

## INDIAN PRINCESS GOES OVERSEAS AS Y. M. C. A. WORKER

Princess Galilohi, Descended From Cherokee Chieftain, Joins Canteen Forces in France.

A real, sure-enough Indian princess, is going to France to help entertain the American soldiers and sailors until the last one of them has been returned to the United States.

She is Princess Galilohi, great granddaughter of the famous King Cooweeskowie, chief of the Cherokees, and her mission in France will be in connection with the canteen work of the Y. M. C. A. Her Americanized name is Miss Anne Ross and for two years or more she has appeared as a lecturer, singer, dancer and exponent of the tribal life of her chosen people. She was chosen to pose for the Zolnay statue of Sequoia, an ancestor of the Cherokee nation and inventor of the tribal alphabet. This statue stands in the Hall of Fame at Washington, D. C.

The princess will have a rather diversified program. She will sing Indian songs and dance Indian dances for the American soldiers and sailors and between times will dispense the dozens of different articles that are part of the stock of every Y. M. C. A. canteen. She is highly educated and has several times acted as a mediator between her people and the white residents of Oklahoma, her native state.

## FRENCH HONOR Y. M. C. A. EXECUTIVE

Extensive Work of "Y" Among Poilus.

DR. JOHN R. MOTT

General Secretary of National War Work Council, Y. M. C. A., Who Has Been Accorded High Honors by French Government.

As a mark of recognition and appreciation of the work done for the French soldiers by the American Y. M. C. A. forces abroad, the French government has conferred the signal honor of Chevalier of the Legion of Honor upon General Secretary John R. Mott, of the National War Work Council of the Army and Navy Y. M. C. A.

Telegraphic advices from Washington conveyed the news of the distinction granted Dr. Mott, whose home is in New York City. The telegram, signed by Edouard de Billy, Deputy High Commissioner, was as follows: "I take pleasure in notifying you that the French government has conferred upon you the title of Chevalier de la Legion d'Honneur. Please accept my heartiest congratulations."

The National War Work Council, under Dr. Mott's supervision, in addition to its labors among the American Expeditionary Forces, has maintained more than 1,500 foyers du soldats, as the Red Triangle huts are known by the French. Up to the month of October, 1918, close to eight million dollars had been expended in "Y" work among the French and other allied soldiers served by the huts.

## "Y" ENTERTAINERS NEEDED IN FRANCE

While certain branches of the work of the National War Work Council of the Y. M. C. A. has been doing for some time are being curtailed, one type of service is being called upon for more co-operation than ever before. Although for some time there have been approximately 400 to 500 entertainers in France, many difficulties have surrounded this type of service and the thousands of shows which have been given in France have only been put over in spite of almost superhuman difficulties. Now, however, with the period of demobilization forcing upon the Army new problems has a real spirit of co-operation been shown by the Army authorities. Therefore, General Pershing has detailed Colonel Kelly, from his own Staff, to act as entertainment officer for the A. E. F., which position places him as the liaison officer between the Army and the "Y" Entertainment Bureau in Paris.

Theatres and large buildings are being taken over, mechanics supplied by the Army are putting them into operation and the "Y" is producing shows, given by soldier talent alone, and also dramatic and vaudeville performances and miscellaneous musical programs, the personnel of all of which must be recruited from this country.

Owing to the large number of men in the Army with entertainment ability, no effort is being made to send men from this side. Women, however, are wanted for these positions in large numbers. 125 must be sent out from this country every month, which will require the co-operation of every recruiting agency throughout the country. All entertainers are supplied with uniforms, Life, Accident and Health Insurance, transportation, and allow \$150.00 per month for living expenses in France.

The women should be preferably between the ages of 23 and 30, neat and attractive and possessed of a pronounced ability in their particular line. The field for entertainment now reaches from the coast towns in France right up and into Germany, for while the "Y" cannot do much with the Army of Occupation in the way of Canteen, it can supply entertainment and is doing so on an increasingly large scale. Information may be obtained from W. C. King, Peters Building, Atlanta, Ga.

## DOUGHBOYS INVADE HISTORIC RESORTS

Haunts of Napoleon Are Home to A. E. F. Troops Through Efforts of Y. M. C. A. Forces to Better "Leave" Facilities.

Paris.—Wherever the American enlisted men are now at play. The famous yacht club at Cannes, founded and patronized by King Edward, and St. Sauveur, where the third Napoleon was wont to go with his court, indicate the variety of attractions offered by the Y. M. C. A. in the leave area system operated in co-operation with the military authorities. From the Alps to the Pyrenees and from the Brittany coast to the Riviera, there are seven "Y" leave areas in which 50,000 soldiers can be entertained at one time. Preparations are now under way to increase these much-appreciated facilities to double their present capacity.

Representatives of the army and of the Y. M. C. A. are now traveling from one end of France to the other seeking new spots in which to set up leave areas. The experiment at Aix-les-Bains has been successful from the start, as America now knows pretty well from first-hand information carried home by Mrs. Theodore Roosevelt, Jr., who organized the woman's canteen work at Aix.

"Aches and Pains" was an ideal spot for the experiment, but six others have been found and put in operation, each equally satisfactory as the original model. Consequently it is with optimism that the army and the "Y" seek to increase the centres where sure cures have been found for homesick doughboys.

Location, climate, hotel accommodations, opportunities for entertainment and sight-seeing and the moral and physical cleanliness of the area are all-important in the selection of a leave resort. As soon as a site is selected the largest available is obtained by the Y. M. C. A. as its main center of operations, men and women are assigned to service and negotiations are begun to secure reduced prices from such entertainment enterprises as cannot be duplicated by the Y. M. C. A. and every effort is made to give as much service as possible. The army provides transportation and pays the hotel bills, thereby enabling the soldier to enjoy all the attractions formerly restricted to kings and emperors and malefactors of great wealth.

The Jetty Casino at Nice and the Municipal Casino at Cannes are the centres of attraction in the Riviera for the 8,500 men who can be accommodated in this area. Many officers favor this Mediterranean section, and there is a "Y" club for them. Everything except the gambling that was stopped by the government at the beginning of the war is at the disposal of the Americans. Golf and tennis and other athletic sports, bathing, boating and the companionship of the local population are the most popular attractions.

### Chronic Constipation.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.
