and is on the extension work of the university. It has been a number of years since he was a boy in Edgefield county. When we knew him then he was winning all the prizes in the county in the W. C. T. U. essay contests, and later at the University he was winning in all the oratorical contests.

Now, after a long absence he is coming back to his own, and the subject of his address will be "By-Products of the War."

Everybody is invited to attend this occasion at Harmony on the 25th, and we are sure many will be anxious to go.
